Don't Stop To Count Them

There are 250 cups of strong, rich tea—all from a pound package of Red Rose.

That seems a very large number, but then you must remember that Red Rose Tea is composed chiefly of the strong, rich Assam teas from Northern India, which yield an astonishing amount of tea essence.

Why! You can brew five generous cups from about one cent's worth of Red Rose.

Doesn't it seem a real war-time economy to use Red Rose Tea, which tastes better and goes further?

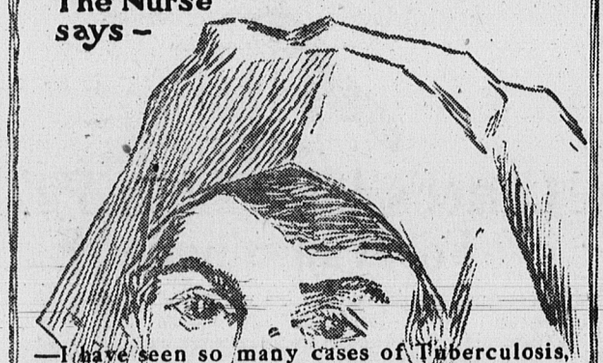
The Nurse says—



—I have seen so many cases of Tuberculosis, extreme nervousness, Anæmia, La Grippe and general debility helped by WILSON'S INVALIDS' PORT that I have come to regard it as indispensable for the proper treatment of all wasting diseases and convalescent cases.

—and not only for these cases, but for persons whose vitality is low or impaired, or who are particularly susceptible to the ills of Winter. Incipient colds, irritating coughs or that "fagged-out" feeling that presages a serious illness, are quickly dispelled by the regular and continued use of WILSON'S INVALIDS' PORT for a short period.

Dr. H. W. Brant, the distinguished Physician, says: "In a number of cases I have prescribed your Wilson's Invalids' Port, and have found it entirely satisfactory in every case where used being pleasant in taste and sustaining in its action."

ENJOYABLE FUNCTION—A most enjoyable Tea and Bazaar was held in the Parish Hall (the pro-Cathedral) last evening under the auspices of St. Joseph's Sodality. The finest in the culinary art was served in abundance to a large number of people. A delightful feature of the affair was the playing of the League of the Cross Band, which added greatly to the evening's enjoyment. Tastefully arranged candy, novelty and fancy needle work booths, scattered over the spacious and excellently appointed hall, were well patronized. On the whole the function was very successful. The same programme will be continued today when the League of the Cross Band will be in attendance.

MILITARY PRESIDING OFFICER—Major F. B. McRae has been appointed Military Presiding Officer for Prince Edward Island for taking the soldiers' votes at the coming election. Polls will be established at the different centres throughout Canada where soldiers are on duty or in hospitals and at these polls their votes will be taken. In this province there will probably be only two Military polls, one at Charlottetown and the other at the Dalton Sanatorium as these are at present the only places where soldiers' are quartered. Major McRae will establish these polls in due course. His apointment to this important position during his furlough at home is a fitting recognition of his services as a soldier and as officer. The Guardian congratulates him on his appointment.

THE BOYS WANT GLOVES.—As stated a few days ago a large supply of woolen gloves is urgently needed for boys of the old 105th. The Secretary of the 105th Comfort Circle as previously mentioned, received two letters from officers in two units, who were interested enough in the Island boy's to kindly advise the Secretary of the immediate need of these articles for these boys. Up till yesterday seven pairs have been received and these are being mailed at once, but hundreds are needed. The good ladies of Grand View W. P. A. have sent word they have begun knitting some pairs and will forward these to the Secretary as soon as finished. Meanwhile if any societies or individuals have finished gloves, or hand covering of any sort which they care to donate, their assistance would be greatly appreciated. The circle feels assured the people being aware of this need will heartily and generously respond to this worthy appeal.

CAPTAIN SAFE.—The friends of Captain William Harpell. of Jeddore, will be pleased to hear that he and his little 36 ton schooner Violet West are safe at Montague, P. E. I., says the Halifax Herald. The story of fears being entertained for the safety of Captain Harpell began with the arrival in Halifax of the captain's wife from her home in Jeddore. She became uneasy over the non-receipt of any news from her husband and came up to the city to make inquiries through the agency of the Marine and Fisheries department. During her absence a letter from the captain had reached Jeddore, telling of his belated voyage. The Violet West is now ready to leave Montague with a load of produce for home.

This big load of Island products is to be landed here but Halifax people will not have the privilege of purchasing any of the spuds for the entire cargo is to be trans-shipped to a foreign market. The vessel will haul into Black and Flinn's wharf today. It was Captain McKinnon's vessel that brought the first cargo of hard coal to Halifax this year for the civil fuel yard and discharged at the city wharf.

VERNON RIVER AND VICINITY.—A severe wind storm swept over this vicinity on Saturday last with very destructive results, totally destroying two buildings belonging to Mr. Wilfrid Enman, unroofing several barracks and causing other minor disturbances.—A very successful tea and pie social was held in the C. M. B. A., hall on Thursday last under the auspices of the Alberry Plains Red Cross Society. The neat sum of $87.60 was realized. The success of this entertainment was largely due to the untiring efforts of Mr. Alex. McMillan.— Mr. George Tweedy accompanied by his cousin, Miss Bythia Tweedy spent the week end in Vernon River, while in this vicinity Miss Tweedy had the pleasure of being shown through one of the largest Silver Black Fox Ranches on P. E. I. by the obliging and efficient care

A hearty vote of thanks was accorded, proposed by Rotarian Black, seconded by Rotarian Harold Jenkins and supported by Rotarians Hyndman, Burnett and Van Buskirk.

WEDDING BELLS.—The home of Mr. and Mrs. William Cruwys of Kingston was the scene of a quiet wedding on Tuesday evening, November 20th, when their daughter Ethel Irene became the wife of Mr. John Heber McPhail of New Haven. The bride was given away by her father and the wedding march played by Miss McPhail sister of the groom. The ceremony was performed by Rev. J. Heaney, B. A., in the presence of immediate relatives of the contracting parties. The bride was becomingly gowned in white silk with overdress of shadow lace and wore lilies of the valley in her hair. After the ceremony and congratulations and best wishes the guests repaired to the dining room and a dainty wedding supper was served. The wedding presents were useful and beautiful. The groom's gift to the bride was a set of fox furs. During the evening a company of serenaders visited the house and added interest to the event. The bride will be much missed in Kingston as she is very popular among her friends and is organist in the Methodist Church. The young couple will make their home at New Haven.

CORNWALL ANNOUNCEMENT.—Rev. J. Heaney will preach next Lord's Day at North Wiltshire at 11, Kingston at 3, Cornwall at 7. There will also be service at Cornwall at 11, conducted by Mr. George Cruvys, and at Hampshire at 7 conducted by Mr. W. H. Boyle.

MANY SENDS SWEETS.—Parents and friends in this Province will be interested to know that the order prohibiting the export of sugar or of sweets made from it, has been amended to permit such articles being sent to soldiers at the front or in England. There has been considerable agitation over the matter, especially in view of Christmas cheer being sent to the men overseas. It is understood that in the case of sold ers, the British government is also foregoing its prohibition of the import of sugar.

The settlement of Belle River was very much surprised to hear of the death of Edith R Sanders. She was in school on Friday in her usual good health. On Sabbath she felt unwell but nothing serious was anticipated until Monday morning when a doctor was called in and pronounced it as a serious case of Peritonitis and on the same evening about eighth o'clock her gentle spirit returned to God who gave it. Edith was a very bright intelligent girl or nearly ten years and her presence not only in the home but in the community will be very much missed, as she was a general favorite. Much sympathy is felt for the parents as was clearly shown by the very large attendance at the funeral services which were conducted by the Rev Daniel MacLean. The little casket was borne by Messrs. Alexander MacMillian, Alex. Mathieson, Elmer Stewart and Wm. Stewart and laid to rest in Belle River Cemetery to await the resurrection morn. Six little sisters remain in the family.

—A MESSAGS FROM FRANCE.—On Sunday afternoon an important conference was given to a large meeting of the parish that had gathered at S. Philip's Hall. The speaker was a woman from France and her subject was an interesting one viz. The horrors of War." Having being a prisoner under the Germans for twenty-eight months, after they took the town Peronne where she lived, she is in a position to relate some incidents that are pathetic. The news of the capture of the town by the Germans came at too short a notice and most of the inhabitants had not time to escape. She was among the number who remained and was employed as a nurse under the Germans, being compelled to tend soldiers whom she knew were guilty of the most terrible cruelties. She was a witness to the real warfare as the struggle for the recapture of the town lasted several days. A continual fear was felt as the bullets from the contending forces were flying over head. In one instance she, with her mother and four children sought shelter in a dugout and there passed three days and three nights without anything to eat. The town was recaptured by the Canadians of 22nd Battalion and it was won in so short time that the Germans had not time to take any of their captives with them. Such real descriptions of experiences of war were eagerly listened to and will tend to urge more and more to contribute to the various funds for patriotic purposes. A collection was taken up at the meeting, the proceeds going to the Red Cross Society in France for the relief and comfort of the wounded soldiers. —M.

LISTEN TO THIS! SAYS CORNS LIFT RIGHT OUT NOW

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts out with the fingers.

It is a sticky ether compound which dries the moment it is applied and simply shrivels the corn without inflaming or even irritating the surrounding tissue or skin. It is claimed that a quarter of an ounce of freezone will cost very little at any of the drug stores, but is sufficient to rid one's feet of every hard or soft corn or callus.

You are further warned that cutting at a corn is a suicidal habit.
