## Extraordinary Overcoats Bargains

We have purchased a magnificent line of Men's Overcoats in Black and Dark Grey at prices away below their regular value and are going to pass this extraordinary bargain along to our customers.

Only by taking the centre line in both colors were we able to get such a price concession. The lot is large, but we feel that such goods at such prices will not remain long on our shelves. For instance a beautifully tailored Overcoat which in the regular way would cost you \$15.00 we can now sell you for \$12.00. Overcoats which would regularly cost you \$13.00 can be had here for \$10.00. Overcoat regularly worth 10.00 can be had now for 7.00

These added to our regular lines of excellent values, makes the selection of an Overcoat an easy matter both as to material and price. You simply cannot afford to miss this splendid chance to get a good Overcoat at the price of a cheap one. See window.
