### A Genuine Cure For Influenza And Pneumonia

Little as people in general realize it, the fact remains that a genuine cure for influenza, pneumonia and all kinds of fever really exists, and the remedy is to be found right here in Charlottetown.

A great many Island people have been cured of the ailments referred to by means of the Farador and their names and addresses will be handed to anyone for the asking.

With the Farador you do not have to wait long in order to obtain results. When the Farador is applied according to directions the fever and brings down the temperature and a complete cure is usually effected in less than a week.

There is no need of anyone dying of influenza or pneumonia if the Farador is used in time. Even when applied after all other remedies had been exhausted the Farador has often been the means of bringing about complete recovery.

The Farador is perfectly harmless, hence there is no danger in giving it a trial.

It may be rented by the week for a trifle and the poor may obtain its use free of charge.

### NO TONIC LIKE HOODS

Sarsaparilla For a Time Like This, After Influenza, the Grip.

When purified blood, rebuilt strength and regulated bowels are essential.

In the after-effects of Influenza, the grip and other prostrating diseases, Hood's Sarsaparilla has remarkable health-helping effect.

It expels the poisons that have weakened and depleted the blood, causing pallor, anemia, flabby flesh and lax muscles. It is the standard blood remedy with a successful record of nearly fifty years.

Many people—it is really astonishing how many—need a fine, gentle, easy cathartic in these trying times. We recommend Hood's Pills, used in the best families, and equally effective with delicate women or robust men.

### Address and Presentation

On Saturday evening, October 25th, a representation of the Tyne Valley section of the Presbyterian Church, assembled at the home of Mrs. H. F. Phillips, to bid farewell to their esteemed pastor, Rev. David Jones. After music and singing, in which the Misses Eleanor Ramsay and Nina Waldron acted as pianists, the meeting was brought to order by Mr. L. MacNevin, who in a few well chosen words told why they were there and also complimented Rev. D. Jones on the excellent work he had accomplished during his ministry in Tyne Valley, as was shown by the large number who professed their faith in Christ this year, thirty-six having been added to the roll of membership. The following address was then read by Miss Nina Waldron, while Miss Eleanor Ramsay presented him with a well filled purse.

To the Reverend David Jones Tyne Valley, P. E. I.

Dear Pastor:—On the eve of your departure from this community, we, the members and adherents of the congregation of Tyne Valley, desire to express our appreciation of your services during your ministry of about two years amongst us.

From the beginning of your pastorate with us, you have shown a kindly interest in the welfare of your people, telling us faithfully and well of the duty that each of us owes to our Creator and Preserver, and also of the duty we owe to our fellow men.

Now we realize that long addresses are tiresome, and that the natural feeling of love is generally most expressive when not framed in lengthy words and phrases. Therefore this address will be a brief one.

As an expression of our gratitude and goodwill we ask you to accept this small gift and trust that wherever God in His Providence may order your lot, your labours may be crowned with abundant success.

Signed on behalf of the congregation

J. E. Milligan, Preston Ellis, L. MacNevin J. W. Brown, H. F. Phillips.

Rev. D. Jones replied in fitting terms, thanking the people for their generous gift, as well as the many kindnesses shown him by his congregation during his ministry amongst them. He accepted these words of encouragement, and the gift which accompanied them, as a

tangible proof of the cordial relationship that had always existed between the people and himself. He trusted that the congregation should continue to grow spiritually as well as numerically. He had always tried to do his duty to God and in so doing had probably not pleased everybody but for the success attained in every respect they give God all the glory for without Him, "we can do nothing." He concluded by wishing them every success in their different spheres of life, and trusted that peace and prosperity should follow them whenever the Lord directed their paths.
