WHY LIQUID CATARRH REMEDIES FAIL

They go direct to the stomach have very little effect on the linings of the nose and throat, and entirely fail to cure. Only by cleansing the air passages by relieving the inflammation and killing the germs is cure possible. No combination of Antiseptics is so successful as Catarrhozone. In breathing it, you send the richest pine balsams right to the seat of the disease. Irritating phlegm is cleared out, hoarseness, coughing and hacking are cured. For a permanent cure for catarrh, nothing equals Catarrhozone, 25 cts, and $1.00 at all dealers.

—In a private letter received here a few days ago the sad intelligence was received of a death at his home in Antigonish, N. S., of Ralph Harris, son of Mr. Harris, formerly manager of the Royal Bank in Summerside. Deceased had not been in good health all winter and the intention of his parents was to send him on a visit to Cape Breton and P. E. Island as soon as he was strong enough to do so, but he took worse and died on Monday May 4th, death being caused by congestion of the stomach. He was about 16 years of age and was a gentlemanly and well liked boy during his residence in Summerside. He possessed a fine rich voice which was heard many times in different concerts during his residence in Summerside and was also a member of the choir of the Presbyetrian church. His death at his early age will be a shock to his many friends.

WALL PAPER Enthusiasm

People of all classes feel so enthusiastic over the extraordinary wall paper values we are giving this season that there is a continual rush on in this attractive department.

Never, never before did we see such appreciation. The people are fairly delighted with both papers and prices and the tremendous business activity in our wall paper dept, certainly bespeaks **VALUES OF NO ORDINARY KIND.** One prominent citizen remarked recently when making a wall paper purchase, "I have been buying wall papers for the past 20 years and never secured anything nearly as good under twice the price."

It is certainly an extraordinary opportunity to purchase papers, and many property owners are taking advantage of the extremely low prices to thoroughly renovate the interior of their houses.

By being in a position to purchase, for spot cash, one of the largest shipments ever brought to this city, and which were manufactured for a firm in a neighboring Province, who, owing to circumstances, could not get delivery of them—we secured from the manufacturers a price concession which we consider really marvellous.

Many firms would hold these papers for their regular values, as, being extremely good designs they would readily sell for regular prices, but we prefer to share this big snap with our patrons, and as a consequence you can now procure for 25 to 45 cts a roll, papers which would be regularly sold at from 60 cts to 90 cts a roll These are a magnificent range having beautifully blended one band borders to match, and are fit to decorate any room.

Papers which sell in the regular way at from 25 to 50 cts a roll will be sold by us at from 10 to 25 cts a roll. These are unquestionably good values, and many of our best citizens are selecting their parlor, dining room and bedroom papers from among these beautiful designs, as there is nothing cheap about them but the price.

Papers which sell in the regular way at from 15 to 35 cts a roll, you can procure here at from 7 cts to 12 cts a roll. In this lot are dining room, sitting room, bedroom and kitchen papers.

We show altogether about 350 different designs, which include all the fashionable shades, all having beautiful borders to match. A striking proof of their popularity lies in the fact that we have shipped them to almost all points in this Province and have even sent several large bundles to Halifax and other places—having been selected by ladies visiting this city who evidently knew a bargain when they saw it.

We have just added another design to our 7 ct line. This is a regular 25 ct paper, but in order to have a wider choice at 7 cts, we have reduced the price on about 2000 rolls to 7 cts.

Our mail order dept. is a busy spot these days, sending out samples and filling orders. **If parties from outside the City, will just send a postal card, stating for what rooms the papers are required, what shade preferred, and about the price they wish to pay, a generous range of samples will be sent free. Orders are filled same day they are received.** Out of the hundreds of orders sent by mail we have yet to hear of a customer who was not pleased. In fact our papers and prices please everyone—except, perhaps, our competitors—who think our prices too low, but we prefer to please our patrons and undoubtedly we are doing so.

We do not lay claim to years of experience in wall paper buying, which after all counts for nothing, but we do claim to having in our short time in the business completely revolutionized wall paper prices in this City—and to have provided patterns and colorings, which are admittedly the handsomest ever shown here.

We ask for your patronage on merit alone—on the strength of having within a short 12 months reduced wall paper prices from 20 p c to 50 p c besides introducing the flat rates, that is selling bordering by the roll at the same price the side wall papers—instead of by the yard as always here-to-fore sold.

That the public are well aware of this is evidenced by the overwhelming trade we have secured, and are daily adding to in this popular dept.

We have wall papers to suit the classes and the masses, for each and every room, including varnished tile paper for the bathroom and more over we can sell these papers at prices which simply paralize any competition.

Our sample books will be sent and called for anywhere in the City, and generous samples cheerfully sent to any P. Office in the Provinces.

We would counsel an early selection as they are going at a tremendous rate and we cannot hope to duplicate those prices. Make your selections to-day.
