Do Your Meals Fit?

Do You Feel Snug and Comfortable Around Your Waist Line After a Hearty Meal.

Did your last meal taste deliciously good to you, and did you eat all you wanted? Could you have patted your rotundity in glee and felt proud of your appetite and of your good strong stomach? Do you feel rosy now because your last meal gave you no inconvenience whatever? If not, you have dyspepsia in some form, and probably never realized it.

If you have the least trouble in your stomach after eating, no matter how little or how much you eat, there is trouble brewing and you must correct it at once.

Most all stomach troubles come from poor, weak scanty gastric juice, that precious liquid which ought to turn your food into rich, red blood.

If you have nausea, your gastric juice is weak. If you have sourrisings or belchings, your food is fermenting; your gastric juice is weak. If you have loss of appetite, your gastric juice is weak. If you have a bloaty feeling of aversion to food, your gaustric juice is weak.

You need something in your stomach to supply the gastric juice which is scanty and to give power to the weak gastric juice. Stuart's Dyspepsia Tablets do this very thing.

Now think—one grain of one of the ingredients of these wonderful little tablets digests, 3 000 grains of food. They are several times more powerful than the gastric juice in a good, strong, powerful stomach. They actually digest your food for you. Besides, they increase the flow of gastric juice, just what you need to get all the good possible out of everything you eat. You will never have that "lump of lead" in your stomach nor any other stomach trouble after taking Stuart's Dyspepsia Tablets. Then everything you eat will be digested, it will give you strength, vim, energy and a rosy disposition. You'll feel good all around your waiste line after every meal and it will make you feel good all over.

Stuart' Dyspepsia Tablets will make you feel happy after eating a good, hearty meal. Take one or two after eating. You'll feel fine—then your meals will fit, no matter what or when you eat.

We want to send you a sample package of Stuart's Dyspepsia Tablets free of charge so you can test them yourself and be convinced. After you have tried the sample you will be so satisfied that you will go to the nearest drug-store and get a 50c box.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

Canada No Longer a Colony—May Become the Greatest Nation in the World, Says the London Standard.

LONDON, Oct. 7.—The Standard publishes an able article by A. J. Dawson, entitled "Canada, the Nation", wherein he says Canada's message to Great Britain is a desire to take her rightful share in Imperial affairs. The Standard takes the title as the text for a lengthy editorial, regretting that although Canada is no longer a colony, but has taken her place in the arena of nations, the fact appears not yet to have received complete recognition.

"Canada's future is the future of a great nation," continues the paper, "but it rests with the Dominion to make herself not only a great nation, but as the head and elder federation of British oversea nations, perhaps the greatest nation in the world."

After making a powerful plea for Imperial federation on partnership lines, decisive action on which question cannot be delayed, the Standard concludes: 'Each partner in the big concern undertakes the particular branch wherefore it will be best qualified. So far as Britain is concerned, the best service Canada can perform is to help to employ its people. We, therefore, suggest that the Dominion next spring should charter a fleet of steamers and invite emigrants and give them a free passage. A better knowledge of what Canada means to us and what we may mean to her must result. It is a lack of knowledge which causes most of our difficulties.

ROYAL WELCOME FOR BRODEUR

Thousands of Persons Greeted the Minister of Marine on Return.

MONTREAL, Oct. 7—Hon. L. P. Brodeur was treated to a right royal welcome yesterday as he sailed up the Richelieu, when every parish for forty miles from Sorel to his home in St. Hilaire vied with each other in the heartiness of the welcome. The Minister of Marine, accompanied by Hon. R. Lemieux and Hon. J. Bureau, reached home at four o'clock, and a meeting was at once organized. Both Ministers delivered brief speeches, which were cheered by two thousand people from the City and three thousand from the country. The demonstration was the largest ever held in a country district for a long time.

Sir Wilfrid Laurier reached Hilaire at six o'clock.

PROF. DEWAR'S DOG AND CAT CIRCUS.

It is an European act, and the remarkable feats performed by the little quadrupeds go to to prove the cleverness of their trainer. In the act there are sixteen dogs and seven cats, and one and all show intelligence seemingly beyond the brute creation.

DELMORE AND ONEDA.

As they style their act in French "La Parche Equipose" we prefer to read U. S. A. and say "the Balancing Perch."

That this act is accomplished by this clever attractive looking couple is without gainsay, and is a most wonderful exhibition of gymnatic daring.

MLLE ELLA RICHARDS.

DETROIT WINS LEAGUE PENNANT

American Players Defeated St. Louis by Score of Ten to Two.

ST. LOUIS, Oct. 7—Detroit on Saturday won the American pennant by defeating St. Louis 10 to 2. Up to the fourth inning Powell held Detroit safely, no one reaching second base, but in the fourth, Cobb's triple started a batting bee that sent Jones across the plate in that inning and so worked on Powell that two basses on balls, two triples and a double were marked up for Detroit in the fifth, netting five runs. After the disastrous fifth the result of the game was never in doubt.
