ANNOUNCEMENTS

THE GUARDIAN, 6w 11.

Crab—Gee! what a homely looking house you live in. Turtle—Yours is nothing to brag about, and your side-walking gait by no means pretty.

OFTEN THE CASE.

Judge—Nice auto you have, but it looks rather bare. Where are all the seat cushions? Fudge—Well, I'm tinkering with the machinery seven-eighths of the time, so I put them under the car, where they'd give me the most comfort.

GET YOUR BOWELS TO MOVE.

Now see here a minute, my friend! You ought to know that you cannot cure pain in the head, or heartburn or shooting pains in the stomach with headache powders and liniments. That stuff you rub on doesn't remove the cause. You have got to go down where the trouble is. What you want to do is to get your bowels to work. Take three Hutz to-night. Take one after each meal. It takes out those pains by stopping the fermentation of the food. It is easily taken and does not contain any injurious substances. It is a hundred times better than Elixirs, Sarsaparillas, iron and acid preparations. Don't lose time fooling with such things, but start using Hutz as quickly as you can. It's a doctor for ten cents. For sale by all Druggists.

JUST HOW WE STAND.

The following is an extract from a speech delivered by B. Hal. Brown, Manager of the London & Lancashire Life Insurance Co. for Canada:

We regret the shameful conditions which have been revealed through the investigations now being carried on by the committee of the legislature in the State of New York. The great New York companies appear to have become unwieldy. Resignations have been forced in one company and high officials must go in others. Their deeds are bare-faced scandals and all high principled honest insurance men blush to know that such conditions could have been allowed to grow and continue. Methinks there will be a turning toward British institutions and I note that the principles upon which they do business are favorably commented upon by the press, and some leading American Officials, who are now in trouble. Who can say what the results are to be? One thing is certain, and that is John Bull will still continue to do business (life insurance particularly) at the same old stand, and in the same sterling way. A golden opportunity is ours, and it will be our own fault if we do not avail ourselves of it. Now just a word about the position attained by the company. Our new business in Canada for the first nine months of the current year shows an increase of 20% compared with that of 1904. The income has increased \$30,000 for the same period and amounts to \$365,630, while the assets have increased by \$216,720, and stand at \$3,430,040.20 of solid first-class securities, upon which not one dollar of interest was over due and unpaid at the close of the year. The income of the Company, from all sources, amounted during the year 1904 to \$1,849,442. The amount added to the funds as the result of the year's operations amounted to \$638,407, raising the funds in hand to \$10,009,386. The Company occupies an enviable position among sterling life offices and carries upon its books upwards of forty million dollars sums assured. The ratio of expense in Canada to total income is 15.9%, indicating the conservatism exercised by those who direct the affairs of the Company. The policies of the Company are world-wide, free from restrictions as to residence, travel or occupation, and are incontestable and non-forfeitable. The business affairs of the Company respecting Canadian business are administered wholly in Canada. The funds earned in Canada are invested and retained in the country, affording Canadians all the advantages of a Home Company with the further protection and safe-guard of English connection.

Lewis H. Beer is the Manager of this sterling company for this Province and invites all intending insurers to call on him before placing their risks elsewhere. 11-11ts twt
