—C. W. L. MEETING—The regular monthly meeting of the Summerside branch of the Catholic Women's League was held last week in the K. of C. Home. Mrs. Wedge the president was in the chair. There was a very good attendance. The various reports were received and found very satisfactory. The members planned for a sewing circle each week during the coming month. A card party for the near future was under discussion but no definite date was set. Meeting adjourned.—S.

—SAD NEWS RECEIVED—Mr. W. J. Hutchinson of Central Lot 16 has received the sad news of the death of his sister, Mrs. Rosaline Mabey at her home in Cambridge, Mass., Mrs. Mabey was 72 years of age and was the daughter of the late Mr. and Mrs. Donald Hutchinson. She leaves to mourn two children William and Gladys; also two brothers Albert in Windsor, Missouri and W. J. in Lot 16. Much sympathy is extended to the bereaved family in their bereavement. S.

—VISITED SUMMERSIDE— Mr. Louis Crosby of Banff, Alberta, was a visitor last week to his old home in Summerside, visiting his mother, Mrs. Crosby on Fitzroy Street. Also his brother, Mr. Percy Crosby and Mrs. Crosby, St. Eleanors, on Sunday he motored to Charlottetown, and West River visiting old friends. Mr. Crosby was on a business trip to Montreal and New York and took the opportunity of flying to his old Island home on a brief visit.—S.

—BEBEQUE MAPLE LEAF'S WIN OVER CAPE TRAVERS STARS 4-3.— An excellent brand of hockey was handed out to the fans at Bedeque rink last week when the Bedeque Maple Leaf's won the 4th game of the Tip Top series in a fast clean game with the Cape Traverse Stars with the close margin of 4 to 3. The play was refereed by Reg. Murray to the satisfaction of both teams. Outstanding players for the Maple Leaf's were: Ralph MacInnis, Reginald Bradshaw and Austin MacDonald. For Cape Traverse, Harold MacDonald and Richard Carver were high liners.

—LADIES NIGHT AT THE CRYSTAL RINK — The Cape Traverse Sisters and the Crystal Sisters in one of the fastest games of ladies hockey seen at the Crystal rink battled to a one all draw on Friday evening in an exhibition game. Both teams had plenty of spares which they used frequently and the goalies had all they could do to keep the score down to one all. Both teams did their best to notch up another but were not successful. The line ups were. Crystal Sisters Goalie, Ileene LeBlanc P. Weeks, Peg MacCallum, Louise LeBlanc, Irene Silliphant, Helen Montgomery, M. Gallant, M. Cameron, Ruth Rogers, Dolly Arsenault, Blanch Hogg. Cape Travers; Golie Olga Campbell, Doris Noonan, Velda Noonan, D. MacWilliams, G. MacWilliams, W. MacWilliams and A Noonan. Referees were E. Harris, Summerside and Frank MacWilliams Borden.—S.

—DOING NICELY —Friends in Summerside and other parts of Prince Edward Island will be pleased to learn that Mrs. Harold Crockett (nee Alma Milligan) of Muskegon, Michigan, who recently underwent a serious operation in the Grace Memorial Hospital, is making a good recovery. Her sister, Mrs. T. L. Campbell of New Glasgow, P. E. I., who has been staying with Mrs. Crockett is expected home in the near future.

—APPOINTED AS DELEGATE TO FARMERS MEETINGS—At the regular monthly meeting of the North Bedeque Farmers Institute which was held at the home of Mr. R. B. MacCaull, Mr. R. Large the president, was appointed to represent the Institute at the Farmers Week meetings in Charlottetown. Mr Large very capably presided at the meeting and led the discussions. The Institute strongly supported the movement for the appointment of a farmers council to look after the farmers interests in general. Buying organizations fertilizer and other matters were brought up for discussion. The treasurer was authorized to receive loans up to the amount of $2.00 at 4 per cent for carrying on the business of the organization. The farmers wives held a meeting in another room discussing household problems and particularly a lecture given recently by Mrs. Creelman on interior decorating. S.

—ELECTED PRESIDENT OF LADIES AUXILIARY—Mr. Joseph Wood was elected president of the Ladies Auxiliary of the S'side Branch of the Canadian Legion, at the annual meeting held last week. The retiring president, Mrs. L. A. Moore, presided and in a short address reviewed the work of the Legion during the past year. The reports showed that over $200 had been spent on social service work. They had contributed 50 dollars to the Anti-Tuberculosis League, 50 dollars to the Legion Charity Fund and the remainder spent in assisting needy ex-service mens families. Money was raised by membership fees, Remembrance Day tea, and the Coronation dance. The following officers were elected: President, Mrs. Joseph Wood, 1st Vice Pres. Mrs. L. A. Moore; 2nd Vice Pres. Mrs. Victor Travers, treasurer, Mrs. R. E. Ellis and secretary, Mrs. N. R Durant. S.

after inspecting the crime scene," and it is evident that both victims were picked up, forced into the car and driven to the spot where they were killed."

The woman wore a white metal wedding ring and green knitted sweater. She was nude from the waist down. Both bodies were hatless and shoeless. The blood-spatted apparel was found on the floor.

Columbo's record at police headquarters included 10 arrests on charges ranging from vagrancy to extortion, with two convictions. His first arrest, for robbery in 1916, resulted in a sentence to Elmira Prison. Four years later he was charged with burglary and sentenced to two to five years at Sing Sing. All other notations of is records were marked "discharged."

Calder Figures In Riot Charge

MONTREAL, Feb. 4—(CP)—Long an outspoken proponent of "free speech and civil liberties," R. L. Calder, K. C., stood in court today and made application to have Dr. Gabriel Lambert, Montreal Fascist leader, bound over for prosecution by preferred indictment on a riot charge.

The lawyer, fighting since last October for conviction of the chunky, 50-year-old Blueshirt chieftain, rose after Judge Maurice Tetreau dismissed a charge against the Doctor of inciting University of Montreal students to riot at a banned Communist meeting Oct. 22.

"We'll be here with the bond," the quiet, easy speaking attorney said when the Judge took the application under reserve until Monday.

"If we find no protection in the courts against violation of the right of free speech," Calder said, summing up before the Judge dismissed Lambert, "we'll seek recourse elsewhere and force will be met by force."

Kensington and Vicinity

Mr. Harold McFarlane is spending a short holiday with his parents, Mr. and Mrs. Emery McFarlane.

On Thursday evening Dr. A. A. Lockhart of Summerside, accompanied by his daughter Enid, Mrs. Herb Schuramn, and Roland Sheen were visitors to Kensington, attending the hockey game between Kensington Aces, and New Annan.

A large number of skating fans enjoyed a skate to real band music, furnished by the Summerside band on Friday evening, owing no doubt to the mild weather a large number did not attend, however, they will have an opportunity of enjoying themselves to this excellent music, as the band expects to be with us again at an early date.

A number of local talented hockey players journeyed to Victoria on Friday evening to cross sticks with the Unions, Intermediate champions of the Maritimes, and by reports going the rounds, that is about all they done, the Unions doing the hockey playing, however, one and all report a swell time, although beaten 15 to 1 they claim the play was not as bad as the score indicates, but the writer is of the opinion that they will in the future take along a team that will make a better showing, which can be done quite easily, as was proved once before this season.

Mr. Preston Toombs, motored to Charlottetown on Friday and reports roads although slushy, good.

Mr. Phil Evans and Mr. Reagh Sudsbury have taken over the stand vacated by Mrs. Wm. Semple, and are now busy remodelling same, making it ready for a new sanitary meat market, which they hope to open in the near future.

Hunter River Juniors Down Kensington

The junior Royals of Hunter River showing much improvement since their last appearance here, played heads-up hockey to defeat the junior Burmacs of Kensington who seemed unable to hit their stride on Friday evening by the score of 3 to 1.

The game was fast and clean with both goalies pulling off sensational saves.

Aged Physician is Given Life Term

LONDON, Ont., Feb. 4 (CP) — Dr. C. A. Cline, Sr., white-haired London physician, was sentenced to life imprisonment today in a dramatic conclusion to the 71-year-old doctor's trial for the murder of Mary Wilkinson. The Crown accepted a plea of guilty of manslaughter.

The end of the five-day trial, during which crowds packed the Middlesex County court room, developed suddenly when defence Counsel J. C. McRuer, after calling one witness, said he was prepared to submit a plea of guilty of manslaughter.

The sworn medical evidence showed the 37-year-old London school teacher would have died in any event "which would have meant manslaughter," said Crown Prosecutor Cecil L. Snyder. The Crown had charged that the aged physician chloroformed Miss Wilkinson to death Sept. 9 after performing an illegal operation upon her.

Mr. Justice Nicol Jeffrey, addressing the Jury and Dr. Cline before passing sentence, said he believed the Crown was "fully justified" in accepting the plea.

Leaves on Visit to Arabian King

LONDON, Feb. 4 (CP) —The Earl of Athlone left today for the first visit by a member of the Royal Family to King Ibn Saud of Saudi Arabia.

The trip by the Earl, 64-years-ago younger brother of Queen Mary, was on an invitation which came from King Ibn Saud at a time when Great Britain is strengthening her ties with countries of the Near East.

The tall, soldierly Earl was accompanied by his wife, Princess Alice of Albany, grand-daughter of Queen Victoria, and his nephew, Lord Frederick Cambridge, son of the Marquess of Cambridge. The Princess will be one of the first white women to penetrate to the interior of the independent sultanate which covers 413,729 square miles in southwest Asia and has a population of 3,000,000.

Protest Inspection Fees On Vessels

(C. P. by Guardian's Special Wire)

NORTH SYDNEY, Feb. 6—A resolution passed by the North Sydney Town Council protesting against fees charged for inspection of vessels laden with produce, under the fruit, vegetables and honey act, was on its way to authorities at Ottawa tonight.

Council contended heavy fees charged for such an inspection brought a hardship upon small vessel-owners and caused a loss to the town.

It was "customary for the owners of small vessels sailing out of the port of North Sydney to buy potatoes in Prince Edward Island to bring them to North Sydney to be sold and and the owners must pay a fee for the inspection of the potatoes at the time of loading and then must pay a license fee before selling the potatoes."

The federal agricultural department was urged to amend the regulations.

Further Successes By R. O. P. Poultry

A report just received from Robert C. Ogle, Extension Instructor in charge of the Central New York State official egg laying test, shows that two Barred Rock pens entered by the Norfolk Specialty Farm, St. Williams Ont., and Frank Teasdale, Concord, Ont., both R. O. P. (Record of Performance) breeders of long standing, were the only two Barred Rock pens in the whole test to receive scores of "A" (the highest standard score of pen on their standard qualities.

The Central New York State official egg laying test at Horseheads, New York, is in its seventh year and is supervised by the Poultry Department, New York State College of Agriculture, Cornell University, under conditions similar to those of the Canadian Egg Laying Contests, conducted by the Poultry Division, Central Experimental Farm, Ottawa, Dominion Department of Agriculture. At the New York test, the birds were given a standard score by an American Poultry Association judge. This score was arrived at on the basis of standard requirements shown by the individual's in the pen at the time of their arrival at the test and by the grading of the pen as a group by the judge.

NEW YORK, Feb. 4—(AP)—Representatives of the European Steel Cartel arrived today on the French Liner Normandie to confer with steel makers of the United States in an effort to bring about an international "gentleman's understanding" on steel export prices.

The European delegation, which will be in America for a week or so, was headed by Hector Dieudonne, of Luxembourg, director-general of the British and Steel Corporation.

Scores "Gratuitous Intermeddling" Of Pictou Co. Council

The following comment appeared in the Feb. 4 issue of the Sydney Post-Record:

"By way seemingly of a reply to the protest recently voted by the Municipal Council of Pictou County against the proposed new ferry service between Wood Islands, Prince Edward Island, and Caribou, Nova Scotia, the Council of the Charlottetown Board of Trade unanimously adopted a resolution on Tuesday, reaffirming its previously expressed approval of the project. The Charlottetown resolution declares that the Wood Islands-Caribou service would be of material benefit both to Prince Edward Island and Nova Scotia. Copies of this resolution have been sent to the Pictou Municipal Council, as well as to the Dominion Government and the Island's representatives in Parliament.

"It is doubtful that the views of the Pictou Municipal Councillors will be changed or influenced in consequence of the receipt of this communication, for their protesting resolution was obviously inspired by sectional and local political considerations. On the other hand, there is every reason to believe that this ferry, which has been approved by the Federal authorities, will shortly be under construction and that it will be got into operation as soon as a boat suitable for the service can be built and commissioned.

"When discussing this matter some days ago, the Post-Record stated a fact which ought to be fairly obvious to everyone by saying that the people primarily and chiefly concerned in seeing the Wood Islands-Pictou service get under way, are the people of Prince Edward Island. Pictou's only interest in the matter relates to where the terminus should be on the mainland, but that is a point on which the Pictou people can only entertain a preference and a hope, for the projected service is an inter-provincial one, designed to help implement one of the vital terms in the agreement under which Prince Edward Island became a Province of the Dominion more than 64 years ago.

"It was on July 1, 1873, that Prince Edward Island entered the Canadian Confederation. An essential term in the Confederation pact provided that the Dominion of Canada should furnish to the people of Prince Edward Island 'efficient steam service for the conveyance of mails and passengers.' This service was 'to be established and maintained between the Island and the mainland of the Dominion, winter and summer, thus placing the Island in continuous communication with the Intercolonial Railway and the railway system of the Dominion.'

"This contractual obligation remained unfulfilled for 39 years, during which the Island never had 'continuous communication with the I. C. R.' and was frequently cut off completely from any 'communication,' whatever, save by telegraph, with the mainland. Proposals to build a tunnel across Northumberland Strait featured every Dominion election in Prince Edward Island for upwards of 30 years. Finally in 1912, the Borden Government authorized the construction of a car ferry between Cape Tormentine and the point on P. E. I., now known as Borden. In 1926 the Duncan Commission recommended the placing of a second boat on the Tormentine-Borden route, and this was done a few years later. With the widening of the Island's narrow-gage railway to standard breadth through rail communication was at last established, and the letter of the pre-Confederation pact carried out.

"What is now proposed is to implement the Tormentine-Borden service in the western part of the Province with a motor car and passenger ferry for the eastern and central parts. It is thus seen that the project Hon. Mr. Dunning has promised the people of Prince Edward Island is really a supplementary service, designed to give the Island Province the best system of communication that can be established, in conformity not only with the letter, but also with the spirit and intent of the pre-Confederation agreement. If, therefore, the Island people are satisfied with the projected Wood Islands-Caribou ferry,—as they clearly are,—it looks very like gratuitous intermeddling for a Municipal Council in another Province to raise the objection that it involves an 'unjustifiable waste of public money,' or otherwise to try to obstruct so progressive an undertaking."

PIUSVILLE W. I.

The January meeting of the Piusville Women's Institute was held at the home of Mrs. Laurette Gallant with an attendance of thirteen members and thirty-five visitors.

The meeting opened by repeating the Lord's Prayer in unison.

The minutes of the previous meeting were read, approved and signed. The roll call "toasts" was answered by eleven members. The treasurer reported there was $4.72 on hand. All committees reported satisfactorily and new ones appointed are: Sick — Mrs. Peter Gallant and Mrs. Nelson Gallant. Program — Elsie Gallant and Pearle Corcoran. A letter from Miss Leslie, Public Health Nurse was read by the secretary. Lottery tickets were distributed to the members by the President. The program consisted of a contest "Parts of the Human Body" conducted by the Misses Mary Ellen and Patricia Corcoran, the prize being won by Wilfred Corcoran. A "Mystery Man" then appeared on the scene, the prize for guessing the right name being won by Francis Blanchard. A few games of bingo was then enoyed. Mrs. Isadore Gallant kindly invited the members to her home for the February meeting where the roll call will be answered by "autograph verses" suggested by Pearle Corcoran and seconded by Mary Ellen Corcoran. It was then moved and seconded that the meeting be adjourned. A dainty lunch was then served by the hostess and a few hours dancing was enjoyed by all. Proceeds of evening $5.15.

WIDER POWERS FOR RAILWAY BOARD AIM

Howe To Again Seek Establishment Of a "Transport Commission."

OTTAWA, Feb. 6—(CP)—Reorganization of the Board of Railway Commissioners which would become a "transport commission" with jurisdiction to cover ships and aircraft as well as railways, promises to be the major item of Government legislation to go before the House of Commons this week.

This measure, forecast in the Speech from the Throne, is subject of a resolution placed on the order paper by Transport Minister Howe reviving a similar move initiated in the Senate last session, but differing from last year's in that it does not extend the jurisdiction in motor traffic.

Measure Defeated

Introduced in the Senate last February by Senator Dandurand, Government Leader in that Chamber, the bill was defeated on third reading after a rather stormy session in committee. That measure was "to establish a Board of Transport Commissioners for Canada with authority in respect of transport by railways, ships, aircraft and motor vehicles."

Mr. Howe's new resolution, upon which it is intended to base a bill, is as follows: "That it is expedient to introduce a measure conferring authority upon a transport commission, (the Board of Railway Commissioners to be known as such) to license, regulate and control the transport of passengers and goods by railway, ships and aircraft, and to fix licence fees and transportation tolls and charges, and regulate and control other matters incidental thereto."

Occupied With Debate

Parliament last week was occupied with the debate on the address in reply to the Speech from the Throne and the amendment moved by Opposition Leader Bennett indicating a want of confidence in the Government. It is expected the debate will end with a vote Tuesday. The main estimates were tabled by Finance Minister Dunning last Thursday.

How soon the transport measure will be debated will not be available. Mr. Howe said yesterday it differed considerably from last year's bill but he would not indicate in what details the differences existed.

Soviets Win From Alberton Regals 5 - 4

Withstanding a bristling third period attack by their opponents Summerside Soviets Thursday night defeated Alberton Regals 5-4 at Alberton in a scheduled McLean Hockey League fixture.

Soviets shot the only goal of the first period W. Arsenault converting Clow's pass into a counter late in the session. Early in the middle canto the winners increased their lead to 2-0 as Crozier scored unassisted. Regals got back in the running with their first goal of the game two minutes later as MacQuaid took G. Malley's pass for a twine-twister but before the session was over Soviets had rammed home three additional counters B. Clow getting the first and DesRoches accounting for the other two.

While Soviets had enjoyed a big margin of play in the first two periods Regals suddenly hit their stride in the final session and a fine comeback fell just one goal short of the mark. Trailing 5-1 entering the frame Regals scored three times in the first sixteen minutes on a pair of goals by Art Malley and one by G. Malley but Soviets withstood the desperate ganging attacks of the home team in the last four minutes to hold their margin of victory.

Gallant Wins Summerside Snooker Title

A large number of fans assembled at the City Billiard Parlours on Wednesday night to witness the Snooker competition played for the championship of Summerside Snooker players.

The first game got under way about 7.50 p.m. and was played between Lloyd "Ding" Phillips and Johnny Durant (both in high scorers section) in this game Durant was eliminated by Phillips the score ending 45 to 24. The second game in the high scorers section was played between Roland "Porky" Lyle and John Hayes, Lyle winning over Hayes by a score of 42 to 27, following this game Henry Martin and J. LeRoy "Sammy" Gallant (in the low scorers section). Martin was eliminated by Gallant the score ending 57 to 33. The next game to decide the winner of the high scorers section was played between Porky Lyle and Ding Phillips, Phillips winning over Lyle the score ended 59 to 12.

The semi-finals were then played between Sammy Gallant and George Bishop, Gallant defeating Bishop by a score of 66 to 15. The finals followed between Ding Phillips and Sammy Gallant, Gallant winning over Phillips by the small margin of 1 point, the score for this game ended 41 to 40. Val LeBlanc was referee of play while the score board was handled by Harold Harkness.

Mr. George Bishop manager of the parlours donated a very substantial award to the winner. It was regretted that Dr. W. B. "Biff" Howatt (who is at present in New York) was unable to attend as he was eligible to play in the competition. Another competition will be held at a future date.

Beware Kidney Poisons if Tired, Nervous, Aching

Are you Run Down, Nervous or suffer Aching Joints? Do you Get Up Nights, or suffer from Burning Passages, Frequent Headaches, Leg Pains, Backache, Circles Under Eyes, Loss of Appetite and Energy? If so, the true cause often may be Poisons developed in the body during colds, or by bad teeth or tonsils that need removing. These Poisons may attack the delicate membranes of your Kidneys or Bladder and often cause much trouble. Ordinary medicines can't help much because they don't fight the Poisons. The doctor's formula Cystex, now stocked by all druggists, starts to act in 3 hours and must prove entirely satisfactory in 1 week and be exactly the medicine you need or money back. Ask your druggist for Cystex (Siss-tex) today. The money-back agreem protects you.

NEW ANNAN DEFEATS ACES TO SECURE PLAYDOWN BERTH

Battling desperately for a berth in the North Shore playoffs, Kensington Aces wilted and the New Annan boys by the skin of their teeth came through with a 2 to 1 victory.

The New Annan boys pitting sheer speed and will-to-win against the polished attacks of the Aces, New Annan swept Ken MacLean's men off their feet in three furious periods, which had the rival players and fans as well, on their toes throughout. The ice was fast and both teams opened with flashy attacks, the Aces having the edge during the first period, but shooting wild when through for what appeared sure goals. The period ending scoreless.

The second period opened with New Annan forcing the play, at 38 seconds Jabez Mills was robbed at the goal-mouth my Campbell who was doing a fine job kicking them out from all angles, and at 6.05 Geo. McKay received a penalty for boarding, giving the Aces their second opportunity for their gang play, however, they were unable to realize and play continued to see-saw back and forth until at 8.53 Whitlock breaking away carried through for a shot which Campbell stopped easily, but Campbell being unable to clear was beaten by Tuplin who came in fast to slam home Whitlock's rebound for the first score of the game, New Annan still going at full speed were rewarded with the tieing score when Jabez Mills on a pass from Geo. McKay from a face off beat Campbell with a hard drive from the left boards at the 15.00 mark.

The third period saw no slackening of either team and the fans were barely settled when Jabez Mills on a pass from George McKay dented the twine, for New Annan's second and winning goal, giving them the playoff berth both were fighting for.

NOTES

Jabez (Chubby) Mills was the outstanding man on the ice, always dangerous when within range with that powerful shot, also securing his teams both counters.

Geo. McKay being a close second for the foregoing position, getting two assists, and playing his usual good game.

Harry Easter making his first appearance this season turned in a smart defence game, we wonder why? he has not been doing his stuff all season.

Keith Hardy when he gets a little more finish will be a much sought player, for he is fast tricky and can take it.

Both goalies deserve their share of bouquets for they both did a Broda act throughout, turning aside what looked like sure goals right at their doorstep.

Nelson McKay the old war horse of this league, turned in his smartest game of the season, breaking up play after play and always dangerous on his spectacular rushes.—H.
