

Funds Ample For Coming Year's Efforts, Eastern W. M. S. Delegates Hear

(Continued from Page 5)

Mrs. W. Sylvester, home helpers secretary, said she had asked each Presbyterial to appoint a home helpers secretary. Pictou Presbyterial was the only one from which she had received a report, and in that Presbyterial there were 67 home helpers. Mrs. L. A. Moore advocated greater use of the home helpers membership card.

Protection Needed

In her historical report, Mrs. Frank Baird said many gifts were being withheld until a place of safe keeping was provided. She hoped the Presbyterials would gather historical records so that a full account would be obtained on the tenth anniversary of separation next year. Mrs. Baird referred to the fine historical paper prepared by Mrs. W. A. Stewart, secretary of the P. E. I. Presbyterial, and advocated having Mrs. Stewart make a member of the historical committee, which was agreed upon. She regretted that Miss Stewart of Halifax was resigning. Mrs. McCullough was anxious to have a place in which to store the society's valuable historical data. Mrs. Baird asked the W. M. S. to be prepared to assist the Maritime Synod in consideration of the acceptance of the Gordon homestead at Alberton, offered to the General Assembly to be preserved as a memorial to the great Maritime missionary martyr.

She announced also that a clock made by Rev. Dr. John Geddie, first missionary from Canada to the heathen and possibly first missionary from North America, could be purchased for \$100 and \$60 of this is already arranged for. The clock, seven feet high and in a mahogany case, could be placed in the First Presbyterian Church at Pictou as a Geddie memorial.

It was decided to raise the balance of the money by a special appeal. The money will be received by Rev. Dr. Frank Baird at Pictou.

Miss Jean MacGregor, treasurer, reported total gifts for all purposes \$18,793.33, and although that was less than last year she believed the sum might represent more sacrificial giving.

Expenditures included: Foreign missions—Japan, \$10,100; British Guiana, \$1,257.50; India, gift from legacy to Dr. Buchanan, \$80.10; New Hebrides, \$221.52; Korea, \$502. The balance for foreign missions was \$13,431.18. Expenditures for home missions totalled \$7,312.23 and included salaries and expenses for work at Whitney pier, Halifax port, Glace Bay and Sydney, Chalmers Jack mission Strathcona, New Carlisle and in New Brunswick. The balance for home missions was \$8,155.58.

Heartly thanks was extended the treasurer.

Young People's Work

Miss Duncan, reporting on young people's work, said there were 41 societies which reported a membership of 972 and no reports were received from four societies. Giveings for missions totalled \$1,295.86. Six life members were enrolled. Miss Duncan strongly urged the holding of Thanksoffering meetings by the young people's societies. She believed many of these societies gave substantially to their churches rather than to missions. Members told of various young people's societies which have no affiliation with the W. M. S. Means of arousing interest in missions were discussed. Mrs. R. W. Grant believed the ministers should act in this matter. The activity of the Moncton Y. P. S. for western relief was commended.

Mrs. Clark Elliott moved that the Eastern Division make overtures to the Maritime Synod to ask that students be requested to stress missionary education. The motion carried unanimously. Miss MacMurchy, of Toronto, president of the Western Division expressed appreciation of her welcome. She asked Mrs. Baird for photographs of the church's historical places in the Maritimes, the cradle of Canadian Presbyterianism.

Cherish Traditions

She offered her personal contribution to the Geddie clock and urged the Maritimes to cherish their historical traditions. She wanted to show lantern slides of these places in other parts of Canada. She told how the traditions of the Presbyterians of the Maritimes had inspired the work throughout Canada. She deprecated the use of the words "eastern" and "western" with regard to the W. M. S. work. She thought there should be nothing to keep the two divisions apart but that they should come

together for mutual strength. The women had done their share in keeping up the missionary spirit and she urged carrying this work into the church itself.

Miss MacMurchy brought the greetings of the 50,000 women and children represented in the Western Division. When pleading for a getting together of the Presbyterial women, she said that the losing of all religion was a real menace in the world today.

She spoke of the World Day of Prayer to be observed in March next year. Each province should have one "key woman" to promote the observance of that day. The power of such observance could not be over estimated, she believed. Telling of the missionary work, she spoke of new bungalows to be built for the missionaries in Japan. Missionaries going out to the Orient especially appreciated the greetings they got in Japan from their co-workers.

She commented on the departure of Miss MacVey and Miss Abo to the Orient and the return of Mrs. Burkholder and Dr. Jessie McVey from China, Miss Watling and Miss Stringer from India and Miss Adams of Formosa. She hoped that these missionaries would be able to visit the Maritimes. Mrs. MacLeod thanked Miss MacMurchy heartily.

In the absence of Miss Waterman, her report on C. G. I. T. work was read by Miss Murray. It pointed out 'teenage girls were impressed with missionary work when it was well presented to them. Difficulties of leadership tended against the formation of more groups. There had been no reports from several groups. Three life memberships were made. The 31 groups reporting had 354 members and contributed \$150.50.

The Mission Bands

Mrs. Christie for the mission bands reported 118 bands had 2,176 members and raised \$1,721. There were 24 life memberships conferred in the mission bands. Mrs. Christie suggested that local M. M. S. presidents visit the band meetings and give assistance. The plea of lack of leaders, she believed, was an excuse and not a reason for there being no more mission bands. She hoped the women would view Canada as the Prince of Wales had done—as a land of infinite promise and be ready to serve for the children. Tatamagouche Band with nine members raised \$60 and it was explained that the children did sewing for a sale and there were generous donations at its thank offering.

Simple sewing for the immigrants to be done by the mission band members and literature available are to be obtained, and the wee ones, it was said, could string beads and cut out pictures for others to make into scrap books. The possibility of exchange of scrap books was discussed.

Mrs. Wardlaw Taylor advocated having a display of mission band work at Presbyterials. Mrs. Kennedy offered prayer for the young people's work.

The roll call of Presbyterials was taken as follows: Pictou, 17; Sydney, five; Saint John, 40; Prince Edward Island, 10; Halifax, Lunenburg and Yarmouth, five; Miramichi, seven; Truro and Wallace two; Inverness, two.

The Back Stretch

(Continued from Page 10)

product, Nancy's Tood is the dam of Golden 212 owned here.

J. Malcolm Forbes referred to acoove was a very fine man who had made a great deal of money in business and his recreation was horses. He loved them, liked to see them race and loved to breed them. He had a shrewd knowledge of blood lines and among the great makers of trotting history which he owned was Bingen, founder of the Bingen-Todd tribe, (Todd being a son of Bingen) Peter the Great and Arion. He owned Peter the Great and Bingen at the same time but for some reason or other took a dislike to Peter the Great and gave him very few opportunities at his farm near Boston, Bingen being given every opportunity to make good. As a result of this antipathy Peter the Great lost prestige and finally was sold to W. E. D. Stokes of Lexington, Ky. Fortunately for Mr. Stokes Sadie Mac started racing shortly after his purchase and was soon the outstanding star of the trotting world. Peter the Great "was made" and so was Stokes, and from that day on mares flocked to his farm from all parts of the United States

and Canada and Peter the Great became the world's greatest sire of extreme speed, holding that crown undisputed as to number of performers and 2.10 pacers, but recently losing the crown as the sire of 2.10 trotters to Guy Axworthy who now has 160 in the 2.10 list to Peter the Great's 159.

Another half mile track record was shattered recently at the Reading, Penna., track when that marvellous half mile track pacer Ray Henley, owned and driven by G. M. Hagien, won three consecutive heats, 2.03, 2.05, 2.04. This is the fastest three heats by a pacer gelding on a half mile track, displacing the previous record made by Winnipeg, 2.07 3-4, 2.05 3-4, 2.01.

In the 2.14 pace at Brockton September 14th, Lea Scott 2.08 1-4 was two, two, two in 2.07 1-4, 2.06, 2.07 3-4, being just beaten a whisker. He is a son of Great Scott 2.08 3-4 owned by Captain Sampson Grady, Summerside.

Toll Gate was the winner of the Free For All pace at Brockton, tramping the third heat in 2.05 3-4. What a horse!

Adioo Guy 2.00 3-4, formerly owned in Halifax, was bred to a few mares in Ohio, but for some reason or other was accredited very small patronage. His racing days being over he was sold for a comparatively small sum to parties in Australia where he is now being utilized as a stallion. This year his get that were trained are showing up in remarkable style, being genuine race horses with the winning streak.

J. D. Direct which it will be remembered won the 2.25 pace for Billy Keyes at Charlottetown Exhibition 1931, was sold by him this summer and recently took a record of 2.09 1-2 at South Paris, Me., in a winning race. This was the fastest heat of the meeting.

The following is from Pine Tree Paragards, American Horse Breeder. "I suppose they are trying to find one to knock off Gwendolyn Aubrey 2.08 1-2. Some of them have told me she was going through the season unbeaten and thus far they have all the best of the argument." Gwendolyn was bred by Hedley Fulton, who also bred Peter Pokoy.

Exeter, Maine, September 14th. Edna Klyo won the 2.16 mixed with Jesse Napoleon winning the second and fastest heat in 2.10 3-4. Among other winners the same day was Don Vernon, who raced here at our Exhibition, and Lilian with Red Hanlin up. The best time made by either horse was 2.13 1-4.

The Rotary Club in conjunction with the Victoria Driving Club will hold matinee races at Charlottetown Driving Park Thanksgiving afternoon October 10th. The proceeds will go to crippled childrens aid.

H. J. Reilly's inability to expertly judge race-track conditions has turned out to be all for the best. He believed a half-hour rain here Saturday made the Thorndike racing strip muddy, picked a mud-runner in the "daily-double" bet and cashed \$8,498.35 on his \$5. wager. And all the time the track was almost lightning fast.

He was the only one of the some 10,000 race fans to pick Winnifred Ann, winner of the first race and Tabson, the supposed mudder, which led home the field in the third, as the twin bet.

Reilly, a middle-aged machinist, was not of the usual run of big bet winners. Majority of them here this season have been unemployed or someone facing mortgage foreclosure on the old homestead. Not so with Reilly, he has been working steadily and remuneratively at his trade, owns his own home, looks stock and barrel. His grown-up children do not need the money to pay for their education, he wouldn't drive a car if he had one.

In fact Reilly told the newspapermen who engulfed him at the pay-off wicket he is a little stumped as to what to do with all the money. He said most of it would be turned over to charity cases. It would not be turned over to organized charitable bodies for doling out. He'd place the money where he found it was most needed.

Reilly's chief hobby is playing the races. A few of the many dollars he unexpectedly fell heir to Saturday had returned to the parimutual machines before he started the happy-footed trek for home. If Barnum was right, quite a number of the other greenbacks should follow suit. (From the Canadian Sportsman).

Recent races in Ontario resulted as follows: Sarnia, Sept. 20. 2.22 Class, Single Pete won, best time 2.15. 2.27 Class Mac Grattan won best time 2.16. 2.15 Class, Mac Pet-ers won best time 2.13 1-2. Three

—POTATO PICKING COMMENCES—Several parties from the west of the province have come down to Freetown and vicinity for the potato picking season, which commenced this week in some sections of Prince County.—S

—CASE ADJOURNED—In the County Court on Thursday at Summerside His Honour, Judge Inman adjourned the case of Thomas Tuplin vs. Earle Reeves and Stanley Casely, action of \$110 for ice taken from ponds near Kensington, until a later date.—S

year old class, Ginger Gratian won best time 2.19. Stratford, Sept. 22. 2.27 Pace, Yankee Harvester won best time 2.15 1-2. 2.18 Pace Tony Mac won best time 2.13. Barré, Sept. 22. Free For All, Blaze Star won best time 2.10 1-2. 2.25 Class Roy C. Todd won best time 2.11 1-2. 2.27 Class, Hal Boy won best time 2.19. Orangeville, 2.30 Class, Danny Boy won best time 2.19. 2.22 Class, Bell private won best time 2.18 1-2. 2.18 Class Peter Togo won best time 2.15 1-2. Collingwood, Sept. 23. Free For All, Jean Gratian won best time 2.13 1-4. 2.24 Class, Just Gratian won best time 2.14 1-4. 2.30 Class, Bud Moko won best time 2.16 1-4.

Quebec City, Que., Sept. 22. 2.24 Trot, Miss Lincoln won best time 2.14 1-4. Classified Pace, Traffic Signal won best time 2.10 3-4. 2.22 Pace Miss Maxwell won, best time 2.15 1-4. 2.19 Trot, Calumet Annabel won 2.15 1-4. 2.17 Pace, Ruth Patch won best time 2.10. Free For All, Andy Frisco won best time 2.11 1-4. Free For All Pace Traffic Signal won best time 2.09 3-4. Five mile race, Angus Peter won, time 11.59 3-4, a new five mile track record.

The Matinee Races this afternoon which have a worthy object in view, to raise some funds towards bringing a hockey coach here, should also provide good sport. The Free For All race with Lucky Lindy, Billy Cope and Volo Rico should be pretty close, if Volo Rico is anything like his right form. He has been off since about two weeks before Exhibition when he took cold and is not really racing in anything like his old time style. It will be remembered that last year he won the third heat over a not too fast track in 2.08 3-4, having chased Eula H. out the previous heat in 2.08, a new track record. Lindy, if recovered from his accident at Charlottetown, will be tough and hard to beat and we know that Billy Cope is good, so it may be a pretty good race.

The next event, the Class B. trot and pace is sure to be a hummer of a race, as Peter Dages 2.12 and Golden 2.12, both right up to the pink of condition, will meet The Willys 2.13 1-2 and Grandma 2.09 1-2, two pacers. Do not make any mistake, this will be a hot race.

The slow class has as starters Mr. Henley 2.17, Johnny Miles 2.24, La Rico, Jollyset and Mr. Squires. These horses are evenly matched and will make just as good a race from the spectators standpoint as the others although the time will not be so fast.

In addition to the above the Charlottetown Riding Club will have some contests between members that will be well worth going to see. The races will start at 2.15 sharp with Ed Acorn officiating.

Minard's—first aid for wounds.
