McLeod, of the 5th Siege Battery, is still in a very critical condition at the Isolation Hospital, Aldershot, after three months' illness of cerebral spinal fever, and the doctors hold out only small hope. His only brother, Pte. J. F. McLeod, 28th Battalion, who was wounded at St. Eloi, in April and has been in Hospitals in England ever since, is spending the first three days of this week at Aldershot so as to be near Harold just previous to his return to the firing line. Gunner McLeod has been regularly visited by his uncle, H. C., who reports he has received very best medical and hospital attention.

The death angel has made another call in Prince County this time carrying away the spirit of Mr. Edward Landon of West Point, who passed away on Monday morning at 19th inst at the age of 77 years. It will be remembered that the deceased some months ago received a wound in his hand, from which blood poison set in. This is believed to have been the means of his affliction. The deceased leaves a wife and three children, one son and five daughters. The funeral arrangements took place on Wednesday under the severest storm of the season. One team was broken up in trying to reach the home where the service was arranged to take place. It was a mournful procession to the church at Springfield where the following service was led by the Rev. H. Brodie, Hymn, "Why do we mourn departing friends," Prayer, Rev. H. Brodie, Solo, Mrs. J. ANNUAL BANQUET OF Orange Blossoms Lodge, No. 7, O. G. T., last Saturday, Feb. 10th the Ninth Anniversary of the above mentioned lodge was held in the hall at Fanningbrook and was a very enjoyable and successful function. Owing to the very bad condition of the roads there was not so large an attendance as on former occasions but apart from that there was a very interesting program and feast of good things. Before the feast was partaken of a very interesting program was rendered, including a well rendered essay by Miss Lillie Rose of Eastern Gem Lodge No. 66, North Lake, on why God ordained War? Special mention might be made of this number as it was composed by herself. It certainly was a treat for all were unanimous that it was the best thing they ever heard in the hall. Her friends take the opportunity of congratulating Miss Rose on this her first appearance amongst them and hope to meet her at many of their meetings in the future. The water might also make mention of the home made candy provided by the sisters of the Lodge, also the fruit provided by the Brothers. The accompanist of the evening was Miss Rose. After the meeting was brought to a close all vended their way homeward feeling that they had spent a very enjoyable evening. The following are the officers for the ensuing quarter:—C. T. Daniel D. Birt; V. T.—Beatrice Birt; Chap.—Louise Jay; R. Sec.—Wendell Jay; F. Sec.—Robert W. Jay; Treas.—Robert E. Jay; Mar.—J. Wilbert Birt; Guard—Ella Jay; Sent.—Edwin Birt; A. Sec.—Hilda Birt; P. S. Cameron, Examiner of Masters and Mates, James Roach, Esq., Southport, passed for a Master's Certificate of Competency for Freight and Passenger Steamers in the Coast-guard Trade. Captain Roach was prepared in the Navigation Department of the Charlottetown Business College. His numerous friends will wish him continued success.

Allen, St. Nicholas; Mrs. Lemuel Silliphant, Hunter River, and Mrs. Chester Champion, Malpeque, and one son, James, at home. S. S. SABLE NOT SOLD.—In answer to an enquiry by the Summerside Board of Trade as to the report that the steamer Sable had been chartered for the summer and would therefore not be available for the service between the Island and Newfoundland the Secretary, Mr. R. H. McDonald, received word yesterday from the owners, Messrs Farquhar & Co., Halifax, that this report was unfounded and that the Sable would likely be on the route during the coming season. The Board of Trade was also informed by the Minister of Railways that in the event of the Carberry not being in commission between Port Borden and Tormentine, the Northumberland would be raised on the Summerside Pt. du Chene route.—C.

Without any doubt the most delightful weather, and fastest track, together with very close finishes, of any races in years on a local track, were those held yesterday afternoon by the Charlottetown Driving Club. The ice was black, with teams and spectators on foot, and although the three races lasted until nearly six, the greater majority of them awaited the last heat of the named trot, which was well worth it. Mr. Frank Hughes, one of the Club's best workers, got his horses rounded up, and in quick style he had his named pacers on their way down the eighth mile track. Dorby led to the quarter, then Mott Miller took a spurt, and a second later, Miss Alycane came to the fore, fighting like this the whole distance, but Mott with a final effort managed to nose both of them out, the two black ones pacing a dead heat. Dixie Girl led up near the first quarter.

The second and third heats were much the same, only that in the final Dixie Girl made a strong bid for the premier position, but didn't have quite enough whizz to pass the fleet Mott. The second race called, was the Named trot, with five starters, Tipperary, Queen Alva, Brazilian, Tom Top and Harry Mac, the three former being by far the pick of the bunch, and they certainly made a race worth seeing. Queen Alva came out finally at the top, but in each heat, it was a "horse" race between the three of them.

D. M. McDonald, Banker Boy, was easily the best of the green ones romping away with the "Kale" in two straight heats. The officials carried out their duties in a business-like manner and much credit is due them for their efforts, which they are always ready to give. Starter, F. W. Hughes. Judges, W. B. Purdy, C. F. Thorne. Timers, Dr. Nicholson, Frank McInnis. Two more races will be held next Saturday afternoon, a free-for-all pace, quarter-mile heats, and a 2:25 trot. A two-year-old will be held together with another class the following week. Entries close Friday evening at J. S. Wedlock's office.

BOXES ARRIVE SAFELY.—Word has been received by the members of the "Pollyanna Class" O'Leary, announcing the safe arrival in England of the Christmas boxes sent by them on November 15th, 1916. These boxes were the proceeds of two very successful birthday parties held in the Orange Hall, on November 7th and 9th, respectively, at which the sum of \$100.00 was realized. The boxes, thirty in number, were sent to Corporal Ira Ellis of the 105th Battalion, to be delivered to the boys of O'Leary, and vicinity, serving in England, and France. The girls of the Class wish to thank the people of Union Vale, Kautsk, and O'Leary who so kindly contributed to the worthy object. —Sheriff and Mrs. Andrew St. Eleonore are visiting their daughter Mrs. Charles Maynard, Port Hill.

FRIDAY

WOUNDED SOLDIER ARRIVES.—Among a large number of soldiers who returned from the front Wednesday in St. John was Private Harry Bernard, of Long River, P. E. I. He sustained a severe wound in the back on June 6th, last. He was formerly a member of the 55th Battalion, but was transferred to the 6th.

The many friends of Mr. and Mrs. Harry C. Connelly, will sympathize with them in the death yesterday of their youngest child, Ena Gertrude, aged four years and six months. The little one had been ill for several weeks. The best medical skill and attendance was given her, but all proved unavailing. She leaves to mourn their loss besides her parents, four sisters, viz. Misses Mary, Georgie, Rita, and Marjorie, also four brothers, Charles (now at the front); Robert, Harry and Arthur at home.

There passed away at her home in Minneapolis, on Thursday, February 22nd, one of our noble women in the person of Mrs. Francis Malone. Deceased had been ailing for some months and had gone to the hospital of that place, but hope was held for her recovery. God had decreed otherwise however and she gradually weakened, till on Thursday surrounded by all her family and friends, she calmly breathed forth her soul into the hands of its Maker. The late Mrs. Malone possessed a most beautiful character and enjoyed, the respect and love of all who knew her. But in her home she most manifested her qualities of mind and heart. Her patience and resignation in trials, her generous self-sacrifice and her mild and gentle manner are an inspiration for her bereaved family. During her illness she was frequently attended by her parish priest, who gave her the all-consoling words. She leaves to mourn their loss a devoted son John, and three daughters, viz. Mrs. Andrew Wynne and Miss Susanna of Minneapolis and Mrs. Patk. McClosky, Millinocket, Maine, also two sisters, Mrs. Patk. Malone and Mrs. John Malone of Lot 65. Her many friends extend to those their heart felt sorrow in the hour of trial. May her soul rest in peace.

Mrs. McLeod of Granville an elderly lady, who had the misfortune to fall on the ice near her home and fracture her leg, was conveyed to the P. E. I. Hospital yesterday, the ambulance meeting the morning train.

In the civic election at Summerside on Tuesday there was a fairly large vote cast, 626 voters exercising their franchise, the total vote for councillors being divided into some 33 combinations. Of the total vote cast only 38 voters succeeded in picking the 4 winning candidates while 10 others voted for the councillors elected but were out on the water commissioner. Of the two tickets 167 voted for the ticket composed of Boates, Carruthers and McLeellan, the vote on this ticket for water and sewerage commissioner being divided about 2 to 1 in favour of McNeill, the vote standing, McDonald 48, McNeill 96, with 23 for no commissioner.

LOT 48 AND VICINITY.—There has been many interesting affairs staged for the McDonald Consolidated School during the past year and the buildings again a centre of community life. The Patriotic concert to night should be a success judging from the programme presented, and the excellent state of the roads. The parcels post office is a new feature which will prove popular.

VICTORIA.—Mr. and Mrs. Alfred Sherron, Crapaud, have returned home after spending a pleasant vacation with friends in Charlottetown. Mr. Cyrus Ings and Mr. John Carier, returned home Saturday after spending a week in Crapaud, the guests of Mr. and Mrs. David Sherron. Mrs. Sarah McInnis, Charlottetown, and the guest of her sister, Mrs. Alfred Sherron at the home of Mr. James Sherron.—V.

GREAT ICE ON RIVER.—It is quite a long time since such a fine surface of ice for skating, ice-boating and other winter recreation, has been seen on the Hillsborough. A large number are taking advantage of it, for all realize that good ice has a habit of quickly vanishing. Automobiles are taking advantage of it also. One which left for Mount Stewart on Tuesday broke through the shell ice far up the East River and required to be hauled back to Charlottetown and in due time another auto arrived on the scene and soon pulled the stalled auto from its unusual position.

OK-CARTS VS. AUTOS.—An island land testing, P. E. I., Portland, Oregon, who left here twelve years ago, writing to a friend under date February 13th, says, with reference to an article he saw in the Guardian: "Mr. Simon McKinnon, of Bangor, is indeed a decidedly progressive farmer, when he contends that motor cars are not allowed to run over the island. Great guns, haven't they come to it yet? Your people will no more be able to stop the wheels of progress than they will stop the flight of time by stopping the clock. There is a sadness in the whole thing a pathetic side to it all. I know they are conscientious in their stand, but you know they are not right. Don't have electric lights, they are too hard on the eyes, the candle gives a softer light, ox-carts are safer, even though slower than the light democrat, or the covered buggy. Ye gods, such an argument in this year of grace 1917."

SANTA MARIA LEAKING.—The Columbus caravel "Santa Maria," which has been moored at the East side of Bruce Stewart & Co's wharf since the close of navigation, where she is hemmed in with ice of a depth which Columbus never dreamed that any replica of his flagship would ever encounter, has been looking badly this week. The heaviest force against the hull of the quaint craft proved too much, and the seams simply had to bulge. Mr. McDonald, in charge of the vessel, has been kept busy trying to keep the vessel from taking water, but owing to an old hull opposite slipping from the place where it was lodged, the ice in the narrow dock lodged firmly against her hull, and but for his quick action the vessel would have faced a great deal worse. It is understood the Santa Maria has been resident in Murray Harbor for the last ten years but they have for many years in Charlottetown and have hosts of friends and acquaintances both in city and country and different parts of the island, who will follow them to their new home with many kind wishes.

GOING WEST TO LIVE.—Mr. Walter Hazard, who has been in the Postal Service here, for forty-one years, and will retire on his twenty-two years next August, has been superannuated. Mr. Hazard, Mrs. Hazard, their son-in-law, Mr. Harris, their daughter, Mrs. Harris, and three children, intend leaving the island about the last of the month to permanently locate in the Peace River district, where the late Mr. Hazard has been residing for the past two years. During the long period that Mr. Hazard has been in the Postal Service he has discharged his duties whether in the office in Charlottetown or as Mail Clerk on the trains with the utmost efficiency and fidelity. With Mrs. Hazard and family he has been residing in Murray Harbor for the last ten years but they have for many years in Charlottetown and have hosts of friends and acquaintances both in city and country and different parts of the island, who will follow them to their new home with many kind wishes.

The many friends and former pupils of Rev. Sister Mary Georgina will regret to hear of her death which took place in her convent at Inverness, C. B. on Sunday, February 19th. Sister Mary Georgina, nee Miss Josephine Clarke was born in Orwell, P. E. Island, and was the only daughter of R. J. Clarke a well known merchant of that place. She received her education at Notre Dame Convent, Charlottetown, where she made a very thorough course of studies, distinguishing herself particularly in music and literature. Shortly after graduating she entered the Novitiate of the Congregation de Notre Dame, Montreal. Her religious life was spent in Terrebonne, Point-aux-Trembles, Villa Maria Academy, N. Y., and in St. Patrick's Academy, Montreal where she directed musical classes during eleven years, and endeared herself to all by an attractive and charming personality and a spirit of zeal and devotedness. Her many eminent qualities fitted her for the position of Superior to which she was appointed in 1905 taking charge of the newly founded convent of Inverness, C. B. Her death after a few days illness has come as a shock to her many friends. In accordance with the custom of her congregation her body should be taken to Montreal for interment, but in testimony of the great respect and veneration in which she was held the pastor and parishioners of Inverness requested that her remains be interred in the cemetery there. To her congregation and sorrowing relatives The Guardian extends sincere sympathy.

A POPULAR PLAY.—The play, "The Blundering Mr. Brown" was given in Pownall Hall recently by Mr. Albin and Village talent. It was greatly enjoyed by a large gathering. The proceeds were handed over for Patriotic purposes.

BACK TO FORMER HOUR.—The men in the railway shops who, last week were ordered to go to work at 7 o'clock the morning instead of 7 as formerly, yesterday reverted back to the 7 o'clock hour. The men decided to work from 7 until 8 without any heating, in order to comply with the order for coal curtailment.

ENGAGEMENT ANNOUNCED.—The engagement is announced of Miss Annie Myrtle Mackay, daughter of Mr. and Mrs. Wm. N. MacKay, Murray Harbor North, to Mr. Prescott E. French, Everett, Mass. Miss Mackay is at present assistant cashier of the Royal Shoe Co., Boston, Mass. Mr. French holds a position in the "Valuation" Division of the Engineering Department of the New England Telephone and Telegraph Co., Boston, Mass., and is a member of Palestine Lodge, A. F. and A. M., of Everett, Mass.

ISLANDER REMEMBERED.—The Montreal Times says that Sgt.-Major John P. Leightner, of the Skilled Tailway Employees' Corps, writes before he left for Montreal he signed on two more recruits for this Corps. Both are well-known here. Before the draft left for Montreal, Mr. W. G. Atkinson, general chairman of the Brotherhood of Locomotive Firemen and Enginemen's Board of Adjustment, for the C. E. R. system preferred to bequeath to the organization, namely Sgt.-Major Leightner and Sgt. Black, with handsome wrist watches.

PRESENTATION TO REV. A. E. ANDREW.—The clergy of the Anglican diocese have presented to Rev. A. E. Andrew, Rural Dean, a gold ring watch in token of their regard and good will upon the occasion of his departure from the diocese. Mr. Andrew has been dean of Amherst for over eight years and during that period has won the respect and love of his fellow clergy, who are as well wishing him a safe return to his native land after the war, and in confidence that he will acquire himself with self-forgetting courage and distinction in this great struggle. Rev. Mr. Andrew belongs to St. Eleanor's, P. E. I.

PROFITABLE AFFAIR.—A very successful concert and basket social was held in Clyde River Hall on Monday evening, February 12th. The night and roads were all that could be desired as was in evidence by the crowded house. Mr. James McPhail very capably fulfilled the duties of chairman. The following program was rendered:—Remarks, by chairman; chorus, "We'll Never Let the Old Flag Fall," Clyde River School; reading, Norma Murchison; song, Frank McArthur (encored); reading, Katie McLean; song, Master Thomas Coleman (encored); reading, Elizabeth Coleman solo, Myrtle (encored); dances, "Eighteen," Master Thomas Coleman; reading, John A. Murray. The baskets were then auctioned by Messrs Benj. Carter, Charlottetown, and Malcolm McNeill, Long Creek, and they succeeded in realizing good prices. The snug sum of \$38. (ninety-eight dollars) being realized. A hearty vote of thanks was tendered Messrs Carter & McNeill, and all those who came from other districts that so kindly took part on the program; also to those who in any way helped to make the evening a success. The feature of the evening was the singing and dancing of Master Thomas Coleman of Charlottetown, in Highland Fling. A very enjoyable evening was brought to a close by singing the National Anthem.

WEDDING BELLS.—The following notice will be of interest here as the parties referred to have many relatives in Peake's Station. There was a very large company in St. Joseph's church, Newport, R. I., yesterday for the marriage of Miss Mary Elizabeth MacDonald, daughter of Mr. and Mrs. Alexander J. MacDonald, and Mr. Samuel Anthony Friend, son of Mr. and Mrs. Samuel F. Friend. The ceremony was performed by Rev. Edward A. Hickey and there followed a nuptial mass, celebrated by Rev. Thomas F. Price, who is here on missionary service, assisted by Bezzam MacDonald, a brother of the bride, and Mr. James Walsh. Following the church service there was a bridal breakfast and reception for relatives and immediate friends at the home of the bride's parents on Russell avenue. The bride wore a travelling suit of taupe broadcloth and hat to match. Her sister, Mrs. Daniel Doyle, who was matron of honor, wore green broadcloth and hat to match. Mr. Samuel C. Spencer was best man. Mr. and Mrs. Friend left at 1 o'clock on their honeymoon and upon their return will reside on Gladding court. While in New York the couple will visit the bride's uncle, Brother Arault Paul, and later visit Boston. The gift of the best man to the bride was a silver tea set which was but one of the numerous gifts received. The bride is a member of St. Joseph's Dramatic club, whose members were well represented at the nuptial mass.

EMBARGO ON FURS.—Dr. Leo King has received the following information which is of much interest here:—Messrs C. M. Lamson & Co. advise me by cable that the embargo against the importation of furs into England only applies to dressed furs, and that raw furs may be imported into that country as usual.

'AN AGREEABLE SURPRISE.—On Thursday evening, February 15th, a number of young people met at the home of Mr. and Mrs. James McKearney, St. Mary's Road, with a surprise for their daughter, Miss Lavinia. During the evening she was presented with a well filled purse and the following address:—Dear Miss McKearney:—We, the people of the Brooklyn and Milltown branch of your mail route, have gathered here this evening, with a desire to show our appreciation of the splendid service you have rendered as carrier. We have always found you cheerful and obliging, whether in sunshine or storm; your pleasant disposition has endeared you to all. To each other, we have often spoken of your faithfulness, and thought we would be glad indeed, if we could not express our gratitude with something more than words alone. Knowing that you will not measure our goodwill towards you by the real value of our little gift, we kindly ask you to accept this purse with our very best wishes. Let us hope that the remembrance of this happy moment will help cheer you tomorrow and all the coming days, as you pass over your route. Signed by the residents of Brooklyn and Milltown. Although Miss McKearney was very much surprised, she expressed her thanks in a few well chosen words. Refreshments were then served by the ladies present. The remainder of the night passed quietly with music singing.

WINCARNIS gives New Health to all who are Weak, Anaemic, Nervous, Run-down. THE wonderful results of Wincarnis in cases of Weakness, Anaemia, Nerve Troubles and that Run-down condition, are due to the four-fold power that Wincarnis possesses. Wincarnis is not merely a tonic—it is a Tonic, a Restorative, a Blood-maker, and Nerve Food—all in one. Therefore, when you take Wincarnis you derive new strength—and at the same time new rich blood—and at the same time new nerve force—and at the same time new vitality. Thus the whole system is invigorated, and re-vitalised, and becomes surcharged with a feeling of new life. That is why over 10,000 Doctors recommend Wincarnis. A very important feature about Wincarnis is that you derive a definite amount of good from even the first dose. And every additional dose gives you more strength than you had before—more rich red blood than you had before—stronger nerves than you had before—and more vitality than you had before. This Wincarnis is not a luxury, but a positive necessity to all who are Weak, Anaemic, Nervous, Run-down—to many to Indigestion—to all afflicted by Old Age—and to Invalids striving to regain strength after an exhausting illness. Restoring lasting health—not a mere "filling-the-ran"—not a temporary "whipping-up" of the vitality—but real vigorous health that makes you feel it is good to be alive! Mrs. Able Says: PEOPLE ask me why my tea tastes so good. First, I use freshly drawn water. When boiling briskly I pour it over the leaves, allowing the tea to steep, not boil, five minutes. Next, I pour the tea off the leaves into another pot. In that way you get the flavor of Red Rose Tea in all its fullness and richness. Try it. In sealed packages only.

Just Home and tired after the day's work. That cup of KING COLE TEA, ready and waiting, will refresh as nothing else can quite do. In its warm, generous glow, weariness will be forgotten. "You'll like the flavor"
