VICTIMS OF THE WEATHER.

Georgian Bay District Thankful for Dodd's Kidney Pills. Kincardine, Dec. 4.—This month has been the worst in years in the Lake Huron and Georgian Bay districts.

Victims of rheumatism who probably keep a closer tab on the climatic variations than other people are all loud in their assertions as to this season being a record breaker for dampness and raw biting winds.

Mr. Brown says, "I had been feeling very bad with backache from my Kidneys (Lumbago, a form of rheumatism.) I have taken three boxes of Dodd's Kidney Pills and the pain has left me."

In climbing stairs will reduce flesh it is but logical to suppose that the descent of them will increase it.

ITCHING PILES.

False modesty causes many people to endure in silence the greatest misery imaginable from itching piles. One application of Dr. A. W. Chase's Ointment will soothe and ease the itching, one box will completely cure the worst case of blind, itching, bleeding or protruding piles.

It is a very easy matter to be popular with your friends. All you have to do is simply agree with them in everything.

THIN, WATERY BLOOD.

When the blood is thin and watery, the nerves are actually starved and nervous exhaustion and prostration soon follows. Feed the nerves with Dr. A. W. Chase's Nerve Food and you will impart to them the new life and vigor of perfect health.

It is Really True. There is no use disputing the fact that the kidneys control the health of the entire system.

Their task is the task of taking out the poison from the blood and discharging it from the system.

If the kidneys do not eject, discharge or drive out these poisonous elements, the body becomes corrupt and as "a little leaven leaveneth the whole loaf" so a little kidney trouble poisons the entire system, and moreover leaves it open to the attacks of germs and bacilli which constantly lurk in wait for an opportunity to invade the body, either through the air or by contact with the skin.

Here is an account of the effects of kidney trouble which is well worth reading:

I suffered greatly from a pain in my left side for over a quarter of a century. Physicians said that my left kidney was seriously diseased. I know that I suffered much from nervousness, loss of sleep and appetite, general debility, weakness, both of body, and especially in the action of my heart, and I blame the wrong action of my kidneys for the trouble.

Dr. Ward's Liver Pills cure Constipation and Biliousness.

Be sure you are right—but don't be too sure that everybody else is wrong.

IT IS A MISTAKE.

To suppose that the kidneys alone are responsible for all the weak, lame, aching backs. Backache as well as pain under the shoulder blade frequently comes from the liver or complications of the liver and kidneys which can only be cured by using the great double treatment—Dr. Chase's Kidney-Liver Pills.

The evil-doer is afraid of his shadow when it looks like a detective on his trail.
