Although the boat did not cross yesterday and the act booked for New Wonderland last night could not be put on still the house was crowded with an appreciative audience who understood the circumstances. Besides the regular picture program and illustrated song Al Allen amused his audience as on the previous evenings with his wonderful feats on the musical instruments. Rounds of applause greeted a slide which was thrown on the screen—a copy of a wireless message from the lady manager on board the Stanley stating that the boards and one armed contortionist would appear at New Wonderland Wednesday evening.

The following expressions of sympathy signed by Waldron A. McQuarrie, Ewen McKinnon and Allan Ferguson on behalf of Court Craymond 580, Hampton, were forwarded on March 17th to Mrs. Lauchlan McKinnon and family. "It is with sorrow that we refer to the decease of our brother Forester. We remind you bereaved wife and mother of the assurance you possess that your late partner is now enjoying rest, suitable, seasonable enjoyable with angel Jesus, who saved and called him home. May the 'God of all comfort' 'The husband of the Widow' cause you to say 'Thy will be done' and 'The Lord is my helper I shall not fear.' We remind you bereaved children that the blessed God who summoned your loving father to glory says to you 'I am the father of the fatherless.' Leave the fatherless children to me and I will preserve them alive.' We convey hereby the heartfelt sympathy of the Court of Foresters and state that we too realize that we have sustained a great loss. May you all as mother and children, benighted to lean heavily upon Him who 'is able to make all grace abound toward you that you always having all sufficiency in all things.' May meet your beloved one at least in 'The better land.' (Pat please copy.)

WHAT TORONTO WILL DO.

TORONTO, March 23—The long discussed question of war between Germany and England has stirred up Toronto in the last day or two. There is reason to believe that the militia had received a hint from the War Office to look out for squalls. The evening papers have been interviewing the leading business men on the subject, and their expression is unanimous that Canada should do something in support of the British Navy, either by building a Dreadnought or contributing money to help the Motherland to keep her armament up to strength and to make her more than a match for any two other powers on the sea.

A general meeting of those interested in evangelical work was held yesterday afternoon in the Y. M. C. A. when it was decided not to bring Mr. Elliot here at present but to try to have him come over in the Autumn.

The meeting of the S. O. E., too, pleared last evening and proved successful though much regret was felt regarding the absence of Major Weeks, due to illness. Major J. A. McDonald spoke concerning loyalty to the Flag, the underlying current of his remarks being that Canada should not be a nation, but should stick to the British Flag. The following enjoyable program was then given, Solo Dr. T. E. Robins, Reading, Brother C. H. Pruner and Solo, E. A. Foster, and the function was brought to a close, though not before an earnest wish was expressed that Major Weeks would be able in the near future to deliver his much looked forward to lecture.

Notwithstanding the unfavorable weather last evening the social at the Y. M. C. A. was well attended, one hundred and thirty five being present, consisting of members and their lady friends. H. Jenkins, chairman of the social committee presided and an excellent program was given. Professor Watts with his orchestra provided appropriate music. The Rev. J. F. Floyd gave a short address in which he spoke on the Y. M. C. A. as being a great factor throughout the world in the development of ideal manhood. Afterwards Les Dingwell, E. H. Mitchell, and P. Hooper gave some enjoyable vocal selections each of which were heartily encored. Mrs. Cook and Professors Earle and Watts accompanied the singers. A debate on woman suffrage for the affirmative and G. W. McPhee for the negative the latter winning by a majority of twenty nine votes. The Ladies' Auxiliary provided refreshments, and a vote of thanks to all who took part was moved by Col. Moore, seconded by James Paton, and supported by the Rev. George Ross, The National Anthem then brought a most successful event to a close.
