### Racing Meet Great Success

Large Crowd Turned Out To Witness Racing On S'side Harbor Ice Yesterday — Major S. Driven By James Arbing Wins Match Race.

(Special to the Guardian)  
SUMMERSIDE, P. E. I., March 23.—The biggest crowd of the season saw excellent racing on the harbour ice at Summerside yesterday. The special event was a match race for \$75 between Major S, owned by Kenny and Baker and driven by the veteran horseman James Arbing, of Charlottetown, Lucky Lindy, owned and driven by Wellington McNeill of Charlottetown and Yorkola, owned by Dr. Delaney of Wellington and driven by Roy McDonald. This was a sensational race and was won in the fourth heat by Major S. in the fast time of 30½ seconds after one of the closest and most exciting finishes ever seen in years and yesterday's performance proves that the Major is the king of the ice pacers.

Major S. took the first two heats by inches. Lucky Lindy made the third heat, Yorkola raced well but was drawn in the third heat, having cut his quarter slightly.

Class A had three starters. This was won by Captain Mac 2, 1, 1, a Maine and New Brunswick circuit pacer now owned by Leard of Kensington. Trampagile, 2:15, an importation from the U. S. owned by W. Thompson of Darnley coming second.

Trouble Cope, the pride of New Annan, winner of three races and recently purchased by Schurman of New Annan and driven by his trainer Bloodin Thomas. This horse was a wonderful prospect and made a fine showing in such fast company, time 32½.

Class B was a corker and had five starters. The first heat was a real race. After considerable scoring the battle was on. Sandy Mac won the heat in a real drive by Chappell. Witty Jim coming second in a close finish, John F. 3rd, James Aubrey 4th. Peggy Longset was drawn in the second heat.

Witty Jim won the second heat and Sandy Mac the third and the race.

Class C had three starters and was a good race. Chestnut Lady, owned by Robert Phillips, won this race. Every race saw close finishes.

The ice was heavy and the horses made fast time against a strong wind. James Arbing arrived by aeroplane from Charlottetown to drive Major S., the star of the course, and returned immediately after the race.

### P. W. COLLEGE BLANKED S'SIDE HIGH

4-0 Was Score In Boys' Game. Girls' Teams Play Scoreless Draw.

A sustained and relentless attack throughout two periods, and an air tight defensive game in the third, enabled the P. W. C. hockey team to blank their rivals of Summerside High School by a score of 4-0 at the Arena last evening. Fast skating, a dazzling display of stick-handling, and cleverly executed combination plays by both teams featured the clash. Careful defensive work kept the number of shots on both goals at a minimum. Baker and Muttart were called upon each to handle nineteen direct shots. The work of Baker accounted in large measure for the victory of the Red and Blue aggregation. Long shots, shots from close in, and rebounds,—he handled them all, and not once did he suffer his citadel to be invaded.

There was only one goal scored in the first session. The counter came when MacMillan raced in after Stewart's shot, and slammed the vulcanite into an open net.

Rogers opened the scoring in the middle frame with a long shot from right wing. A few minutes later Malley caught Muttart napping when he sniped a bullet-like shot from centre ice. The latter finished the scoring for the evening when he realized on Stewart's rebound. Summerside High strove valiantly to hold down the speeding collegians, but P. W. C. was not to be denied victory. Throughout the entire third period, the Westerners rained rubber in the direction of Baker, and kept the play in P. W. C. ice almost all the time. The play lost its organized form of the first two stanzas, and individual play predominated, with the result that their attack lost much of its effectiveness.

Following were the lineups:

McArthur, Beaton And Ferguson On Fredericton's Lineup.

FREDERICTON, March 22.—Bolstered by McArthur, Beaton and Ferguson, who played with Charlottetown Abegweits this season, Fredericton Capitals defeated Halifax Wolverines 2-1 in an exhibition hockey match tonight.

The play was ragged but full of excitement and unique in that not a single penalty was imposed. Beaton tallied both scores for Fredericton in the last period and Kennedy scored for Halifax at the opening of the second.

The lineup is as follows:

Holman's — Goal, Millman; Defence, Mountain, Lea; Forwards, Whalen, Woodside, Robertson, Bradshaw.

Sinclair's — Goal, Phillips; Defence, Muttart and Smallman; Forwards, Montgomery, O'Brien, McInnis, Wedge.

Mr. Clarence Steele very capably refereed the game.—S.

Toilers Defending Canadian Senior Basketball Title

TORONTO, March 23.—(C.P.)—Battle of former champions in both east and west promised tonight to enliven the Canadian senior basketball playoffs which get under way across the country early next month.

Defenders of the national title, Winnipeg Toilers are ready to carry Manitoba's hopes as usual and such powerful teams as University of British Columbia, Raymond Union Jacks, Toronto West End Y and Saint John Trojans, among others, are either near or already in the play-off field.

Toilers who swept to their second Canadian championship in five years last spring by beating the Trojans at Saint John won the Manitoba title again last night with a second straight win over University of Manitoba B division winners. Toilers won the first contest 43-27 and the second 34-21.

With a 19 point lead amassed in the first game of the Nova Scotia finals against Acadia University, Halifax Wanderers are top-heavy

### New Annan Team Banqueted

The New Annan hockey team, winners of the North Shore League Trophy, were the guests of honour at a banquet given by the Women's Institute of New Annan on Tuesday evening. The function was held at the lovely and spacious home of Mrs. Edward Wright. Among the guests were: Mr. Cleve Baker, donor of the cup. Dr. Lockhart, manager of the Kensington Rink; Jack Thompson, Jack Pillman, Orville Darrach, Benj. Champion, Bert Poole, Allie McNeill and Edwin McNeill.

The dining room was artistically draped in red and black, the colors of the team, the table decorations being carried out in the same colours. The handsome silver cup occupied the place of honour in the centre of the table, standing on a black mat with a red star.

After the boys had done full justice to the elaborate dinner provided, the toastmaster, Mr. Jack Thompson called for a toast to the King, which was responded to by the "National Anthem." Cleve Baker next proposed a toast to the team. Other speakers were Dr. Lockhart, John Pillman, Orville Darrach, Benj. Champion, John Driscoll, Austin Kenney, Nelson McKay. Mr. James Tuplin responded to the toast to the Women's Institute. During the evening, Miss Olive Dalziel played selections on the piano. Mr. Allie McNeill favoured the guests with some snappy violin numbers. Mrs. Bert Poole rendered some pleasing solos. A general sing song brought a most enjoyable evening to a close. A hearty vote of thanks was extended to Mrs. Edward Wright, Miss Alice Wright and Mr. Arthur Wright for their generous hospitality.—S.

### LAST NIGHT'S N.H.L. RESULTS

Americans Move Up Even With Canadians In Points, But Are Ousted From Play-offs.

(Canadian Press)  
MADISON SQUARE GARDEN, New York, March 23.—The New York Rangers cast a vote for themselves for the coming play-offs by defeating the Montreal Canadiens, 4-2 tonight in the closing game of the regular National Hockey League season. The same teams will clash Sunday and Tuesday in the play-off series between the clubs which finished third in the league's two divisions.

A flashy spurt in the third period of an otherwise dull game gave the Rangers the decision as they rang up three goals in succession. Dillon broke a 1-1 tie with a snappy solo effort, Butch Keeling added another tally a few minutes later on Art Somers pass and Bill Cook finished the job on brother Bunny's assist. Gerard Carson, of the Canadiens and Doug Brennan, of the Rangers, sank the two second period goals and Johnny Gagnon burned in the final counter for the visitors.

The summary follows:  
First Period:  
No score.

AMERICANS, 6; MAROONS, 3.

FORUM, Montreal, March 23.—(C.P.)—Just as a farewell gesture before they put away their hockey equipment for the summer, New York Americans ran through the Montreal Maroons for a 6-3 victory here tonight.

Joe Simpson's Amers, by means of their garrison finish of the National Hockey League schedule, hauled themselves into a third-place point tie with Canadiens in the International Section standing, but the Canadiens continue to the play-offs by virtue of a better showing in the "win" column, while the Amazing Amers are through with hockey until next fall.

Rabbit McVeigh was the hero of the game. He scored two goals and two assists. Normie Himes kept pace with a goal and three assists. Jackson, Klein and Patterson scored the other New York goals. Dave Trotter scored Maroons' first and Northcott and Smith bagged one

### GRAND NAT. IS SCHEDULED FOR TODAY

AINTREE, Liverpool, March 23.—(Canadian Press Cable)—Accident to jockey J. Fawcett, one of England's greatest amateur riders, added a sensational touch to the Grand National Steeplechase race on the eve tonight of the running of the world's greatest race over the historic Aintree course.

When jockey Fawcett broke his collarbone in a hurdle race today, the odds slumped on Greagalach a sensation and former National winner he was to have ridden Greagalach's handlers managed to find a useful substitute in Parvin Heartbreak Hill, big Irish leaper owned by Mrs. C. S. Bird of the United States, was suddenly in stalled favorite at eight to one against Golden Miller, Dorothy Paget's high-priced entry, went back to second choice at 10 to one and Greagalach, hitherto split favorite with Golden Miller, slid to third at 100 to eight.

But most of the throng of 150,000 or more who will see the renewal of the great event tomorrow after noon care little about the fir points and they can point to the Grand National tradition that it is the unexpected that happens.

They were pouring in tonight from all quarters. Money may be tighter but the thrill of the great race remained undiminished. The annual race was on, and Aintree came just as large a contingent from the continent as from abroad. With glorious weather forecast, Aintree expects a record crowd.

The Prince of Wales and his Royal brothers will be among it.

favorites to win that provincial championship. They carry the lead into the second game of the top point series.

Saint John Trojans are expected to again win in New Brunswick.
