Berwick And Antigonish Reach Finals

(C. P. by Guardian's Special Wire)
HALIFAX, March 5.—Coming on behind to score three goals in the final period, Berwick Bruins, Central Valley hockey champions, defeated Halifax Suns 5-3 here tonight and blatted their way into the Nova Scotia finals.

The Halifax City champions who had eliminated Wolfville, Valley Antigonish, led 2-0 at the end of the first and 3-2 going into the third but the mercury-footed Bruins rapped home three beautiful counters to take the game and round the latter by a 10-5 total.

Two quick goals at the opening of the first period gave the Halifax champions hope their favorites would overcome the three-goal advantage Berwick had rung up in the first game.

Charlie Capus and Reg Clancy combined to tally at 153 while George Warden, Bruins defence man was serving a penalty he earned also as soon as the game got underway.

Jimmy Smith and Cad Fleming passed their way along for another score at 5:03 and the city team was only one point down. The rest of the period was scoreless but Bruins held the margin of play.

Buzz Sarrinen, who came east from Fort William, Ont. to join the Berwick team, sank the hopes of Halifax fans with two sparkling goals that came on assists by Bligh.

Sarrinen got the first at 8:28 and the second four seconds before the period ended. In between was wedged a lone Halifax counter by Fleming.

Playing coach Walter Lawlor evened the score four minutes after the final period started. Boyce picked up the puck near his own net, skated almost the length of the ice and then passed to Lawlor who's first shot found the goal. Six minutes later the same players combined for another. Boyce getting the score this time.

As the Halifax team played every man up in a desperate attempt to score, Buzz Sarrinen broke away to coast in on Burbridge in the Suns nets for the fifth goal. Foster added another a few seconds later on a similar play but it was disallowed.

DOWN THE BACK STRETCH

Earle Avery won the feature race at the annual winter carnival, Fort Fairfield, Maine, February 4th, with the pacer Horry 2:04 1-4, losing the first heat to Bonnie M. 2:02. The time was 27 1-2, 28 1-2, 29 3-4 secs. for the quarter.

The fastest heat over the ice during the carnival was paced by Dan Grattan, black gelding by Grattan Royal, that won the Frontier Trust Company stake in straight heats, time .30, 28, 30 secs.

Calumet Budlong 2:02 3-4, arrived in Charlottetown from North Sydney Thursday morning. Calumet Bee 2:11 1-4 was bred to him yesterday.

Wendall Wathan is training at Fort Fairfield, Maine, a roally bred two-year-old pacer. The young lad is by Calumet Adam 1:59 3-4 out of Abecia by Abeciale 2:01 1-4, second dam Edna Early 2:02, third dam Regal McKinney, a sister to the dams of Guy McKinney 1:58 3-4 and Scotland 1:59 1-4.

Bangor, Maine, will hold five days racing commencing the week of August 23rd. There will be a free-for-all pace, 2:14, 2:19, 2:24, three-year-old and two-year-old pace, a free-for-all trot, 2:14, 2:17, 2:22, three-year-old and two-year-old trots. It will be just one week after than the Provincial Exhibition, Charlottetown.

Ben White, noted colt trainer, is in Arizona, having gone there to see his son Gibson, who is suffering from Tuberculosis, and confidingly settled. On his return next week the railbirds at Orlando, Florida, expect to see him step a two-year-old trotter a quarter mile close to thirty seconds.

Dr. E. P. Clements, widely known surgeon of Elyria, Ohio, died recently at the Clinic which he established in that city some years ago. He was born on a farm and as a boy had a great love for horses. Leaving the farm he secured work in the city, and possessing great ambition studied at night, finally going in for medicine and graduating with honors. He was very successful in his practice and accumulated considerable money and was then able to indulge in his hobby of owning a good horse.

Among the well known trotters and pacers which he has campaigned are the following: Julia June 2:01 3-4, Senator McKeloy 2:02, Diamond Axworthy 2:02, Dale Direct 2:13 1-2, Senator Boggs (3) 2:04, Guy Junior 2:04 1-2, Calumet Dewey 2:05, Senator Richardson 2:05 3-4. Last season he campaigned Janie Wilson 2:07 1-2, Wilson Frisco 2:01 1-4, Calumet Forger 2:09 1-2, Kathleen Wilson 2:10, and Frisco Watts (3) 2:10.

Just a short time ago he purchased for this season's campaign, King Vagabond (3) 2:09 and Walter Winchell (3) 2:06 1-4. Possessor of the best stable that he had ever owned, the Doctor was looking forward with the greatest delight to the coming summer, but the Grim Reaper stepped in and placed his deadly hand on this very fine man, who was laid to rest in the presence of one of the largest gatherings of people ever seen in Elyria. He was a friend of the poor, and any that required medical attention in that vicinity, or any horseman no matter how far away, was treated free.

Of the fifty stars that have paced in two minutes or better, Canada has contributed seven. Four of these were bred in Ontario—Louis Grattan 1:59, Grattan Bars Grattan 2:00. The other representatives of Canada in this select list are Winnipeg 1:57 3-4, bred in Calgary, Alberta, Kinney Direct 1:59 first shot the light of day in Saskatchewan, and Frankie Boggs, Jr. 1:59 1-4, was foaled at San Hill, Quebec.

The pacer that stepped the fastest mile in Canada the season of 1936 is Grattan Axworthy 2:04 3-4, record taken over a half-mile track. This chap was sold for \$1,000 at the January 1936 ice races in Toronto. He proved an excellent investment as he topped numerous summaries and ended up with the startling mile that gave him his record.

Hon. W. Earle Rowe, M. P., leader of the Conservatives in Ontario, has the honor of owning one of the fastest pacers performing over the Ontario twice-around last season, in Peter Chilcott 2:06 1-4. Earle is a master reinsman and fitter and has bred or raced a large number of good performers, among them Beeton Grattan 2:10 1-4, which he sold to Frank Adams—Halifax, some years ago. Beeton is now in Bermuda, being prepped for the free-for-all by Prof. S. A. Rockford.

Edmonton Foursome In Easy Win

(C.P. by Guardian's Special Wire)
TORONTO, March 5.—Canadian curling supremacy was wrested from Manitoba today with considerable flourish by Cliff Manahan's Edmonton Royals, a newly-assembled unit guided by the maestro who last won the Macdonald's Brier Tankard in 1935.

In a playoff for the championship, the Alberta rink humbled Jimmy Welsh's Winnipeg Deer Lodge title-holders 19-7. Far below the form they showed in winning eight of nine bonspiel matches to tie with Alberta for the leadership, the Welsh curlers were outclassed.

The customary accuracy of Manahan's sniping was absent as Manahan assumed control on the first end. While 27-year-old Jimmy himself made brilliant recoveries, the support of his rink wavered in the crisis. Towards the finish an amateurish inefficiency prevailed.

The astonishing reversal of form, causing a playoff without thrills for one of the biggest galleries in Macdonald's history, closed out a week of curling in which the west's traditional superiority was maintained. Only twice in 11 years has the east produced a winner.

Manahan became the second skip to hold two victories in the classic bonspiel, won in 1928 and 1929 by Gordon Hudson of Winnipeg Strathcona. In seven of the 11 years, Manitoba rinks won. Last year it was a quartet skipped by Ken Watson of the Strathcona Club.

"We were a little off today," Welsh conceded after his overwhelming defeat. "They were too good for us all along." Manahan considered himself "pretty lucky."

He said the Manitobans were obviously below form.

Clicking in every department and playing a game that a desperate Ranger crew couldn't cope with nor match Harry Richardson's Junior Abbies last night swept to the City Junior hockey title and with it the Aitken Trophy when they sent the Rangers tumbling to a 6-3 defeat in the third and deciding game of the finals. It was the Abbies' second straight victory in the best-of-three series, Rangers having won the first encounter by a 3-2 count.

Abbies' victory last night climaxed the sensational comeback the new champions staged in the second game of the series when they came from behind a four-goal lead in the third period to win out in overtime. In last night's final they played like real champions; Rangers, forced to do the pressing after the winners had jumped into an early lead, couldn't match the previous comeback effort of their opponents but they went down fighting hard like the game, courageous crew of puckchasers they are.

Playing a beautiful semi-defensive game Abbies, taking advantage of the breaks forged into a 3-1 lead in the first period; the mercury-footed Richardson team, still holding the upper hand scored the only goal of the middle session on a smart passing play and then as the Rangers opened out wide in the windup chukker, the winners not only held their opponents in check, but managed to split four goals with them.

And so ended the most brilliantly played junior series ever staged in the city. There was little to choose between the two squads in the first two games but Abbies were the masters last night. They made few mistakes and when any did, they were quickly corrected. They offered opportunities of the highest order in taking advantage of them.

The game did not reach the heights of brilliancy of the two former classics but close to 700 fans had plenty to cheer about on the fast-skating display of the youngsters. Immediately after the game, and as the crowd cheered the new champions to the echo, His Worship Mayor Turner presented the beautiful W. R. Aitken Trophy to Captain Eddie Darragh, congratulating him and his teammates and coach on their well-earned victory and also praising the gallant fight they staged in what proved to be a losing cause.

Starting right where they left off in the previous encounter Abbies took but four minutes and 10 seconds to garner a two goal lead. Flannigan skating fast rounded the defence and went in close to blaze the wicket drive into the twines at the four minute mark 10 seconds later Andrew duplicated his mate's feat only this time the shot just slid into the net between the post and the goalie's pad; 30 seconds later, and at the first change of lines Levi Blaquiere put the Rangers into the running as he went into the scoring circle as the Abbies started alone to backhand the disc behind Langille. But at the eight-minute mark Abbies retrieved their two goal lead as Darragh accounted for the fourth unassisted goal of the period. There was still 12 minutes of play in the period but after that scoring outburst the teams couldn't beat the goalies as Rangers did most of the pressing.

Not taking any chances and content to let Abbies carry the play to them Abbies held off their opponents successfully while causing the Ranger rearguard plenty of worry with fast-breaking sorties. At 15:23 of the period as Abbies raced into scoring position Harvey Campbell retrieved the puck just inside the Ranger line and then backhanded a beautiful goal-drive high into the cords. It was the only score of the period and increased the Abbies lead to 4-1.

Ranger hopes were kept alive as McEachern fed forth a scoring pass at 2:07 but before Rangers could score again the winners had shot another brace of counters. The first one was a gift. Eddie Darragh broke through from a game attack; two Ranger players were in position to check him but both raced to cover the wing and Darragh went in unmolested to score easily. Two minutes and a half later Grant broke clear of the pack to go in alone and his high, hard drive just caught the upper corner of the net.

With handy to ten minutes to go and trailing by four goals Rang-

ers sent five forwards out and continually they stormed in on the Abbies but the Abbie defence was beaten only once and Tarky Whitlock shot home the final goal of the game and playoff on a pass from Ab McKinnon.

Eight Clubs Set For Sixth Cup Round

LONDON, March 4.—(CP Cable) Londoners are hoping the capital will have three representatives—Arsenal, Tottenham Hotspurs and Millwall—in the semi-finals for the English football cup after Saturday's games, but the watering on the teams hardly supports their optimism.

At eight clubs prepare for the sixth round, Arsenal is established favorite to lift the trophy at odds of 11-4. Manchester City is quoted at 4-1. Wolverhampton Wanderers 9-2, Sunderland 7-1, Preston North End and West Bromwich Albion 9-1, Tottenham Hotspurs 10-1 and Millwall 20-1.

The Gunners, cup-winners last year, are training at Brighton for their match at West Bromwich. Ted Drake, their sharp-shooting centre-forward is not likely to play through a knee injury, but the crack London squad is expected to win.

It will be a tough battle as the Arsenal is a great cup-fighting team and has reached the semi-finals in the competition on 12 occasions.
