Spectacular Gains In Stocks And Commodities

(By John L. Cooley Associated Press Financial Writer)

NEW YORK, July 3—A sharp drop in dollar exchange and spectacular gains in stocks and commodities reflected the markets' inflationary views of President Roosevelt's statement on currency stabilization today.

With the United States dollar crashing to a new low in terms of the gold standard currencies, the stock, bond and staple markets surged strongly upward. Trading proceeded at a heavy pace.

Shares advanced from \$1 to \$10 on a broad front while wheat closed from 3 1/2 to 4 1/2 cents higher. Cotton was 55 cents to \$1.15 a bale net higher after being around \$2 at the peak. Sterling made a new high at \$4.48 1/4 a week-end gain of 14 3/4 cents, while French francs stood at 5.20 up 1.6 cents.

Roosevelt Holds Cabinet Session At Sea

(By Francis M. Stephenson, Associated Press Staff Writer)

ANNAPOLIS, Md., July 3—In an unusual cabinet session aboard the cruiser Indianapolis in Chesapeake Bay, President Roosevelt went eagerly today into his domestic recovery campaign.

The President received his sea-timid cabinet members after dispatching a note to the London Economic Conference asserting he was not considering currency stabilization until it had been shown that the gold standard nations could maintain that standard.

On the choppy waves of the Chesapeake, the sailor President ordered the opening of a back-to-work movement.

Some observers looked upon it as an indication of Mr. Roosevelt's determination to centre his attention upon domestic recovery.

CRICKET RESULTS

LONDON, July 3—(C.P. Cable)—Fine weather and good wickets generally favored batsmen as a long list of first class cricket fixtures continued today. Four centuries were hung up in the one match at Worcester, three for the visiting team, Gloucestershire, and one for the home team.

Arthur Staples of Nottinghamshire performed the iron man stunt, scoring 113 for his side against Derbyshire and then taking four Derby wickets for less than 11 runs apiece to keep his team well in the lead.

Bakewell also had a century for Northants against Essex, helping the Northants figures to nearly double those of Essex on the first innings.

Closing scores:—
Cambridge 254; M. C. C. 263 at Lords.

Warwickshire 362, Somerset 248 for eight (Burrough 90 not out) at Chelms Coton.

Nottinghamshire 354 and 104 for two (Arthur Staples 113), Derbyshire 244 (Storer 54, Arthur Staples four for 43) at Ekeston.

Essex 275 (Outmore 101, Clark six for 66), Northamptonshire 539 (Bakewell 123, Jupp 95) at Kettering.

Yorkshire 263 and 195 (Mitchell 83; Sutcliffe 1), Surrey 134 and 14 for two (Bovess seven for 68) at Sheffield.

Hampshire 456 (Boyes four for 54) Leicester 235 and following on seven for no wickets (Berry 52, Armstrong 84 not out) at Southampton.

Kent 128 and 288 (Tate five for 28, Todd 83 not out, Wensley four for 75) Sussex 305 (J. Langridge 81, Scott 58) at Tunbridge Wells.

Gloucestershire 541 (Dacre 119, Hammond 112, Barnett 107), Worcestershire 429 for eight, (Walters 114, Nichol 66, Quaife 65 not out) at Worcester.

H. D. Leveson-Gower's eleven 168 and 277, Oxford 146 and 45 for one (Roughtrough four for 21, Peebles five for 44) at Eastbourne.

Seeks To Set Transcontinental Speed Record

LOS ANGELES, July 4—(A.P.)—Rocketing westward from New York to set a new transcontinental speed record from the Atlantic to the Pacific, Col. Roscoe Turner, veteran racing pilot of Hollywood, won the cross-country dash of the national air races with a time of 11 hours, 30 minutes.

Half an hour behind him came Jimmie Wedell, the New Orleans plane designer and speed pilot, to take second place.

Turner's flight on Saturday broke his own record by one hour, three minutes, and Wedell was 33 minutes ahead of the mark the Pacific coast pilot set last fall.

Relieves Asthma at Little Expense—Thousands of dollars have been vainly spent upon remedies for asthma and seldom, if ever, with any relief. Dr. J. D. Kellogg's Asthma Remedy, despite its assurance of benefit, costs so little that it is within reach of all. It is the national remedy for asthma, far removed from the class of doubtful and experimental preparations. Your dealer can supply it.

PERLEY SEES STORM CLOUDS BREAKING

Acting Prime Minister In Optimistic Dominion Day Message.

(Canadian Press)

OTTAWA, July 4—"The storm clouds are breaking," said Sir George Perley, Acting Prime Minister in a Dominion Day message to the Canadian people broadcast last night over a nation-wide hookup.

"On this Dominion Day," he said, "I think we can say truthfully the storm clouds are breaking. But as we come out of the shadows, with our national unity and our political stability unimpaired, with our confidence in our own destiny undimmed, and with our determination to achieve that destiny as strong as ever, we must not forget there can be no true prosperity, individual or national, which is not based on the homely but eternal virtues of thrift and industry, courage and integrity. 66th Anniversary

"We are celebrating today the 66th anniversary of the confederation of the British North American colonies, which took place on July 1, 1867, the birthday of our Dominion. This was an event not only of vital importance to our own people, but also of significance to the world at large. For it was a daring adventure in political organization; an effort to apply the Federal principle in such a way as to reconcile unity and liberty to a group of colonies, inhabited by peoples of different races and with different governmental traditions.

"The wisdom and courage of the Fathers of Confederation has been justified in the development of those scattered and unimportant colonies into the present Dominion of Canada; a state extending from the Atlantic to the Pacific and from the 49th parallel to the North pole; with a population of over 10,000,000 people and with achievements in peace and in war which give it a distinctive place in the assembly of nations.

"I believe in calling a spade a spade," said the emphatic person. "That's right, friend," replied Broncho Bob. "There was a man who nearly lost his life here by getting into a game 'n' tryin' to call a spade a club."—Washington Evening Star.

Pleasant Function

On Friday evening, June 23, the hospitable home of Mr. and Mrs. Frank Jardine, of Bradalbane, was the scene of a very pleasant function, when the congregation of Bradalbane and Rose Valley sections of the United Church gathered to do honor to the Rev. Thos. Palethorpe, and family, previous to their departure to Winsloe, to which charge Mr. Palethorpe has been called.

In the presence of a large gathering, the meeting was called to order by Hugh F. MacKay of Bradalbane, when the following address was read by Thos. C. Gillis, of Rose Valley:

To Rev. Thos. Palethorpe, Bradalbane United Church.

"Having learned with regret that you intend to leave us, we, members of the Bradalbane and Rose Valley sections of your congregation have gathered tonight to bid you farewell. During the period of your pastorate here, ties of friendship have been formed which separation can never unloose.

We shall indeed miss you; not only your thoughtful addresses from the pulpit, but your welcome visits to those of us who were sick, your kindly personality and your warm interest in every phase of our lives.

To Mrs. Palethorpe too, we must reluctantly say goodbye and must remember Miss Palethorpe and her capable work as organist in our church for a number of years.

We have here, Mr. and Mrs. Palethorpe, a small gift (here Mr. Palethorpe was handed a well filled purse) which we beg you to accept. We wish you to regard this as a token of our appreciation of your efforts among us and our good wishes for your continued success in your new field of labor. And may the God of Peace, that brought again from the dead our Lord Jesus, that great Shepherd of the Everlasting Covenant, make you perfect in every good work to do his will, working in you that which is well pleasing in his sight, through Jesus Christ, to whom be glory for ever and ever.

The Reverend gentleman feelingly responded to this evident token of esteem and appreciation, this being the third time within four days that Mr. Palethorpe had been the recipient of tangible expressions of kindness and gratitude by the people over whom he ministered, and to whose hearts he has endeared himself. Winsloe is to be congratulated in its choice. Speeches were made by Elders J. F. Graham and M. A. Nicholson, both of whom referred to the kindly relations which had existed between Pastor and people, expressing remembrance of the impending departure of Mr. Palethorpe, who had spared not himself in his efforts to minister to their needs. Refreshments were then served by the ladies, after which all enjoyed a delightful sing song, led by the combined choirs of the above churches.
