ABBIES LOSE FAST GAME TO BEAVERS 5-2

Islanders Bag Two Counters In Third To Avert Shutout

Saint John Victory Draws Them Up On Even Terms In Standing With Local Team.
(C. P. By Guardian's Special Wire)
MAINSTAY JOHN, N. B., Nov. 16—In the fastest match seen here to date this season Saint John Beavers upset Charlottetown Abbies by a 5-2 score tonight and tied the Islanders for third place in the Maritime Hockey League.

A third period Abegweit surge saved the invaders from a whitewashing. Gettiffe and Renaud scored unassisted after Farrell shot the fifth tally for Saint John. Two goals in the first period and another brace in the second gave the Beavers a comfortable lead.

Play was fast and wide open in the initial session, with neither team showing any marked superiority. Saint John was greatly superior in the second period, dominating most of the play. Weariness was evident in the third, when Charlottetown continuously sent five or six in the ice in desperate attempts to overcome the heavy lead established by Beavers, who had an edge in this period also.

Monson, one of the numerous "Big Four" players whose positions are threatened by refusal of the Canadian Amateur Hockey Association to sanction transfers made since January 1, again started for Beavers tonight.

The smooth-working centre, with only the goalie to beat, opened the scoring by shooting one past Sargent from close in. Using five forwards while Farrell was serving a penalty, Abegweits were left behind in Saint John territory at the time. Beavers started the period with their second line.

Saint John's second goal was a combination effort behind the Charlottetown blue line. Donald and Houston to Donald, who back-handed the puck into the drapery. Brennan almost scored for Charlottetown when Marshall fell between his goal posts. The rubber was rolling in but Farrell batted it out in time.

Farrell made it 3-0 when he broke away and fooled two defences. The fourth counter came just before the period ended, following a face-off and mix-up in front of the Charlottetown net. Beaton, assisted by O'Leary and Monson, scored from a point close to the goal posts.

Beavers had a wide margin on the play in this period. Marshall took only five shots to stop while Sargent checked 13. There was little heavy checking but a great deal of tripping and stick holding. When the Abbies did have chances to score their shots were erratic.

After Monson helped Farrell to make it 5-0 in the third, Gettiffe and Renaud shot the brace of well-earned, unassisted goals for Abegweits. Renaud's was an end to end dash. While Gettiffe secured the puck and tried to stop the last few minutes, Charlottetown continuously used five forwards. On one occasion when these players were caught up the ice Currie saved a probable score by throwing his stick and hitting Sargent. The latter had only Sargent to beat. Currie went to the cooler for five minutes. Sargent made a number of good saves on the occasions when Beavers broke away from the five-man offensive plays of Charlottetown.

HAWKS FORGE TO FRONT WITH OVERTIME VICTORY

ASSOCIATION TO CONTROL TRACK, FIELD

A. A. U. Shifts Responsibility Onto National Track And Field Body.

(C. P. By Guardian's Special Wire)
TORONTO, Nov. 16—The Amateur Athletic Union of Canada decided tonight to give up its chief hobby—track and field—to direct control of a National Track and Field Association that will work in close harmony with the A. A. U.

The British Columbia, Southwestern Ontario and Central Ontario branches sponsored the proposal. Personally opposed to the whole business, A. E. H. Coo of Winnipeg, a noted all-round track performer himself two decades ago, presented a favourable resolution by his track and field committee. The convention quickly adopted the resolution and recommended that the Track and Field Association be formed.

The A. A. U.'s action leaves the amateur body virtually without first-hand control of any branch of sport. Like hockey, baseball, lacrosse, football and other sports, track and field will be regulated by its own leaders. The A. A. U., which also has a resolution before it to place boxing under separate control, is on the point of becoming just a registration organization.

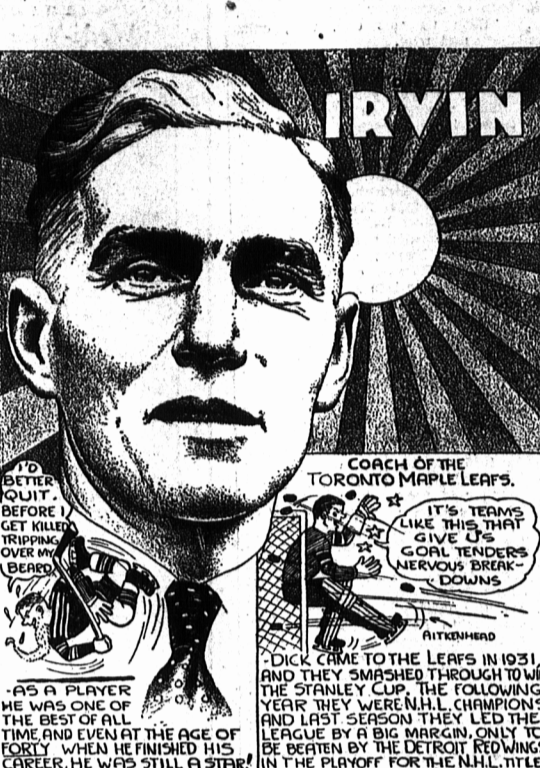

A proposal to form a boxing association has yet to be dealt with by the convention. Observers believed it has only a slender chance of success this year.

Dr. A. S. Lamb of Montreal was named provisional chairman of the track and field body for one year. The committee's resolution stipulated that one representative from each A. A. U. branch will form a committee to carry on the work of the new association until a set of officers are elected a year from now.

F. J. Mulqueen, veteran chairman of the Olympic and British Empire Games Committee, played almost a lone hand in opposing the resolution from the floor of the convention. He saw the possibility of the A. A. U. "going by the boards" if it gave up control of track and field and predicted "it is the beginning of the end for the A. A. U."

James I. Morkin of Winnipeg, a former president, reported unfavorably on a motion that the A. A. U. should become a corporate body. "I don't think the union has sufficient money at present to incorporate. If we incorporate all we are doing is guarding the name."

COACH OF THE TORONTO MAPLE LEAFS.
IT'S THEIRS TO WIN THIS GAME. I'VE GIVEN GOAL TENDERS NERVOUS BREAK-DOWNS.
-AS A PLAYER WE WAS ONE OF THE BEST AT THE AGE OF 17 WHEN HE FINISHED HIS CAREER. HE WAS STILL A STAR!

Along The Sidelines

DRASTIC ACTION OF C. A. H. A.
DECISION OF THE C. A. H. A. registration committee not to grant any branch to branch players' transfers leaves the future activities of the "Big Four" League in a state of uncertainty.

THE DECISION WILL be a severe blow to the local team. It had been felt all along that the players in question had abided by the rules governing the Constitution of the C. A. H. A. and it would only be a matter of having the transfers signed. Local officials certainly looked upon it in this light and it seems too bad if they are to be deprived of their services at this date.

BEAVERS AND ABBIES PUT ON GREAT SHOW

EVIDENTLY ST. JOHN Beavers are a mighty hard team to beat on home ice, or on any surface for that matter. Press reports give them the edge over the Abbies in last night's game and a squad that can outplay Harold Gross' crew judging by the form they have been displaying lately, must have plenty of hockey prowess in their lineup.

BEAVERS PUTTING ON A GREAT GAME. Hawks and Wolves failed to impress Halifax fans. No doubt, with leadership of the Joop at stake the tilt turned into a semi-defensive affair with neither team willing to take chances.

POOR GAME AT HALIFAX
WHILE THE ABBIES and Beavers were putting on a great game, Hawks and Wolves failed to impress Halifax fans.

LADIES BRANCH OF GOLF CLUB REVIEW YEAR

Mrs. H. E. Miller Re-elected President At Annual Meeting.

The annual meeting of the Ladies Branch of the Charlottetown Golf Club was held in the Canadian National Hotel last evening at 8 o'clock with Mrs. H. E. Miller, the president in the chair.

SPORT BRIEFS

Reggie McNamara is known as the "Iron Man" of the six day bicycle game. Last Sunday he started his 112th six day race at Chicago, as a celebration of his 50th birthday.

McNamara was born in Australia of Irish parents and rode for five years there before coming to the United States where he soon became the leading figure in the annual grinds of Madison Square Garden and other centres.

When he finishes his race at Chicago tonight he will have ridden approximately 160,000 miles, or more than six times around the world.

McNamara's ability to keep on year after year in his favorite sport is to his fifteenth year is indeed remarkable. There are other cases on record of longevity in sport such as Clarence De Mar, the great Marathon runner, who is in his 46th year.

Deciding Counter Shot By Irvine Early In Overtime

Winners Gained Two Goal Lead Early In Game But Are Forced Into Extra Session By Fighting Wolf Pack — Foster Injured.

(C. P. By Guardian's Special Wire)
HALIFAX, Nov. 15, Moncton Hawks Allan Cup holders, took the lead in the Maritime Hockey League tonight by defeating Halifax Wolverines, their closest rivals so far, 3-2 in an overtime game.

The Canadian champions missed speedy Dud James from their lineup and goalie Jimmie Foster was forced to withdraw from play after 11 minutes of the first period with a large gash over his right eye, received in a scramble in front of the Hawks' goal. He was relieved by "Street" Kuhn.

Racing up and down the ice for the most part of the game, Nucks Irvine proved a stumbling block in the path of the Halifax boys and then took Medinski's rebound to fool "Daddy" Bubar for the winning tally after four minutes of overtime had been played.

Bill Gill served four penalties in the 70 minutes of rough-and-tumble hockey but upset the Wolves in his mid-season form. He proved the mainstay of the Moncton defence, which was almost airtight.

The Canadian champions played their usual game—making their opponents carry the play to them and then swooping in for goals at the slightest opportunity.

Referee Sallor Herbert handed out 18 penalties and was lenient at that. Sticks were carried high and elbows and knees used freely. "Daddy" Bubar kept the score down far below what it might have been with his spectacular work behind the defence of the two Franks, Lavigne and Graham, while MacGlashen proved the most effective forward for the Wolves, scoring one goal and missing several others only by inches.

Foster was injured after 17 minutes of play, an inch gap being opened over his right eye during a mixup in front of the Moncton net. Kuhn substituted into the dressing room, offered his services, and with the permission from the Wolverine management, went out to play a great game.
