IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED

Wake Up Your Liver Bile and Get A New Lease of Life. No Calomel Is Necessary.

For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels, every day of your life. Without that bile, trouble starts promptly. Your food just won't digest the way it should and your bowels are sluggish. Food decays inside you and your entire system is undermined by this poisonous waste matter. You have indigestion—the discomfort of gas, bloating, heartburn and sourness. You are prey to headaches. Have a tongue like cotton-wool, a nasty taste in your mouth, bad breath and ugly skin. You haven't anything like the pep a healthy person should have. In fact you are generally wretched. How can you expect to clear up a condition like this completely by taking more bowel-movers like calomel, mineral water, oil, laxative candy or chewing gum, or roughage? They can't wake up your liver bile! Avoid calomel (mercury). Buy yourself a box of old reliable Carter's Little Liver Pills. A vegetable, pure, gentle, safe. They'll wake up your liver without upsetting you. Bring back the glad-to-be-alive feeling, once more. Don't waste your money on substitutes. Be definite. Ask for Carter's by name and get them. Look for the name, Carter's, on the red label. 25c at all druggists.

—PRINCE COUNTY CHILDREN'S AID SOCIETY—The regular monthly meeting of the Board of Management of the Children's Aid Society of Prince County was held on Tuesday evening in the town hall, Dr. J. A. McPhee presiding. Mr. V. J. Harrington, the Truant Officer, and agent of the society stated that he had no very bad cases of truancy during the past month. One boy was reported to him as hiding his books and telling his parents they were in school but he had been got back to school, and was now attending regularly. Up to the present he had been able to supply children in want, with clothing left at his house by citizens of the town, but he felt that in the month of March more would be needed, and he hoped people who had children's clothing to spare would leave it at his house. There have been a good number absent from school in the past month owing to illness. It was felt that the Government should be urged to provide a place for feeble minded children in the new infirmary, as at present there is no place in the Province to take care of children in this class.—S

—PERSONALS—Friends will regret to learn that Mr. Joseph Sorette of the Bank of Commerce in Summerside is confined to his residence with a bad attack of tonsillitis.—S

—"NOW CAN EAT ANY KIND OF FOOD, AND NO CONSTIPATION" Mr. Durigan Finds Relief in Kellogg's ALL-BRAN

Here is his enthusiastic letter: "Am 70 years of age, and for 40 of these years there never was a week but what I had to take a pill or some kind of cathartic. "I took everything, but gained only temporary relief. Until last spring my daughter, who is a nurse in a hospital, brought me some Kellogg's ALL-BRAN. "At the end of the week, I knew I had something that was it, and I kept on taking it. I haven't taken a cathartic since. I can eat meat any time, as often as I like, or any other kind of food, and no constipation." Mr. L. M. Durigan. (Address furnished upon request.)

Laboratory tests show Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to help muscle tone. Also iron for the blood. The "bulk" in ALL-BRAN is much like that of lettuce. Inside the body, it forms a soft mass. Gently, it clears out the intestinal wastes. How much safer than patent medicines. Two tablespoonfuls daily are usually sufficient. With each meal in serious cases. If not relieved this way, see your doctor. Sold in the red-and-green packages. At all grocers. Made by Kellogg in London, Ontario.

"What did you learn at school?" the boss asked the fair young applicant for the stenographer's job. "I learned that spelling is essential to be a good stenographer." The boss chuckled. "Good. Now let me hear you spell 'essential'."

The fair girl hesitated for the fraction of a second. "There are three ways," she replied. "Which do you prefer?" And she got the job.
