Casumpac Light commonly known as Alberton Light has made the news on September 10th, the light keeper W. R. Gaudin, made contact with Charlottetown via radio telephone. This is the most recent form of communication used by light keepers on the Atlantic coast. This service will be invaluable to mariners in distress. Mr. Gaudin will make two contacts daily with his headquarters at Charlottetown. Alberton Light has the honour of being the first light-house to have this equipment in operation on the island on a peacetime basis.

ADDRESS AND PRESENTATION

A very pleasant evening was spent at the home of Mr. and Mrs. George Mayne on the evening of Thursday Sept. 9, 1948, when friends and neighbors of Emerald and vicinity assembled to honor their son Leeland and his bride on their recent marriage and to welcome his bride the former Violet Todd to the district. When all had gathered the bride and groom were escorted to the seats of honor by Mrs. May Goodwin and Mr. Clair Croker. The strains of the Bridal Chorus, played by Miss Kathleen Smith. A nicely worded address was then read by Mr. Reginald Smith and the presentation of a well filled purse was made by Mrs. Agnes McEntee. SUMMER MORNING

(New York Times)
All the world was a sea of gray
Culic mist,
Then out of grayness one green
hill was born.
Like diamond dust the dew hung,
blue-light kissed
And spider webs were patterned
in the corn.
Then as a giant hand wipes off a
slate
The misty grayness was all wiped
away,
A robin on the grass beside the
gate
Slipped from the shining flagon of
the day.
