

B.B.B. A Great Healer.

If you've never applied Burdock Blood Bitters to a cut or wound, sore or ulcer, just try it and see what soothing, healing, cleansing power it possesses. It takes out itching, stinging and burning, and promotes the growth of healthy flesh. So, too, when taken internally, by its power of eliminating all impurities from the blood and making that vital fluid rich, red and pure, it cuts off the origin and source of the foul matter that goes to make boils, pimples, sores, ulcers, eruptions, cancers, tumors and the like, and at the same time the purified and enriched blood creates healthy tissue where there was formerly, perhaps, a suppurating sore.

Mrs. J. H. Davies, Sydney, Man., writes: "I used Burdock Blood Bitters for a running sore on my ankle, which began to spread until I could hardly walk. I applied some of the B.B.B. to the sore as well as took it internally, and by the time I had finished two bottles the sore had healed up and my ankle got perfectly well."

All persons wanting employment and employers of labor in want of assistance will obtain help and situations by applying to MISS SNELGROVE,

S' SIDE AND PRINCE CO

There will be a general meeting of the Board of Trade this evening. A full attendance is requested, as business of importance is to be considered.

MANY GUARDIAN readers will be sorry to learn of the death of Mrs. Charles Clark, of Wilmot which occurred yesterday morning after an illness of about three weeks. She was 51 years of age and leaves a sorrowing husband, 3 sons, and 6 daughters to mourn the death of a loving wife and mother.

A PRIVATE letter received in Summerside from Mr. A. E. Williams for some time manager of the bank of Nova Scotia here and now of Berlin, Ont., contains the following:—"A mistaken impression appears to have gone abroad that we are a Boer town. I wish to deny this most emphatically. (To give you an idea of the sentiment in this respect when the news of the relief of Ladysmith was received, bells rang, whistles blew, horns tooted and fire works and rockets were very much in evidence. Stores and schools were closed, and in the afternoon a parade headed by the band and consisting of about 50 sleighs all decorated with bunting etc. drove through Waterloo and fairly deafened the people of that town. Cannons were fired and the event wound up with brilliant illuminations on the square at night. Although the people are largely German, they are none the less loyal."

"It's hard to be poor," sighed the seedy pessimist. "That's queer," replied the ragged optimist. "I always found it easy enough." "In my opinion a man loses a lot of dignity in the scramble for office." "I don't know about dignity, but I know he often loses a lot of cash."

TWENTY YEARS STANDING.

Trouble of a Norwich Farmer who was Relieved by Dodd's Kidney Pills. NORWICH, March 5.—For twenty years Mr. Wilbert Woodward, of Willoy Dell, has suffered with backache. He grew so bad that he was confined to his bed two days out of a week. His farm suffered for the lack of the eye of its master, and Mr. Woodward made every effort to find a cure for his trouble. He says, "I tried everything I ever heard of, but no cure. Last fall I heard about Dodd's Kidney Pills and I bought three boxes of each from Mr. Bannon, of Norwich, and I am happy to say they have done me more good than all the other medicines put together, that I got from the doctor. My wife takes Dodd's Kidney Pills also, for lame back and rheumatism and finds them grand. I hope any persons suffering as we did will try these remedies. I would willingly pay two dollars a box rather than be without Dodd's Kidney Pills in the house."

Purifying Water with Coal Oil.

It is a common practice in many sections of Louisiana to use coal oil in the cisterns and wells to destroy germ life. A physician in that section gives the results of experiments to determine its value. He took a barrel of rain water, full of "wiggletails" and wood lice, poured in a table-spoonful of coal oil, stirred up the water, and in an hour afterward no living insect was to be found in the barrel, the water being as clear as crystal, the oil only showing on top, and the taste sweet and pure. He believes it purifies the water as well as prevents the formation of germs, and that it prevents all diseases originating in impure water.
