

# SURPLUS-STOCK CLEARANCE SALE

Starts this Morning

## PATONS

Till 1st of February

### FOURTEEN DAYS SELLING FOR SPOT CASH

The circumstances which forced this Sale and made this opportunity for you may never occur again. Remember, A Large surplus Stock Is Not An Earned to any Dealer. So Our Loss Is Your Gain. Come early in the morning for best service, but come anyway. Read down for particulars.

SHARP at 9 a. m. this morning PATONS will start a 14 days sale so as to effect a speedy clearance and attract buyers. They are offering their entire stock at 1-4 and 1-3 less and many lines at half. They want \$10,000 by the first of February. Their buyers who are about to visit the Canadian, European and American Markets need the money to pay spot Cash for their Spring Stock.

The Weather Conditions during Oct., Nov., and December did not put the buyers in the proper spirit to buy Heavy Winter Goods. Many prospective purchasers put off altogether till after the Holiday Season. This Surplus Stock is saleable today, but if carried over till next season will not be so saleable.

REMEMBER! This sale will stop as soon as the required amount is realized. Come Now. Do Not Delay.

Everyone knows that a sale at PATONS affords chances which seldom occur. Those who put off coming early will probably miss many opportunities. Just consider all the offerings made in this advertisement and you'll find many bargains.
