Dr. Chase's Ointment

As a means of allaying inflammation, relieving the dreadful itching and healing and curing itching skin diseases, ulcers and eruptions, we believe that we can prove that Dr. Chase's Ointment is the most potent preparation that it is possible to obtain.

So many extreme cases have been cured, so much intense and continued agony has been relieved, and such a host of people have volunteered their evidence in this regard that we challenge anyone to produce like endorsement for any ointment or any preparation which is recommended for such diseases.

Dr. Chase's Ointment certainly stands alone, unapproached and unrivalled as a healer of the skin and positive cure for itching skin diseases. From pimples to eczema, from chilblains to ulcers, each and every form of itching skin disease has been cured by this great ointment.

Mr. G. H. McConnell, engineer in Fleury's Foundry, Aurora, Ont., states: "I believe that Dr. Chase's Ointment is worth its weight in gold. For about thirty years I was troubled with eczema, and could not obtain any cure. I was so unfortunate as to have blood poison, and this developed into eczema, the most dreadful of skin diseases.

"I was so bad that I would get up at night and scratch myself until the flesh was raw and flaming. The torture I endured is almost beyond description, and now I cannot say anything too good for Dr. Chase's Ointment. It has cured me and I recommend it because I know there is nothing so good for itching skin."

Dr. Chase's Ointment is known in almost every community. Ask your neighbors about it. There is probably a marked cure at your door which you can investigate. The cures made by this preparation will stand investigation; 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitation the pretreat and signature of Dr. A. W. Chase, the famous receipt book author are on every box of his remedies.
