PANDORA RANGE

Train up a girl in the way she should bake, and when she is married she will not depart from it.

"My mother taught me how to bake, and told me why she always used a McClary Range.

"Now I have a 'Pandora', and, as with mother, my troubles are few. After fire is started, I simply bring thermometer to desired heat and leave the oven in charge of the baking. It's built for faithful service.

"While housewives with other ranges are poking fire and changing dampers, I sit and read the 'Joy of Living'."

CONDITIONS OF BIBLE STUDY CONTEST

1. Persons may join the club at any time during the year, but must, of course answer the 52 questions to qualify for the prizes. It is however desirable that the questions be answered as the lessons are studied.

4. Each question must be answered separately, and the paper written on one side only. No answer must exceed two hundred words in length and may be less. It will be a convenience if students will write their answers on letter paper, about 8½

5. Each answer must have the name and address of the writer at the bottom of the answer, so it can be identified, given a number the close of the contest, and forwarded to headquarters for independent examination by competent examiners. The prizes will then be awarded according to the highest number of marks, won by members of The International Newspaper Bible Study Club, and prizes which may be awarded to members of this Local Club will be given out from this office.

Registered and the the name cut off so the examiner may know it by number only.

Whooping Cough, Croup, Bronchitis Cough, Grip, Asthma, Diphtheria

Cresolene is a boon to Asthmatics

Does it not seem more effective to breathe in a remedy to cure disease of the breathing organs than to take the remedy into the stomach?

It cures because the air rendered strongly antiseptic is carried over the diseased surface with every breath, giving prolonged and constant treatment. It is invaluable to mothers with small children.

Those of a consumptive tendency find immediate relief from coughs or inflamed conditions of the throat.

DINING CAR SERVICE

ON THE

INTERCOLONIAL RAILWAY

The editor of the "Colonizer" an English magazine devoted to travel and transportation says in a recent issue:—

"We have tried the diners on other railways and unhesitatingly affirm the seventy-five cent meals on the Intercolonial cars are miles ahead in every way and meet the public needs most nearly! He declares them to be equal if not superior to that on any railway it has been our experience to use, either in Great Britain, America or the European Continent."
