—The Empress arrived in Summerside Saturday evening at six fifty, she had about one hundred and twenty-five passengers going over and about fifty returning in the evening.

—Citizens who are in the habit of bathing on the shore in the western part of the town of Summerside will take notice that there has been added to the large amount of rubbish already there 150 broken bottles. Police officer Phillips destroyed these bottles with their contents on Saturday by order of the Police Court, it being a quantity of beer confiscated some weeks ago and which was above the standard three p. c.

—The Methodists of Summerside intend holding their annual Sunday School picnic on Wednesday, August 4th, on Mr. Callbeck's farm, Linkletter. This is an ideal spot and promises a rare pleasure day to all who will attend. The usual picnic sports and games will be indulged in and prizes given to the winners. A pay table will be on the grounds for all visitors and friends. Should the day prove unfavorable it will take place on the day following.—W. N. —H. J. Richardson of the General Electric Co., Schenadhy, New York, who has been on the Island for the past few weeks, left on return to his home on Saturday. Forty years ago Mr. Richardson was conducting a general clothing store in Summerside, having come here from New Brunswick. After remaining here for about ten years he moved to the United States. Since then he has never forgotten old friends in and around Summerside and has made frequent visits to the province always taking much interest in the improvements going on throughout the country. He says there is no where to be found so many beautiful farms and fine residences as are seen on Prince Edward Island. The hospitality of the people and the beauty of the scenery cannot be surpassed, and he hopes yet to make many visits to this, the best spot on earth to spend a summer vacation.

years our home has never been without Nerviline. I had a dreadful attack of epid, that settled on my chest, that fourteen different remedies couldn't break up. I rubbed on Nerviline three times a day, used Nerviline as a gargle, and was completely restored. I have induced dozens of my friends to use Nerviline and they are all delighted with its wonderful power over pain and sickness.

Cold On The Chest

Had Suffered for Weeks Used Fourteen Different Remedies Without Effect.

Cured Quickly By "Nerviline"
 No stronger proof of the wonderful merit of Nerviline could be produced than the letter of Miss Lucy Mosher, who for years has been a well-known resident of Windsor, N. S.

"I want to add my unsolicited testimonial to the efficacy of your wonderful liniment, "Nerviline." I consider it the best remedy for a cold, sore throat, wheezing tightness in the chest, etc., and can state that for years our home has never been without Nerviline. I had a dreadful attack of epid, that settled on my chest, that fourteen different remedies couldn't break up. I rubbed on Nerviline three times a day, used Nerviline as a gargle, and was completely restored. I have induced dozens of my friends to use Nerviline and they are all delighted with its wonderful power over pain and sickness.
