He was met by quite a delegation of friends at Salisbury, and there was a large number to greet him upon his arrival at the Moncton depot. Lamp light will not be satisfactory if the burner is old, burnt out or dirty, if the glass is chipped, or if you use inferior oil. With your lamp in good order and MAYFLOWER OIL which is especially prepared for household use, you will have the best light for the eyes known to man.

With regard to the item in Saturday's issue containing Police Court doings, wherein it was stated that Benjamin Carter had been fined thirty dollars and costs for conducting an auction sale without having the proper license, it is only fair to Mr Carter to state the full facts of the case, facts of which The Guardian knew nothing at that time. A summons was issued against Mr Carter, returnable Friday last, to which he attended to by calling at the City Clerk's office and paying his tax, and this being done, he thought no more of the matter. When the case came up for hearing Mr Carter did not appear and judgment was given against him, there being no defence.

The pictures at New Wonderland Saturday night were of exceptional interest especially those of Peary and Cook, the famous explorers. Many of the slides shown were taken by Rueben McDonald of this city during his visit to the Labrador and show plainly the many reporters present on Peary's arrival.
