Miscouche Home and School Meeting Held The regular meeting of the Miscouche Home and School Association was held in the Convent last week. The president, Mr. D. H. Gallant after opening the meeting reported on the success of the Wellington play. The treasurer reported a favourable balance on hand. The committee on the setting up of a manual training room for boys reported on the progress being made which is quite good and they were authorized to proceed on their own authority.

The president then introduced the guest speaker, Mr. J. S. Des-Roches, K. C., of Summerside, whom he described as an alumnus of Miscouche school, a graduate of St. Dunstan's College, a war veteran, and now a practising lawyer in Summerside. Mr. Des-Roches expressed himself as happy to be in his home surroundings again and thanked the association for the invitation. He congratulated the members on the good work done, judging from the discussions and the minutes. He gave the meeting some practical advice on the operation of the boys' workshop, a matter in which he had first hand experience. The speaker congratulated the members of the association for grouping together to solve mutual problems regarding the welfare of the child who is made of body and soul. The will and the intellect both must be developed. The latter so that the child, later on, may be able to earn a living and support himself physically.

The former that he may learn to choose correctly in distinguishing right from wrong. The school and the home, parents and teachers, must work harmoniously together that the will of the child may be trained perfectly. The child must learn to obey his parents, he said, for instance to stay home and study rather than amuse himself. He will do so at first because he is told and later on because it is right; then the habit of choosing the right thing and of doing the right thing will become so embedded in him that he will have no difficulty in making the choice later in life. In this way teachers and parents must work together to have good citizens here on earth who will help solve the world's great problems and to be later, citizens of heaven. This, the speaker said, is the great task of parents and teachers. A hearty vote of thanks was moved by Rev. J. D. Kelly, seconded by Mr. Phil

Fraser conducted the service and spoke from the 5th Chapter of Judges 7th verse: "The inhabitants of the villages ceased. They ceased in Israel until I, Deborah arose, that I arose a mother in Israel."

Hymns sung were: The Lord's My Shepherd, God Moves In A Mysterious Way, and Jesus The very Thought of Thee, with Mrs. Earl D. Leard at the piano. Davison, Kensington, was in charge of the funeral. Interment was beside her husband in the Bedeque Baptist Cemetery. — B.

Rev. E. Bragg Guest Speaker At W.M.S. S'Side

Rev. Edward Bragg, Missionary on furlough from British Guiana, was guest speaker at the annual Birthday Social of the W.M.S. of the Summerside Presbyterian Church on Friday evening in the Church hall. A splendid attendance was present. The president, Mrs. Charles Carnegie, opened the meeting with a poem of "Inspiration, followed by Call to Worship and Prayer. After the singing of hymn "O Come Let Us Sing to the Lord," with Mrs. W. E. Forbes at the piano, Shirley MacDonald, Vice-President of the Erronanga Group, read the Scripture lesson and Mrs. C. C. Hickey, President of the Evening Circle, led in prayer. The gifts were received by Georgina MacKenzie and Joyce Ann MacDonald, with Gail MacDonald, secretary of the Mission Band, giving the offertory prayer. After the hymn "Zion's King Shall Reign Victorious" the guest speaker was introduced by the minister, Rev. Charles Carnegie.

Mr. Bragg gave a most interesting address on British Guiana, where he supervises 21 churches and eight day schools, a description of the country, its people, and its religious background, illustrated with beautiful Kodachrome slides. He presented a detailed outline of the work for which the Presbyterian Church in Canada is responsible in this land of opportunity in Christian Service. The speaker went on to say that the missionaries are doing all they can with the help of native catechists, but there is a great need of more trained workers and so far as these in the field are concerned feel in the position of Winston Churchill's famous saying "Give us the tools and we will do the job."

A vote of thanks moved by Mrs. G. A. Bohner and seconded by Mrs. J. W. MacKenzie was extended to the speaker. The singing of "Arm of the Lord, awake, awake" was followed by the benediction by the minister. A fellowship period ensued when delicious refreshments were served by the ladies under the co-sponsorship of Mrs. J. O. Cobb. A beautifully decorated birthday cake, presented by Mrs. Maurice Mill, centred the tea table.—S.

LeClair and tendered by the chairman. A question box was a feature of the program and was much enjoyed.—S.

IN MEMORIAM MRS. JOHN A. DAWSON

The death of Mrs. John A. Dawson, age 81, took place at her home in Central Bedeque early Tuesday morning April 26th. She had been in ailing health for some time, and about two weeks previous to her death she was taken to the Prince County Hospital where her condition was considered very serious, later returning to her home. Word was sent to members of her family concerning her illness. Her two sons, Carl and Uleric and her sister, Mrs. William Lavell hurried to her bedside and were only home a few days when she lapsed into unconsciousness, gradually becoming weaker until the end came.

She was the daughter of the late Mr. and Mrs. Luke Wood. Her mother's maiden name was Jane Townsend Waite.

She was born at Ives Point, later moving with her parents to Tryon where she was married and resided for a few years. Then she and her husband moved to Augustine Cove where their five sons were born, moving to Central Bedeque in 1913 where she resided until the time of her death. Be-

lieve that the child, later on, may be able to earn a living and support himself physically.
