Classed Dodd's Dyspepsia Tablets with Other Remedies but Changed His Mind Since.

Mr. James Beatty, of Kilworthy, Ont., a typical story of how he first came to know Dodd's Dyspepsia Tablets for what they're worth.

He had been sick and ailing with Dyspepsia for some time. He had tried different treatments and various medicines all to no purpose. His stomach had broken down, his food was no use to him and his whole system got out of order.

He saw an advertisement in a Toronto paper one evening, in which the reasonableness of the treatment known as Dodd's Dyspepsia Tablets appeared to his sense of conviction. Dodd's Dyspepsia Tablets act on the only sound principle in the treatment of Dyspepsia—Rest in the Stomach.

If a man can't digest his food because his stomach is tired out, how is he going to get better unless his stomach can be rested? But how can his stomach be rested and his food go on being digested? Mr. Beatty found it out. Listen: "If the work Dodd's Dyspepsia Tablets do for everybody the same as they did for me they are the greatest medicine ever discovered. I saw them advertised in a Toronto paper and I happened to be in Mr. Homer's store in Gravenhurst. I asked the clerk did he keep them in stock, but they had run out of them. He told me he would send for them but I told him it was not necessary as I thought it would be like other patent medicines. I found different. I went to Dr. Campbell's and got them there. They made another man me. I used to have to be very particular what I ate and drank and above all I dreaded Sunday. Now, thank God, I can eat what I choose and the doctor is in my own pocket in the shape of Dodd's Dyspepsia Tablets."

PRINCE EDWARD ISLAND

And its Attractions To Tourists.

Prince Edward Island's summer climate is delightful, and scenery is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, it enjoys all the coolness of the sea breeze and the advantages that can only be derived from sea bathing at about 65 degrees.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company two Electric light plants, and a street railway in embryo. It has a first class water works and sewerage system. It is famed for its many pleasant drives the principal of which is the new Park Boulevard, its attractive surroundings, pure water and clear cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief resorts of the citizens here. It has one of the largest and best equipped pork-packing establishments in the Dominion. On the west side in the Park on the east side are the magnificent new Exhibition Building and Driving Park. Chief among its public squares are Queen Square in the centre of the city, beautifully laid out with blooming plants of various description, a fountain and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davies, Queen, and Revere.

Summerside has above 3000 inhabitants. It is situated on beautiful Beque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. The hotels are—Clifton, Queen, Russ, Strathcona and Campbell. Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, Tupper, Revere, Dominion, McConnell, Mannel and Globe hotels and in Souris the Sea View, Kimball, Imperial, American and Harbor View.

At Cape Traverse a very pleasant summer resort, is the Landsdown Hotel; in Alberton, the Albion Terrace and Wisner in Tignish the Railway and Bellevue; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson's.

The following hotels open for the summer season: At Hampton, Pleasant View at Stanhope, Mutch's, and Cliff; at Brackley Point, Shaw's; at Rustico, Seaside; at Malpeque, North Shore; at Tracadie Beach, Acadia; at Alberton, Seaford; and at Pownall, Florida.

In addition to those already mentioned here are other towns and villages in the Province with hotel accommodations while many farm houses prepare for the reception of tourists. The rivers and streams teem with trout, the bays with mackerel, while game of every description abounds.
