# Most Sickness Comes From Weak, Inactive Kidneys

### Recent Reports Show Hundreds Suffer With Kidney Troubles and Don't Know It.

There are scores of nervous, tired, run-down people throughout the city, suffering with pains in the back and sides, dizzy spells, weaknesses of the bladder, (frequently causing annoyance at night) who fail to realize the seriousness of their troubles until such conditions as chronic rheumatism, bladder troubles, dropsy, diabetes or even Bright's disease result.

All this is due to weak, inactive kidneys. The kidneys are the filterers of the blood, and no one can be well and healthy unless the kidneys work properly. It is even more important than that the bowels move regularly.

If you suffer with such symptoms don't neglect yourself another day and run the risk of serious complications. Secure an original package of the new discovery, Croxone, which costs but a trifle, and commence its use at once. When you have taken a few doses, you will be surprised how differently you will feel.

Croxone cures the worst cases of kidney, bladder trouble, and rheumatism, because it removes the cause. It cleans out the kidneys, and makes them filter out all the poisonous waste matter and uric acid, that lodge in the joints and muscles, causing rheumatism; soothes and heals the bladder, and quickly relieves you of all your misery.

You will find Croxone different from all other remedies. There is nothing else on earth like it. It matters not how old you are or how long you have suffered, it is so prepared that it is practically impossible to take it into the human system without results.

You can secure an original package of Croxone from any first class druggist. All druggists are authorized to personally return the purchase price if it fails to give the desired results the very first time you use it.

# FUGITIVE CONVICT SCARES WOMEN

### Flies Across Golf Links Pursued By Guard on Bicycle.

MUNEOLA, L. I., April 7 (Special)—Many women ran screaming from the Garden City Golf links when an escaped prisoner, pursued by a man on a bicycle, ran among them.

The pursuer, Winfield Box, a guard at the jail, was within fifty feet of the fugitive when a tire of his bicycle burst. He then found that he had left his revolver in the jail.

When the tire exploded, however, Joseph Grella, the fugitive, halted abruptly and held up his hands. Box, who is able to think quickly in an emergency, deduced that the man had mistaken the noise of the exploding tire for a revolver shot.

"Keep your hands up!" commanded Box, and he drew a clay pipe, which in the gathering darkness resembled, in outline at least, a revolver. Then he walked toward Grella, drew the man's hands behind his back and handcuffed him. Then he showed Grella the pipe revolver and laughed at him.

"Well.—!" said Grella, the rest of what he said being unprintable.

Grella escaped by placing a plank and jumping over. He had been serving a sentence of four months for abduction and would have been released next Monday.

As punishment for his attempt to escape he must wear an 18 pound ball shackled to his foot, which he will have to drag around at work on the stone pile.

# A DRUGGIST IN WINNIPEG

### Cured Himself With GIN PILLS

No greater compliment could be paid GIN PILLS than to have a druggist use them. Mr. Rogers being in the business, tried all the ordinary remedies, but it was not until he used GIN PILLS that he was cured of a severe pain in the back.

Winnipeg, May 19th, 1912.

"In the autumn of 1911, I suffered with a continual pain in the back. As a druggist, I tried various remedies without any apparent results. Having sold GIN PILLS for a number of years, I thought there must be good in them otherwise the sales would not increase so fast. I gave them a fair trial and the results I found to be good".

### PRESENTATION TO MR. AND MRS. ROBERT McMILLAN.

The New Perth Hall on the evening of Wednesday, the 2nd inst, was the scene of an event of more than usual interest, being the occasion of the public leave taking of Mr. Robert McMillan and family, previous to their departure for the Canadian West.

A gathering, a thoroughly representative one, was presided over by Mr. Russel McLaren, and included the residents of New Perth, and a few from the surrounding neighborhood. Mr. and Mrs. McMillan were presented on behalf of their many friends and acquaintances with an address, which expressed the high esteem in which they were held, and which was accompanied by the presentation to each of them, of a handsome gold watch, as a further mark of regard.

Mr. McMillan, in making suitable acknowledgement, feelingly expressed himself, on the cordial relations that had at all times existed between him and the people of the neighborhood, as well as his appreciation of this evidence of their regard.

Complimentary speeches, interspersed with songs and music, acceptably rendered, by Mr. and Miss Richards, Mr. Kennedy and others, made up the entertainment which was thoroughly enjoyed by all present. Refreshments were served by the ladies of the committee in excellent fashion.

Mr. McMillan, as secretary of the New Perth Dairying Co., as a teacher in the public schools, and in his social relations with the people had acquired a justly deserved popularity. Both he and Mrs. McMillan, during the many years of their residence in New Perth had made many friends, and were regarded as social favorites. Their departure is felt as a distinct loss to the community, and they will be followed by the good wishes of all.

Much credit is due to the committee for the success of the affair.

A vote of thanks to those who had rendered the musical part of the program, and to the ladies for their excellent spread, followed by the singing of Auld Lang Syne and the National Anthem, brought the event to a close.

### A STATE SENATE ASKED FOR A BRIBE.

NEW YORK, April 3—George H. Kendall, president of the New York Bank Note Company, turned over to Deputy State Attorney General Kennedy today documentary evidence which Kendall says will prove that State Senator Stephen J. Stilwell tried to induce him to offer a bribe of $3,500 to have certain stock exchange bills reported out of the legislative committee. Kendall also related to the deputy attorney general what he says Stilwell told him of the alleged use of a "big barrel of money" by the New York stock exchange to defeat certain legislation.

# BANK FAILED FOR ONLY $7,000,000

### Liabilities of Gustav Puppe Greatly Exaggerated in First Reports.

BERLIN, April 7 (Special)—The liabilities involved in the failure of the Kuestrin banker, Gustav Puppe, who suspended payment, were greatly exaggerated in the first reports. Investigation shows that the amount to be covered reaches only about $6,000,000 or $7,000,000 and that the failure is of purely local interest.

There have been no further suspensions of banks, as reported in foreign newspapers.

Anxiety in regard to the financial situation in Germany in subsiding rapidly. Rates for money are falling steadily and outsiders are beginning to purchase stocks.
