Farm For Sale.

The executors of the will of the late George Clark, offer for sale that valuable farm at Clarktown, Lot 37, fronting on Hillsboro River, two miles from Mount Stewart. This farm consists of 200 acres of upland and 20 acres of marsh land; all but about 20 acres of the upland is cleared and in a good state of cultivation, the balance is covered with rails and lumber. The farm has streams of fresh water along two sides of it, and has an abundance of alder and marsh mud, and is in close proximity to the mussel beds of the river. The railway station is but two miles distant and the wharf but one. On the premises are a comfortable dwelling, large barn, stable and coach house, implement and out buildings.

For further particulars, terms, &c., apply to Mrs. Clark on the premises, S. C. Clark or Kimble Coffin, Mount Stewart or W. Leitch, Charlottetown.

BLOODSHED IN A THEATRE

MADRID, December 18.—The persistence of the claque in applauding an actor at the Royal Opera House, Seville, on Saturday night, led from hissing by the rest of the audience to the throwing of missiles.

A fight with canes, chairs and bottles followed. Finally armed gendarmes cleared the theatre. Two persons, whose skulls were fractured, died in the hospital. Two members of the claque were arrested.

GET YOUR BOWELS TO MOVE.

Now see here a minute, my friend! You ought to know that you cannot cure pain in the head, or heartburn or shooting pains in the stomach with headache powders and liniments. That stuff you rub on doesn't remove the cause. You have got to go down where the trouble is. What you want to do is to get your bowels to work. Take three Hutch to-night. Take one after each meal. It takes out those pains by stopping the fermentation of the food. It is easily taken and does not contain any injurious substances. It is a hundred times better than Elixirs, Sarsaparillas, iron and acid preparations. Don't lose time fooling with such things, but start using Hutch as quickly as you can. It's a doctor for ten cents. For sale by all Druggists.

TORONTO HAS ANOTHER COMBINE

TORONTO, Dec. 19—Crown Attorney Curry has launched a prosecution against what he describes as the tightest of all combines. An information charging conspiracy was sworn out against Robert Somerville, of the Central Agency, on Wellington Street, West. Detective Verney with the search warrant went to the Wellington street office and collected the records by which the Crown hopes to show that the whole spool cotton business of Canada is controlled by a hard and fast combine. The effect of this combine has been to give the English and United States Mills the whole Canadian trade, the retailers having to buy from the combines' mills only. The only spool cotton mill in Canada is in Bracebridge. It has had practically an impossible task in finding a market for spool cotton in Canada.

THE TARIFF HURTS GERMANY

LONDON, Dec. 19.—A Berlin despatch dated the 17th, states: "The Reichstag today discussed the Bill authorizing the prolongation of a provisional commercial arrangement with Great Britain until Dec. 31, 1907."

Count Kanitz declared Germany's position with regard to Great Britain to have undergone a complete change since some British Colonies demanded a kind of autonomy from the Mother Country.

Herr Bernstein, Socialist, attributed the unfavorable treatment of German imports in Canada to the introduction of protectionist laws in Germany, especially the corn duties,
