Salts If Kidneys Or Bladder Bother

Harmless to flush Kidneys and neutralize irritating acids.

Kidney and Bladder weakness results from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in avoiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a table spoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

Canadiens Won Easy Victory

MONTREAL, Jan. 18.—Playing back to the form displayed in their Saturday match, Canadiens scored an easy win over St. Patrick's tonight by 9 to 5. The flying Frenchmen toyed with the Toronto defence and outplayed the apposing team at will.

Stuart, the Amherst player, did not make much of an impression, and he was weak on the defensive. Canadiens skated circles round him.

OIL LIGHT BEATS ELECTRIC OR GAS

Burns 94 p. c. Air

A new oil lamp that gives an amazingly brilliant, soft, white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 10 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up, is simple, clean, safe. Burns 94 per cent. air and 6 per cent. common kerosene (coal-oil).

The inventor, G. A. Johnson, 246 Craig St., West, Montreal, is offering to send a lamp on 10 days FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Write him to-day for full particulars. Also ask him to explain how you can get the agency, and without experience or money make $250 to $500 per month.—Adv

PRELIMINARY TO CHALLENGE

NEW YORK, Jan. 18.—Andy Chaney, of Baltimore, received the judge's decision over Charley Bereher, of New York, after a fifteen-round bout at Madison Square Garden tonight. The bout was considered as an elimination contest for the right to meet Johnny Kilbane, featherweight champion, who announced from the ring that he would meet any challenger.

HALIFAX HOCKEY QUITS

HALIFAX, N. S., Jan. 18.—Announcement was made tonight by Manager Joe Garnett, that the Halifax Hockey team would be withdrawn from the Maritime Independent League and disbanded. Inability to obtain players was given as the reason for the move.

Bible Society Gleanings

(By the Field Secretary)

In connection with the recent meetings of the Bible Society held in Prince Edward Island, certain notable features should receive particular attention. In Summerside the meeting was full of interest and enthusiasm. The preparations were thoroughly mde by Mr. J. C. Jardine, the active President of the Society and the part played by the little children in the singing and the drill was a most memorable feature of the program and reflected very highly on all those who had a part in the preparation of this feature.

In Kensington the commodious Mehodist Church was completely filled when on Wednesday evening Mr. Louson and the Field Secretary gave the addresses. Kensington has always been loyal to the Bible Society, and under the leadership of Dr. Darrah the report for the present year is likely to excell all others. Two life members were made at the Kensington meeting.

In Bradalbane the annual meeting of the Prince Edward Island Auxiliary was held on Thursday with W. S. Louson presiding at all the sessions. Most encouraging reports were submitted by Secretary Seaman, Treasurer Sterns Miss Grant and the Field Secretary. All the objectives set before the Society at the beginning of the year were reached, including branches and the bringing up of the contributions to $5,000. According to its population, this is the finest financial showing of any province in the Dominion and one worthy to be recorded in the annals of Bible Society work throughout Canada. To the faithful officers and collectors in all the local branches and to the efficient services of Messrs Louson, Sterns, Seaman and Rev. H. D. Raymond too much praise could bardly be given. The officers and workers in the Charlottetown branch established a splendid record for themselves, and are deserving of the highest commendation. It is a pleasure for the Field Secretary in this brief summary to render honour to whom it is due.
