A special train will leave this morning at 9.30 local for Georgetown to meet Major Weeks and Corp. Brown. All friends are cordially invited to come and help to welcome our heroes.

No passengers took advantage of the Capes route yesterday. The train with 33 bags of mail arrived in the City at 3.10. It is understood that 84 bags of mail await transportation at Cape Tormentine.

On Thursday evening Rev. A. W. K. Herdman lectured in Georgetown to a most appreciative audience, his subject being "The Life and Works of Tennyson." Before and after the lecture Mr. H. H. Gordon's graphophone selections were much enjoyed. The collection which was for the Ladies' Aid Society, was a substantial one.

The many friends of Mr. Wm. Rodd, Jr., Hampshire, are much pleased to see him out again on his usual business, after the painful accident that occurred to him on the 1st inst. at the residence of Hamilton Larner, North River. It was thought at first that his fore finger would have to be amputated but it is progressing favorably under the skill of our local doctor. Mr. Rodd is a son of Mrs. Wm. Rodd, Sr., also a brother of Mrs. Wm. Noy, of Hampshire.—COM.

The February number of the Prince of Wales College Observer is to hand. Under the heading of Editorial Comment is the prospect of Prince of Wales College, the death of Eddie Griffin and the loss sustained by others in the deaths of relatives. A memorial page to Her Late Majesty also forms special feature. Since the issuing of the last edition a Y. W. C. A., under the control of the young ladies has been organized and a debating club for the ladies and one for the gentlemen have also been formed. The Observer is as bright as usual and reflects credit upon the editorial staff.

WEDNESDAY night the Makemaff Minstrels showed what they could do before a respectable and well behaved audience in Alton Hall. It being Ash Wednesday the hall was not full, but a fairly large audience was in attendance. The program consisted of four funny farces, comic songs and dances. Tim Finnigan the witty Irishman was, no doubt, the star of the evening and with Sam Jones, the stupid and funny nigger, kept the audience in roars of laughter. Much more might be said but space is limited, however, there is no doubt, had the concert been held on another night, in place of Ash Wednesday the Makemaff Minstrels would have had a full house.—COM.

IN THE AIR.

The Germs of La Grippe are Conveyed Through the Atmosphere.

No one can escape the La Grippe germ because when an epidemic of the disease is prevailing the air is laden with it.

The reason everyone does not have the disease at the same time is because the persons who are enjoying perfect health are able to successfully resist and throw off the infection, while those who for any reason are not in the best of health fall ready victims.

The first symptoms are those of acute catarrh, resembling a hard cold and if prompt treatment is applied at this time, it can easily be broken up; one of the best remedies at this stage is Stuart's Catarrh Tablets, sold by druggists everywhere and if taken freely say one tablet every hour or two for two or three days, the danger of pneumonia and serious complications will be averted.

The Rev. L. E. Palmer, Baptist clergyman of Ceresco, Mich., makes a statement of interest to all catarrh and grip sufferers.

He says: "Stuart's Catarrh Tablets have certainly been a blessing to me. I have used them freely this fall and winter and have found them a safeguard against La Grip and catarrh troubles from which I had suffered for years. I feel that I can freely and conscientiously recommend them."

Persons who suffer from catarrh of the head and throat are very susceptible to La Grip and such will find a pleasant and safe remedy in this new catarrh cure.

Stuart's Catarrh Tablets are composed entirely of harmless antiseptics and may be used as freely as necessary as they contain no cocaine, opiate or poisonous drug of any kind.
