WHAT the Sydney Record says about Humpty Dumpty:—"Another large audience greeted Humpty Dumpty last night at the Rosslyn Theatre. The performance was even better than the opening night. Some changes were made in the specialties which were much appreciated. Mr. Scott of Scott and Dowres repeated his success. James R. Adams in his dance on stilts not only amused, but amazed by his wonderful dexterity. Alvan with his almost magic hoops and grotesque juggling was enthusiastically received, as were German and Proctor in "Hot Scotch." One never tires of listening to Mr. Gorman's jokes and Miss Proctor's sweet voice. The acrobatic act of Hansen and Newell stamped these performers as first in their class. The management have a treat in store for the children Saturday afternoon, when a special matinee will be given for the little ones." This Company will appear at the Opera House, June 17th and 18th.

THE S. S. Olivette arrived in port at 7.30 Saturday evening with a large freight and a number of passengers. The following is a list of her officers:

- Captain J. B. Allen.
- 1st Officer Thompson.
- 2nd Officer Simmonds.
- Purser Dennison
- Chief Engineer Bean.
- 1st Assistant Engineer Miller,

BARNABY RIVER, N. B. Mar.—Few cases of illness and recovery have excited the interest in this community, as has the kidney trouble of Mr. Cornelius Crotte. Mr. Crotte's treatment by the doctors at home and in the hospital, and the fact that they absolutely gave him up as a case beyond all hope, is well known. His subsequent restoration by the use of Dodd's Kidney Pills reads like a miracle. "For five years I have suffered off and on with kidney trouble. Last fall I had an attack, for which the doctors had little hope of my recovery. I was obliged to go to the hospital for treatment, but it did me no good, so I came home given up by the doctors. A friend suggested Dodd's Kidney Pills. From the first box I improved. Now I am at my work every day."
