FRUIT GROWING

To J. W. Boulter, North Tryon.

DEAR SIR,—I have had great satisfaction with the Spramoter purchased from your firm and that by reason of its use my apple crop has been largely increased. In taking it apart this fall preparatory to put it away for the winter, I found that it was apparently well and honestly built, not always the case with goods manufactured in Canada

R. R. FITZGERALD,

ALL FORMER RECORDS

BROKEN

The Canada Life Assurance Company during the first ten months of 1902 received application for \$8,402,000.00 being an increase in round figures of two and a half millions over the corresponding period of 1901.

These figures show that the unequalled position of the Canada Life is appreciated by the insuring public.

When you insure with the Canada Life there is no mortgage on your premium to increase the reserves of old policies similar to your own but which are paying lower premiums.

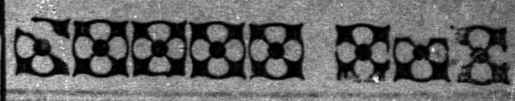

New insurers should have this matter of reserves fully and satisfactorily explained to them.

Very liberal contracts will be made with a few good agents,
