

SAVE FOOD

In a time needing food economy many people are not getting all the nourishment they might from their food. It is not how much you eat, but much you assimilate, that does you good.

The addition of a small teaspoonful of Bovril to the diet as a peptogenic before meals leads to more thorough digestion and assimilation and thus saves food, for you need less.

REMARKABLE FACTS REGARDING REJECTIONS

OTTAWA, May 8.—Out of 372,000 unmarried Canadians between the ages of 20 and 35, who registered under the Military Service Act, 118,000, or about 39 per cent, were found mentally unfit for active military duty.

This remarkable fact was disclosed in an answer given in the commons yesterday to a question placed upon the order paper by Thomas McNutt, Unionist member for Saults. Of the 118,000 who failed to measure up to category "A" no fewer than 60,000 were placed in category "E" indicating serious medical incapacity.

—MUSIC TEACHER REMEMBERED.—Miss Mary D. Schurman, music teacher, O'Leary, was most pleasantly surprised on the evening of April 17th, when a large number of her friends gathered at the Orient Hotel and presented her with a well filled purse and the following address:—Dear Miss Schurman.—We of the Polyantha Class and others, your friends in O'Leary, take this opportunity to say how much we value the help you have so freely given in preparation for the various entertainments during your residence in the village. We know it has cost not a little sacrifice on your part, and we deeply feel a sense of obligation to one who has so often given up time, leisure and work to add to the pleasure of others. As a token of our appreciation and esteem, we ask you to accept the accompanying gift. Signed on behalf of the friends in O'Leary.

—DEPARTURE REGRETTED.—On the evening of May 6th, the many friends of Dr. H. E. McEwen of O'Leary, who is taking up his residence in Summerside met at his home to bid him success in his new field of labor. Rev. R. Murray read an address signed by over fifty of the residents and surrounding district, expressing their regrets at his departure, where he had labored for upwards of twenty years during which time he had endeared himself by his pleasant smile and professional duty to all. On the evening of May 2, the many friends of Mrs. McEwen met at her home to bid her farewell, when they presented Mrs. McEwen with a silver service tray. Mrs. McEwen has been an active worker in the Red Cross and other societies in O'Leary, and needless to say will be greatly missed. Very suitable replies were delivered by Mrs. and Dr. McEwen, regretting their departure, but finding the long drives necessary in his profession too arduous for his advancing years. Dr. McEwen has taken an active interest in lodge work, being District Deputy Grand Master of this district and needless to say will be greatly missed by the brethren.

Commencement Day At P.W. College

(Continued from page one.)

been well attended to by the various committees appointed at the beginning of the year. In the course of the term several enjoyable and successful student entertainments were held. A large voluntary contribution was made to the Red Cross Fund by the Faculty and Students of the college.

Our athletics during the term were conducted in a highly efficient manner. The various sports were indulged with a zest and enthusiasm characteristic of Prince of Wales students. During the autumn months, football occupied the attention of the students; and in the winter, hockey. But, although our league games were not crowned with the success for which we hoped we have endeavored to play the game. In all our athletic sports we have kept before us the thought that the value of athletics lies in the development of a spirit of co-operation and self-control.

Our Debating Society this year has attained a degree of efficiency scarcely equalled by that of any former term.

Our college is closing nearly three weeks earlier than usual to allow the students to take part in the increased production movement. An opportunity is thereby given to all students whether of the city or of the country to do their bit by becoming Soldiers of the Soil.

To you, our Principal and Members of the Faculty, we say farewell.

The time has come when we must leave our Alma Mater and take our places as men and women in the battle of life. We heartily appreciate your efforts to instruct us to the best of your ability while we have attended Prince of Wales College. Although far removed from you by distance yet we shall always retain fond memories of Prince of Wales College, its Principal and Members of the Faculty.

To you, Citizens of Charlottetown, we say farewell.

We greatly appreciate your kindness to us during our stay in Charlottetown, and it is with grateful hearts that we acknowledge your interest in our welfare ever since our advent to your hospitable city.

To you, our Fellow-Students, we say farewell.

To you we entrust the duties and privileges of our college life. We leave you to fill our places, to take up our tasks, profit by our mistakes and where we have failed—you succeed; where we have done well—you do better.

To you who have not gained the goal of your desires we would urge you not to be discouraged, but earnestly to endeavor to triumph over the obstacles in your path. By persistent effort and unflinching zeal you will overcome your difficulties. Make your adversity a goal to greater effort and thus achieve prosperity.

To you, graduates who are embarking on the voyage of life, permit me to give a word of counsel. Remember that it is in your hands the honor of our Alma Mater rests. Remember all so to uphold its motto, Ich dien, I serve. In the great troubled sea of life do not drift with the restless tide but—

BE STRONG

We are not here to play, to dream, to drift. We have hard work to do and loads to lift. Shun not the struggle—face it! 'Tis God's gift.

Be strong!

It matters not how deep the entrenched wrong. How hard the battle goes, the day how long; Faint not—fight on! Tomorrow comes the song.

Other speakers who were listened to with much interest were His Worship Mayor Wright, ex-Governor McKinnon and Prof. H. H. Shaw, who all warmly congratulated the students and extended good advice and best wishes for their future success. The singing of the National Anthem brought the proceedings to a close.

NO MORE CANDY & NO MORE ICING

In exercise of the powers conferred upon it by Order of His Excellency, the Governor General in Council, dated the 12th day of March, 1918, P. C. 598, and of all other powers enabling it in that behalf, the Canada Food Board hereby orders as follows:

1. No person shall make in Canada for private consumption, French pastries, iced cakes, or biscuits or cakes with icing of cane sugar between the layers, or added to the exterior; and no person shall use in Canada cane sugar for making for private consumption, what is commonly called candy.

2. Any person violating any of the provisions of this Order shall be liable to the penalties enacted in the Order of His Excellency, the Governor General in Council, dated the 12th day of March, 1918, P. C. 598, in which penalties are provided by the following clauses: (a) Any person violating any of the provisions of these regulations, or any Order made thereunder, or obstructing or impeding any officer or person enforcing or carrying out any Order made thereunder, is guilty of an offence, and shall be liable on summary conviction before a Police Magistrate or two Justices of the Peace to a penalty not exceeding one thousand dollars and not less
