MONDAY. MAY GO TO HUDSON BAY.—The new steamer Acadia, for the west coast, is expected in Halifax from England in a few days and will likely go to Hudson Bay in place of the Minto.

MILITARY MEN COMING.—A telegram received by Capt. T. G. Taylor on Saturday states that General Sir Ian Hamilton and Col. the Hon. Sam Hughes would leave Quebec yesterday by the C. G. S. Earl Grey arriving at Charlottetown on Tuesday.

WEDDING BELLS.—On July 1st, a very pretty wedding took place at the home of Mr. and Mrs. Joseph H. Smith, of Croft Street, Amherst when their daughter Alice Josephine, was united in marriage to Mr. Daniel Lester McInnis of Murray River, P. E. I., now of Amherst by the Rev. John Johnson of Maccan, uncle of the bride. The bride handsomely gowned in white silk and pearl sequin trimmings...

STANDING OF CADETS.—Lt. Col. H. D. Johnson, R. O., Secretary of the Local Committee of the Strathcona Trust, Charlottetown, has received from Major W. E. Outhit, Inspector of Cadets, the following report showing the relative standing of those cadet corps in Prince Edward Island connected with public schools: Lt. J. A. Murphy, 77 per cent. 2nd West Kent Street School—Instructor Capt. A. B. Duck, 75 per cent. 3rd Queen Square School—Instructor, Lt. Jas. Landrigan, 73 per cent. Next in order came Summerdale High School—Mr. E. H. Strong, Instructor. Montague School—Lt. G. H. Campbell, Instructor. Tignish School—Lt. L. Nelligan, Instructor. Souris School—Lt. E. D. Feehan, Instructor. Alberton School, Lt. M. E. Francis, Instructor. In addition to the above St. Dunstan's College Cadet Corps, which is outside the provisions of the Trust, also passed inspection.

DEFECTIVE AMMUNITION.—What probably accounts for some poor scores on the rifle range is the fact that the ammunition made by the Dominion Ordnance Department has on examination proved to be very defective. A Board of experts have been making tests of it for some time and they have just submitted to the Government a report on the results of their investigation. This report shows that the ammunition has been very carelessly made, and that some of it is positively dangerous. The effect of the report will be that the Government will condemn about twelve million rounds of rifle ammunition. This does not mean that it will be destroyed, but that it is to be made over. It is expected that a number of highly trained men will be brought over here from the Ordnance Department of the old country for this purpose. As the result of the findings of the Board of experts it is reported that Colonel Gaudet, the head of the Dominion Arsenal, has resigned.

FAINED FROM THE HEAT.—The heat on Saturday, when the thermometer recorded something over 80 degrees in the shade, was particularly trying to the men of the Militia Force, now undergoing their annual field training, in the discharge of their various duties in the field. The 82nd regiment had a hard time of it. They were marched from the camp on the Exhibition Grounds to Victoria Park, at the other end of the town, where they were exercised in outpost duty. In spite of lighter clothes and sun bonnets with which they were sensibly provided by the authorities they were put to severe test in withstanding the heat. In fact, combined with the exertion of the march and drill, the heat proved too much for one unfortunate private who fainted at his post while the regiment were at work in the Park. He was quickly revived by the plentiful use of cold water and insisted on taking his place in the ranks with the march back to camp began, and he was to be seen trudging as bravely as the rest. It is a point of credit to the whole force that they worked so manfully and well in conditions so irksome.

CHURCH PARADE YESTERDAY.—There was a church parade yesterday of the Island Militia Forces in camp on the Exhibition Grounds of Charlottetown. Practically the whole body of men under canvas at the camp mustered for the parade, the strength of which was close on seven hundred. Fortunately while the weather was very threatening, it held fair during the progress of the march out of camp and even though it rained almost immediately afterwards, it cleared off for the march back to camp. The parade was an imposing spectacle, in which the bright and varied uniforms made attractive contrast. The Light Horse Troop, now dismounted and carrying their swords, led the parade, the 82nd Regiment, which was the largest unit, being next, with their Band in the centre and the Army Medical Corps in the rear. The parade was to St. James' Church, the pastor of which, Rev. Dr. Fullerton, is chaplain of the Forces, and to the chapel of Notre Dame Academy. Rev. Dr. Fullerton at St. James and Father Ryan of St. Paul, Minn., at Notre Dame, preached eloquent and appropriate sermons for the occasion. Large numbers lined the route of march and viewed the parade with considerable interest. The parade was under the command of Colonel Allan.

THE SHEEP STORM.—One of the worst rain and wind storms of the season passed over Charlottetown yesterday. It was probably the old fashioned "sheep storm" and quite a number of sheep were caught out in it, but they all returned safely to the fold sadder and wiser sheep.

ROYAL BANK NEWS.—A branch of the Royal Bank of Canada is to be opened in Hunter River in the near future and Mr. William Prowse now accountant of the Royal Bank here is to have charge. Mr. H. M. P. McCallum of the Royal Bank transferred to Summerside, Mr. McCallum is a very popular official and will be much missed by the business people as well as his large host of friends.

On Friday evening last Ellerslie hall was the scene of a very enjoyable time when about seventy-five people, young and old alike, gathered to spend a final social evening with their teacher, to express regret at his departure and extend to him their best wishes for his future success and happiness. The hall and tables were very nicely decorated for the occasion and luncheon of a high order was served to all present. A suitable program followed the last number on which was the reading of an address to their teacher by Mr. MacNevin was taken entirely by surprise but most feelingly thanked all for their kindness. He felt that although a stranger to them for some six months ago, he could hardly believe but that they had all been friends for years. He believed he would always look back upon his stay in Ellerslie as one of his brightest periods in life and although on the following afternoon he would be separated somewhat from them by space yet in thought he would often wander back to them. The following is a copy of the address: To Mr. Colin MacNevin, Dear Teacher—We your friends and pupils of Ellerslie School district have gathered here this evening asking you to be present with us on this the eve of your departure from among us as teacher of our school, that you might hear and know of our appreciation of your work while here with us. We have watched with interest your work in our school and have noted with pleasure its progress. But particularly shall we miss you in our Sabbath School where you have been in regular attendance doing all in your power firstly for its founding and ever since for its advancement. Your cheerful disposition, your uniform courtesy and hearty good fellowship will always linger in our memories to remind us of your loss.

But much as we regret the loss our district will sustain, yet we are quite aware that the greater opportunities will be yours in a broader sphere and that our loss will be but your gain. And now dear teacher in presenting you with this purse accept it as a tangible proof of our esteem towards you, and let us assure you that should you ever feel disposed to visit us you will always be met with a hearty good welcome. Wishing you all merited success in your new venture in life we are yours truly, Signed in behalf of Ellerslie School district, GEO. F. WALSH.

SUFFERED THREE YEARS. Till Dr. Morse's Indian Root Pills cured his Kidney Trouble. There are few diseases that cause more acute suffering than Kidney Trouble, and Mr. F. A. Thomas, of Sudbury Ont., is one of those who know it. He writes: "For over three years I suffered from kidney disease. First thought I had sprained my back, for suddenly the pain would catch the small of my back and it would be impossible for me to straighten myself up for several minutes. A dull ache across the kidneys was always present, my urine was thick and cloudy, and passing it caused a burning, scalding pain. Tried medicines, but they failed. I was advised to try Dr. Morse's Indian Root Pills, as they had cured my wife years before. A few boxes affected a complete cure. I now enjoy the blessings of good health, which is due to this remedy. Don't neglect kidney trouble—it's too dangerous as well as too painful. That old, reliable family remedy, Dr. Morse's Indian Root Pills, has cured thousands and will cure you. It is equally effective in curing constipation and its attendant evils, biliousness, indigestion and sick headaches, and in purifying the blood. Use a box at your druggist's."

TUESDAY. FROM MONTREAL.—The S. S. City of Sydney arrived in Charlottetown at 8 o'clock last evening from Montreal with a large general cargo and a number of passengers on board. She sailed again at 2 o'clock this morning for St. John's Newfoundland, with four passengers and the following cargo from Charlottetown: 400 bags of oats, 300 bags of potatoes, 400 bales of hay, 100 bales of straw, fifty head of cattle, two horses and other cargo.

PRESENTATION.—Mr. W. M. GIRL SUFFERED TERRIBLY. At Regular Intervals—Says Lydia E. Pinkham's Vegetable Compound completely cured her.

Adrian, Texas.—"I take pleasure in adding my testimonial to the great list and hope that it will be of interest to suffering women. For four years I suffered untold agonies at regular intervals. Such pains and cramps, severe chills and sicknesses, each then finally hemorrhages until I would be nearly blind. I had five doctors and none of them could do more than relieve me for a time. I saw your advertisement in a paper and decided to try Lydia E. Pinkham's Vegetable Compound. I took seven boxes of it and used two bottles of the Sanative Wash, and I am completely cured of my trouble. When I began taking the Compound I only weighed ninety-six pounds and now I weigh one hundred and twenty-five pounds. If anyone wishes to address me in person I will cheerfully answer all letters, as I cannot speak too highly of the Pinkham remedies."—Miss JESSIE MARSH, Adrian, Texas.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Flynn, station agent at Cardigan, and Mrs. Flynn, leave shortly for Georgetown, where Mr. Flynn has been transferred, and where they have taken the residence lately occupied by Captain Charles Owen. On Thursday evening a number of the leading residents of Cardigan called on Mr. Flynn and presented their retiring station agent with a handsome ebony cane, with gold head, beautifully engraved and bearing a suitable inscription, also with an elegant meerschaum pipe and case. An address to Mr. Flynn was read by Mr. J. C. McMillan. The delegation consisted of Mr. D. J. Morrison, Cardigan, East; Dr. J. O. McMillan, Hon. J. A. McDonald, Allan Shaw, W. L. McLaren, George Sutherland, William Curran, John T. Poole, Peter Murphy, John Sullivan, John Angus McDonald, J. D. Knight, and Dr. Allen.

BRIDGE CONSTRUCTION.—The Provincial Public Works Department have planned to carry out extensive permanent bridge work throughout the Island during the present summer. According to present arrangements, a number of the wooden bridges that are now in existence will be replaced by steel constructions. The Hughes Bridge at Emerald will be replaced with a 50-foot steel span, while a steel bridge of similar description, but 60 feet in length will take the place of the wooden construction at present at Bradstante. The Mill River bridge will be replaced by a steel span a hundred feet in length. For the present bridge at Bay Fortune there will be substituted a steel span of 120 feet long, while a 70-foot steel span will replace the Clark's bridge at Emerald. In addition to the above the government purposes building several new bridges in various parts of the province. These will be small constructions, 35 feet in length in each case, and will also be built of steel. The bridges are being made of a somewhat heavier design than those which have been previously erected, and in each case will have a roadway fifteen feet wide.

ORDERLY RACES AT VERNON.—Rev. W. D. Wilson, Field Secretary of the P. E. I. Temperance Alliance, paid the Guardian a pleasant visit yesterday evening. Mr. Wilson was present at Vernon, both before and after the Riverside Races yesterday, and informs the Guardian that the order during the day, considering the crowd was very good. There was practically no evidence of drinking and, with the exception of a little misplaced enthusiasm on the part of two individuals, the conduct of all was admirable. The management of the races is to be congratulated on this very creditable report which shows that law and order have secured a foothold in the community. They had taken the precaution to have posters conspicuously displayed all over the grounds and in the neighborhood, beforehand drawing attention to the amendments of the Prohibition Act and giving timely warning that the law would be rigidly enforced. The warning had the desired effect and the experience will be a valuable lesson to others.

FUNERAL OF LATE C. RILEY.—The funeral of the late Charles Riley, took place yesterday morning from his late residence Pownal Street to the Pro-Cathedral, thence to the Catholic cemetery. Requiem High Mass at the Church was celebrated by Father Plus McDonald, and Rev. Dr. McLellan conducted the service at the grave. The following were the pallbearers: Messrs Dr. J. P. Murray, Robert Nelson, Edward Cullin, James Stewart, Joseph Purcell and S. A. McLeod. The funeral was one of the largest seen in Charlottetown for some time.

The races at Riverside Park, Vernon, yesterday, were largely attended about seventy persons going out from Charlottetown by special train. The races were up to the usual high standard of former years and a good day's sport was enjoyed by all who attended. The Citizens Band rendered some lively music for the occasion. The following are the races with the results.

2.19 CLASS. There were only two starters in this race, Hilda S, 2.20 and Ginger, 2.20. Four heats were necessary to decide this race. Hilda S. won the first two, then Ginger won the third, Hilda S. captured the next one however and the race. The best time was 2.35.

2.30 CLASS. Four horses started in this class. Moth Miller, Zealot, Fernside and Score Card. The first heat was won by Zealot but the next three heats were captured by Moth Miller in easy style. Zealot secured second money, Fernside third and Score Card fourth, Time 1113, 112, 1123, 1114.

THREE MINUTE CLASS. Commodore Lovat won this event in three straight heats, Fernside second and Harry L. third.

NOTES. Mr. D. A. McKinnon, Owner of Iona Girl (2.194), wishes to apologize to the public and management of the Riverside Race Track for the non-appearance of Iona Girl. He had promised Dr. Fraser to send her down. Being unable to do himself, he made arrangements to have her taken down and driven. The arrangements unfortunately and to his great regret miscarried.

MELVILLE Tooke Collars. The MELVILLE promises to be very popular this Spring and Summer. Gives the effect of a rather high collar yet is exceptionally comfortable on account of the low inside band.

"BEAVER" FLOUR. Makes the True Home-Made Bread Your Mother Used to Make. "Beaver" Flour is a blended flour—really two flours in one. It contains the quality, nutriment and flavor of Ontario fall wheat and the strength of Western wheat. "Beaver" Flour is a perfectly balanced flour. It makes baking easy because it is always the same in strength, quality and flavor. Your grocer has it. Try it. DEALERS—Write us for prices on Feed, Coarse Grains and Cereals. THE T. H. TAYLOR CO., LIMITED, CHATHAM, Ont. 140. F. Poole, 6 1/2 Kent St. Halifax, N. S., Travelling Sales Agent.

12 Tumors Removed Without An Operation. Dear Mrs. Currah—I am enjoying better health than I have for eight years, and I think I am entirely cured. I have none of the old symptoms. I am very grateful for my present health, and think Orange Lily is the greatest treatment for women the world knows. Its use in my case caused 12 tumors or growths of some sort to be expelled. Some were as large as a hen's egg, and others smaller, down to the size of a walnut. You may see my case in your advertisement, for it is the solid truth, and you cannot describe all the good it has done for me. Mrs. Louise E. Bolte-ridge. This letter gives an indication of the positive benefits that always follow the use of Orange Lily. It is an applied treatment, and comes in direct contact with the suffering organs. It produces results from the start in all cases of women's disorders, including painful periods, falling of womb, irregularities, leucorrhoea, etc. I will send a sample box containing 10 days' treatment absolutely free to any suffering woman who has not yet tried it if she will send me her address. Enclose 1 stamp and address MRS. FRANCES E. CURRAH, Windsor, Ont. For sale by leading druggists everywhere.
