COMPROMISE ON A BULL FIGHT

SAN SEBASTIAN, Aug. 8.—The government's rigorous measures and the formal renouncing by the Catholic junta of the threatened demonstration in this city, insured comparative tranquility today, and a largely attended bull fight was the chief incident of the day. From daylight the streets were patrolled by cavalry, infantry and gendarmes, while heavy bodies of troops were held in readiness in the barracks at Miramar palace where the queen mother and the royal children are in residence.

The gravest incident occurred last evening when groups of Catholics assembled shouting: "Death to Spain, Long Live the Pope."

Thousands of indignant people pushed toward the manifestations and only the personal intervention of the governor at the head of a platoon of police prevented an attack. Nearly 150 arrests were made. Many amusing scenes were witnessed. Priests leading trading ranks of peasants took to their heels when they found the city in possession of the military. The peasants, all their courage gone, were disarmed and easily persuaded to return to their homes. In some cases the soldiers were compelled to supply the poor people, who had come into the city to rail at the government, with food.

The local authorities are convinced that the Catholic demonstration masked a Carlist plot. Catholics are extremely indignant at the government's repressive measures. Senor Urrutia, the chief organizer of the movement, said today that the purpose of the manifestation was peaceful. There were to be no speeches, and those taking part were unarmed. But, he said, when the government treated the matter as if it were civil war, he had called off the manifestation to prevent bloodshed. He said that it was their intention later to take part in peaceful manifestation at Pampola in the province of Navarre and at Victoria, in Aleva to prove that the anti-clerical policy of the government was opposed by the entire Spanish people.

"Even the queen mother is bitterly hostile to it," he added.

The authorities declare that the monks have taken an active part in fomenting the agitation, and it is charged that they have distributed arms among the people.

GAS ON THE STOMACH

Relieved at Once by Father Morrissey's No. 11 Tablets.

Many people find that no matter how carefully they watch their diet and deny themselves this, that or the other favorite dish, still after every meal gas forms in the stomach and everything seems to turn sour.

Besides causing great discomfort, this condition makes it impossible to get the full benefit from the food eaten, and the body is continually starving with a full stomach.

Father Morrissey's No. 11 Tablets promptly relieves this and other stomach disorders. Each Tablet has the power of digesting a pound and three-quarters of food, so that even though the stomach may be in a very bad or weakened condition one Tablet taken after each meal will insure proper digestion and prevent sourness, gas in the stomach, pain or discomfort.

The case of Miss Maggie Leahy, of West Franklin, Ont., is a sample of what Father Morrissey's No. 11 Tablets can do. Writing on Jan. 5th, 1910, she says:

"Your No. 11 Stomach Tablets suit my case exactly, as I am ever so much better since using them, than I had been for the last seven years. I could hardly eat anything that would not turn sour on my stomach, or cause gas. My Doctor said it was Catarrh of the Stomach. I had no pain, but gas after eating. The first tablet I took gave me relief, and I am still continuing their use."

If you happen to eat a little too much for dinner or something that does not agree with your Stomach, just take a No. 11 Tablet and you will feel all right in a few minutes.

If you have been troubled with Indigestion or Dyspepsia a course of Father Morrissey's No. 11 Tablets will soon put your stomach into a healthy condition again.

LETTER OF CONDOLENCE.

The following letter of Condolence signed on behalf of Highfield Division, Brookvale, by Katie Cameron, Amelia MacDonald and D. M. McDonald has been forwarded:

"We the members of Highfield Division wish to express to Clara and Angus MacIntosh and family our sincere sympathy in the great loss of your sister, Maude, which you have sustained. We wish to point you to the Great Comforter of the World in whom she has put her trust and in whom she trusted to the end of her life. Still we are glad to say there is one who will wipe all tears from your eyes if you only trust in Him. We know that your grief is beyond words for her death was so unexpected, it certainly calls to our minds; "That in the midst of life we are in death," but still God moves in a mysterious way his wonders to perform; this is a sure proof that he is able to comfort and sustain your wounded hearts. The words of the psalmist still holds true. "Take comfort Christians when your friends in Jesus fall asleep. ...
