Receive Battle Honor
P. E. I. Regiment Is Among Those Who Will Have "South Africa" Embroidered on Regimental Colors.

(Canadian Press)
OTTAWA, June 12—Thirty two years after the Peace of Vereeniging, which brought the Boer War to a close, 26 units of the Canadian militia have now been awarded the battle honor, "South Africa" to be embroidered on their regimental color. Announcement to this effect was made from the headquarters of the Defence Department here today.
Approval of this honor by His Majesty has been notified to the Department. The units whose color is thus enriched obtain the award under the same conditions as governed that of similar honors to the yeomanry and volunteer regiments of the British army.
All of the seven provinces of Canada which were in existence at the time of the South African campaign are represented in the list. In Ontario 12 regiments secure the honor. In Quebec 5; in Nova Scotia 3; in New Brunswick and Manitoba 2 each; and one each for British Columbia and Prince Edward Island.

U.S. DELEGATES

(Continued from Page 1)
Reynolds, member of the delegation, after the Americans returned to their hotel.
Others expressed similar views but refused to be quoted.
Pressed for comment Ralph W. Morrison, another member of the Washington group, said: "Except for a few spots it was a good speech," apparently referring to the part dealing with debts.
Cordell Hull Secretary of State of the United States, in a statement, carefully avoided mentioning Mr. MacDonald's reference to debts. He lauded the British and expressed optimism. The chief of the delegation told correspondents as he left the conference hall that he was sticking to the subjects on the programme and was making no comment on debts.

Flyers On Third Leg Of Flight

(Associated Press)
CARTAGENA, Colombia, June 12—J. Scott Bernuth, an American, and Ernesto Samper, a Colombian, piloting two planes, arrived here today from Kingston, Jamaica, on the third leg of a St. Louis, Mo.-Bogota, Colombia, flight.
Heavy rainfall this afternoon delayed their departure for the Colombian capital.

BIRTHS

SIMS—At Hartsville, June 6, 1933, to Mr. and Mrs. D. L. Sims, a son.

DEATHS

MACDONALD—In the City, June 12, Mrs. Marjorie MacDonald, aged 19 years, dearly beloved daughter of R. G. and Mary E. MacDonald. Funeral from her late residence, 46 Rochford St., notice later.

COUNCIL
(Continued from Page 1)

of \$55,000 was spent by the School Board, and the Council had nothing to say about the expenditure. In all matters of expenditure the Council should be consulted. The City Council could provide coal for \$8.15 and the Board had last year paid \$3.00 for the same coal.

Councillor Burke, chairman of Tender Committee stated that the Committee intended to let the matter of the coal purchase stand over till it could be looked into further, and if possible effect a reduction in the coal bill.

Councillor Holman expressed surprise that the School Board had called for tenders.

Councillor Burke stated that he had understood that the Board had agreed to have the Council call tenders.

Councillor Whear moved that the City Clerk acknowledge the letter from the School Board, and convey to the Board the opinion of the Council.

Dog Nuisance

Mr. L. C. Worthy appeared before the Council as Secretary Treasurer of the Queen Square Garden Committee with a complaint regarding the ravages wrought by dogs. The gardeners had been setting out plants in the day, but dogs had been digging them up at night. Friday, and Saturday, four beds of geraniums had been planted, and had been badly damaged. Later in the season such damage could not be remedied. If cows or horses were allowed at large, the animals would be quickly impounded.

Mr. Worthy in conclusion asked the Council for assistance in dealing with the matter.

His Worship stated that the only way to deal with the matter would be through passing an ordinance forbidding dogs to be at large except on a leash. In Moncton there was such an ordinance. At the present time the city by-law was contradictory. The attempt made a few days ago to curb the nuisance had had no effect as the destruction had continued.

Councillor Whear agreed with the Statement of Mr. Worthy. There was a large number of dogs, the owners of which had not paid dog tax as yet. Only half the taxes had been collected. He thought that the present by-law was sufficiently strong.

His Worship expressed the opinion that the by-law should be made more stringent, as the present one might involve the city in a law suit.

Councillor Holman thought that it was up to the Council to support public spirited citizens like Mr. Worthy, who gave their time freely in attempting to beautify the city.

Councillor Hennessey thought the drive should be continued.

His Worship stated that if the police officers attempted to enforce the by-law, they would have no time remaining for their other duties.

Councillor Trainor thought that there should be something done about the police dogs which were at large.

Councillor Reardon thought that it was too much to expect the police force, as at present constituted, to enforce the dog by-laws.

His Worship stated that only as soon as the people were made to realize that no dogs could be at large except on leash, could the matter be successfully dealt with. At present the police could not enforce the law where dogs on which the taxes had been paid were concerned, without involving the city in a lawsuit.

Councillor Hennessey moved that the matter be taken up by the Police Committee, and that the committee be authorized to enforce the by-law.

Councillor Reardon stated that the Council should not instruct a police committee to enforce a law which His Worship had said was not workable.

His Worship replied that his remarks had reference to dogs on which taxes had been paid.

It was decided that the matter be left in the hands of the Police Committee.

School Board Member

Notice of the expiration of the term of office of Hon. Dr. MacMillan as a member of the School Board was read.

A resolution was introduced to the effect that Dr. MacMillan be reappointed for a term of three years.

Councillor Whear expressed surprise at the resolution as conditions had changed in three years. Now, Dr. MacMillan was Acting Premier and Minister of Education. He thought that an independent man to represent the City should be appointed. Dr. MacMillan had all the qualifications necessary to a member of the Board, but his position had changed. His present position was inconsistent with the position on the School Board. Councillor Whear then moved as an amendment that Mr. Mark McGulgan be appointed.

Councillor Holman thought that the city was fortunate in having the

privilege of reappointing Hon. Dr. MacMillan. It would be a great advantage to have the Minister of Education as city representative on the Board.

His Worship stated that Dr. MacMillan was a busy and capable man, but he could not go on the Board as a representative of the City and at the same time be a member of the Government.

The first motion carried, with Councillor Whear dissenting.

Finances

Councillor Kennedy for the Finance Committee reported that up till June 12 the sum of \$18,062.24 had been collected in taxes, leaving \$70,000 of unpaid taxes. The City Clerk was prepared to publish the list of defaulting tax payers. Up till May 31, the sum of \$11,407.59 had been spent in unemployment relief.

Condition of Streets

Councillor Reardon reported that the street committee had received many complaints regarding the condition of the streets. Elm Avenue was particularly mentioned, but the committee could do nothing till the Council voted the money. He thought that a plank sidewalk might well be put on York Lane as the sidewalk at Prince of Wales College which was not to cost more than \$500, and had been completed for \$325.

As regards complaints received on the condition of the streets, His Worship stated that people were always complaining. They would have to put up with the inconvenience for some years yet until the city finances improved. It would be just as well to allow Elm Avenue to scale off as to begin patching it, as the patching would have to be continued.

Fire Committee

Councillor Trainor for the Fire Committee reported that during the past two years or more the firemen had been making plans to get uniforms and were now able to provide 30 uniforms. A resolution would be introduced to authorize the Council to provide four extra suits.

Light Committee

Councillor Holman for the Light Committee reported that the Public Utilities Board had granted the utility an extension of 20 days to July 1, to make a report. Complaints in proper form had been presented by Georgetown and Montague. The utility had a number of experts here doubtless to prepare the case for the company.

Councillor Hennessey for the Public Property Committee reported buildings, the property of MacDonald and Rowe, and of Bruce Stewart and Co., encroached for some distance over the line of the street.

A resolution to release the debentures for \$15,500 was passed. Resolutions accepting tenders for various supplies for the city were passed.

Resolutions were passed to the effect that a 2 1/2 foot sidewalk be placed on York Lane from Park Terrace to Dr. Goodwill's residence; that a concrete sidewalk be placed on Grenfield Avenue from Villa Street to Mr. MacQuaid's property; that four uniforms be supplied the Fire Department.

A resolution permitting the Canadian Legion Band to sell programmes at free band concerts was passed.

The city clerk was instructed to inform MacDonald & Rowe and Bruce Stewart & Co. that their buildings were partly on city property at the foot of Great George Street.

The object, it was stated, was that the City's authority should be recognized.

Councillor Whear inquired if any action of the Council were necessary to have the Governor-General call here on his Maritime trip.

Some discussion followed on this subject, and the Council adjourned.

Police Report

The following report, prepared by Chief of Police Birtwistle was presented by Councillor Burke, Chairman of the Police Committee:
Thirty-three arrests were made within the City limits during May for the following classified offences:

Attempt to Break and Enter—Arrests, 2; Convictions, 0; Dismissals, 2; Total, 2.
Assault with Intent to Rob—Arrests, 2; Convictions, 0; Dismissals, 2; Total, 2.
Breaking and Entering—Arrests, 4; Convictions, 0; Dismissals, 4; Total, 4.
Drunk and Incapable—Arrests, 12; Convictions, 10; Dismissals, 2; Total, 12.
Insanity—Arrests, 2; Convictions, 0; Dismissals, 0; Total, 2. To Falconwood.

Juvenile Delinquency—Arrests, 3; Convictions, 2; Dismissals, 1; Total, 3. Two years Reformatory.
Vagrancy—Arrests, 8; Convictions, 7; Dismissals, 1; Total, 8.
Totals—Arrests, 33; Convictions, 19; Dismissals, 12; Total, 33.

There were six prosecutions under the Prohibition Act with four convictions and two dismissals; three convictions under the Customs Act for Harboring smuggled liquor; one conviction and one dismissal for theft; one conviction and one dismissal for Common Assault; three convictions for operating motor vehicle without License; one for "Speeding"; one for operating motor vehicle without Registration; one for operating motor vehicle while intoxicated; one for unlawfully procuring license to operate motor vehicle while under suspension. There were two convictions under the Sanitary By-Law, and a Non-resident was convicted for performing labour without License. A case of willfully destroying a Boundary post was dismissed.

On May 17th and 30th the Force collected a total of thirty-eight samples of milk and eight of cream from Licensed Milk Vendors, delivering same to the City Analyst for Test.

The amounts collected in Fines and Costs during May are as follows:
Fines imposed under the Prohibition Act \$500.00
Fine imposed under the Customs Act 50.00
Miscellaneous Fines and Costs \$242.00
Total amount \$792.00

Other duties performed by the Force during May are as follows:
Prisoners escorted to Queen's County Jail 28
Prisoners escorted from Jail to Police Court for trial 18
Subpoenas served 24
Patients escorted to Falconwood 7
Dogs destroyed 5
Transients in Station overnight 2

Food Inspection

Following is the report of food inspection presented by Dr. I. E. Croken:
Destroyed as unfit for food, 54 portions of carcasses, and one carcass of beef.

SEARCH PARTY
(Continued from Page 1)

breakwater and get home with the lighthouse keepers assistance.

Suspicion was accentuated by the finding yesterday morning of a dory in Mitchell's creek, which is a little cove on the Summerside side of the water, just at the entrance to the harbour. In the dory were Gaudet's coat, hat and shoes. When found, the oars were in the bins, giving the impression that the boat had not drifted but had been rowed across from Holman's Island.

The police and search parties yesterday made a thorough search for the missing man, dragging the Bedouque Harbor and combing the woods near MacDonald's Point and on Holman's Island. They were assisted in their efforts by Landry and finally last evening the body was found. It was in a kneeling position and the injuries were such as to deepen the suspicion that they had not been accidentally received.

Following the discovery of the body last evening Coroner Dr. E. T. Tanton summoned a jury, which adjourned until 4 p. m. today after hearing the evidence of Landry and Corp. Ingles.

Landry testified that he went to Holman's Island with Brown and the deceased at 2 p. m. on Sunday. Brown met Sonier and some other men at the spring and returned to his companion with three drinks of liquor. Later they had more drinks together. Sonier and Gaudet got into an argument over a bill. Landry states that he then went to go home and noticed the dory afloat. He took another dory. Fred Gaudet would not go with him. He arrived at Queen's Wharf, Summerside at 10 p. m. Landry and an Arsenault man went over to the Island at 3.30 but saw no one. The men were not fighting when he left them, he stated.

Corp. Ingles testified to finding the body last evening, and to the marks noticed on the ears and face.

Sonier and Landry have been detained by the police, pending the outcome of today's inquest proceedings.

Dr. MacPhee, who performed an autopsy on the body, will report at the inquest.

The coroner's jury consists of Arthur Brennan, Lawrence Enman, Charles Peters, Willard Doucette, Reginald Morrison, W. F. Sudebury, Henry Wedge.

Inspector Fripps is leaving for Summerside this morning to personally take charge of the investigation into the case, which has naturally caused much comment and excitement throughout Prince County.

The deceased was about thirty years of age and is survived by his wife and one child, for whom deep sympathy is felt.

LABOR
(Continued from Page 1)

carpenters 20 cents to 25 cents per hour, masons, bricklayers and teams 35 cents per hour."

Demand 25 Cents
W. G. Green, local manager for the company, intimated to representatives of the men this afternoon that he would recommend an increase from 15 to 17 1/2 cents per hour for laborers. The strikers refused this offer, reiterating demands for 25 cents an hour.

Dissatisfaction over the wage question was expressed at the start of work last Friday. The men placed their case before the Maritime Conference of the United Church of Canada, which has control of the University property, and a board of conciliation was appointed in a fruitless effort to bridge the difficulty. Members of the conference expressed the opinion that the wage offered laborers was too small.

ics concluded 275 school and 56 pre school children completed inoculations. Total 331.
Vital Statistics Report: (City of Charlottetown) Births, 41; Deaths, 23; Marriages, 9.
Restaurants inspected 8

Dog tax collected \$165.00

RAMSAY
(Continued from Page 1)

Not Question For Farley
Although he explained the war debts are not a question for the World Economic Conference, the Prime Minister in his opening speech as chairman of the greatest gathering of nations the world has ever seen, declared the war debt problem "must be dealt with before every obstacle to general recovery has been removed."

"It must be taken up without delay by the nations concerned," Mr. MacDonald added. "Lausanne has to be completed and this vexed question settled once and for all, in the light of present world conditions."

Refers to Lausanne

He referred to the agreement reached at Lausanne little less than a year ago, when the nations of Europe agreed to cut Germany's reparations to 10 cents on the dollar contingent on similar alleviation of the war debts they themselves owed.

The statement evoked from Washington word that no change was seen in the Washington attitude, that President Roosevelt remained by his stand the first move for revision must formally come from the debtors, and that payment of the next installments on June 15 is expected.

But the British Government tonight, following the Prime Minister's declaration, made a new move to bring the war debts discussion to a head. This move, it was authoritatively disclosed, is in the nature of proposing a small payment on Thursday, a payment which while in no way approaching the total sum of \$75,950,000 due to the United States, will serve as recognition of the validity of the debt pending revision.

It was understood Ambassador Sir Ronald Lindsay had broached the proposal of such a "token" payment in his discussions at the White House. The note to the United States is in line with previous declarations of Prime Minister MacDonald that discussions on war debts can proceed between the heads of the governments concerned, parallel to the World Conference.

HIS MAJESTY
(Continued from Page 1)

will and sincere cooperation. The great hall was silent as the throng of sombrely garbed delegates, relieved here and there by splashes of color in the garb of some of the eastern representatives, gave deep attention to His Majesty's speech.

"Gentlemen, at this time of widespread economic stress, it is with a feeling of deep responsibility that I welcome you to this country. I believe this is to be the first time in history that any sovereign has presided at the opening of a conference of all the nations of the world. I wish to express my satisfaction that such a gathering has been possible and my confidence that this common endeavor will lead to beneficial results."

"I welcome the representatives of the States, members of the League of Nations. I have always followed the work of the league with keenest appreciation and interest. The league has convened this conference and has prepared the way for it through the valuable services of the expert committee.

"Without the league and without the ideals of the league I doubt whether this great meeting could ever have taken place."

"I welcome no less cordially the representatives of those states who are not members of the league. I recognize the spirit of helpful cooperation which has brought them to join in these discussions. I further wish to add a special welcome to the representatives of my dominions and of my Indian empire."

At this point the King addressed the delegates in French, a translation of his words follows: "It is with very profound emotion that I see around me this august assembly which seems so vast but which represents an infinitely vaster conception, the hope and wishes of the entire world. The world is in its quiet state and for you gentlemen who from today begin the work of restoration the task is heavy. It will not be achieved except through good will and sincere cooperation.

"Messieurs les delegates, I extend my hand to you and with all my heart I wish that your efforts will be brought to a happy result which the peoples of the world await with impatience." The King then returned to English.

"I fully recognize the magnitude of the tasks of this conference, but there is evidence of a real desire to reach an agreement which gives me hope. All nations are suffering from a common ill. This is shown only too clearly by the rise in the figures of unemployment. The meaning of these figures in terms of human suffering has been my constant concern in recent years as it has been the concern of every one of you here today upon whom the responsibility of government has rested. In the face of a crisis which all realize and acknowledge, I appeal to you all to cooperate for the sake of the ultimate good of the whole world. It cannot be beyond the powers of man so to use the vast resources of the world as to insure the material progress of civilization. No diminution in those resources has taken place. On the contrary discovery, intention and organization have multiplied their possibilities to such an extent that abundance of production has itself created new problems, and together with this amazing material progress there has come a new recognition of the inter dependence of nations and of the value of collaboration between them. Now is the opportunity to harness this new consciousness of common interests to the service of mankind.

"In the firm belief that mutual consultation is the first step towards right action I inaugurate this conference. I shall follow your deliberations with the closest interest and attention and I pray that the results of your labors will set the world once more on the path of prosperity and ordered progress."

School Cadet
(Continued from Page 1)

J. McTague, J. Smith and G. Connors.

A large crowd of spectators turned out to witness the inspection of the two corps, both of which presented a smart appearance and gave evidence of conscientious drilling and training.

The Queen Square Corps marched past in closed column, and in column of route. The unit was reviewed in line, and was inspected in company drill, platoon drill, physical training, first aid, and signalling. The corps was under command of Cadet Captain William Connolly, with Cadet Lieutenants A. Larter, W. Whalen, E. Toombs, J. Leightner,

EAKIN PLEA IS DEFINITELY TURNED DOWN

Deposed Knox College Principal Will Not Be Reinstated At Present.

(By J. F. Sanderson, Canadian Press Writer)

PETERBOROUGH, Ont., June 12—The Presbyterian General Assembly turned thumbs down today on an application for a Church trial for Prof. Thomas Eakin, deposed Knox College Principal. At the same time it delayed until tomorrow consideration of a committee report to appoint a temporary head of the college, investigate this year the school's administration and, in the meantime at least, leave Prof. Eakin outside the principal's office.

For an hour and half today the Church Court reviewed the contentious Knox College problem. Through it all stood two men in featured roles, Rev. Stuart Parker, Toronto and Prof. Eakin, who made another dramatic plea to be confirmed in the principalship or to be granted a church
