Sacred War Memories Recalled Today

Observance Of Armistice Day In Great Britain

Customary Procedure To Be Followed At Cenotaph, London, And Other Centres.

LONDON, Nov. 10.—Arrangements for the commemoration of Armistice Day in England this year are much on the lines of those followed on earlier occasions. The two minutes' silence will be observed throughout Great Britain. All traffic, except that on the railways, will come to a standstill.

The King and Queen and the Prince of Wales will be present for the observation of the silence at the Cenotaph at 11 a. m. on Wednesday. The Queen and other ladies of the Royal Family will witness the ceremony from windows overlooking the Cenotaph.

Detachments of the navy, the army, and the Royal air force, and the merchant navy and fishing fleets, together with a contingent of ex-service men and women will form a hollow square at the Cenotaph. Music will be played by the bands of the brigade of Guards between 10.30 and 11 a. m.

The choir of the Chapel Royal, supplemented by members of the Westminster Abbey special choir, will assemble at the Cenotaph, and the Bishop of London will conduct the service.

Shortly before 11 a. m. a wreath

will be placed at the base of the cenotaph by the King. The Prince of Wales will also deposit a wreath and wreaths will subsequently be laid on behalf of other members of the Royal Family. On the first strike of 11 a. m. being sounded by Big Ben two minutes' silence will be observed.

At St. Paul's, after a service inside the Cathedral, the silence will be observed on the steps, where buglers will sound the Last Post. There will also be the usual special service in Westminster Abbey.

"FORMER AGITATOR" SURPRISE PACKET AT TRIAL

Sgt. John Leopold of the R. C. M. P., who for seven years posed as an active member of the Communist party in Canada, is star witness at the trial in Toronto of nine Communists on charges of being members of an illegal body. During cross-examination in the witness stand it was brought out that Leopold had even been arrested once during his "undercover" work during a demonstration.

Big Demand For Poppies

(Canadian Press)
MONTREAL, Que., Nov. 10.—A Royal Canadian air force plane returned to Ottawa this afternoon loaded with a cargo of Remembrance Day poppies for sale in the Capital. When the supply being distributed to sellers in Ottawa ran out this morning the plane was rushed to Montreal for additional supplies.

Thirty thousand poppies were rushed over to St. Hubert air field and as many as possible loaded into the plane, the remainder being put aboard a train.

COMMUNIST PREDICTS REVOLUTION

Red Leader On Trial In Toronto—Rebuked By Presiding Judge.

(By Jack Hambleton Canadian Press Staff Writer)

TORONTO, Ont., Nov. 10.—Tim Buck, acknowledged leader of the Communist party in Canada, outlined the aims and objects of the party in a three-hour address before the County of York fall assizes this evening, as the trial of himself and eight others was drawing to a close. Both crown and defence concluded their evidence today, and when court resumes Thursday all that remains are the addresses of Hugh John MacDonald, defence counsel; Norman Sommerville, K. C., special crown prosecutor, and Mr. Justice Wright. Then the "twelve good men and true" of the jury will consider the evidence, and render their decision.

One of the accused, Mike Golinsky, was discharged today when the crown asked that this action be taken. Golinsky had been an organizer for the Young Communist League, he admitted, but had never joined the major party.

The eight remaining, who will probably hear their fate Thursday, are Buck, Tom Ewen, John Boychuk, Amos T. Hill, Malcolm L. Bruce, Samuel Cohen, Mathew Popovitch, and Thomas Cacic. All have been tried on charges of being and acting as members of an unlawful association and with being parties to a seditious conspiracy.

Mr. Justice Wright, presiding.

Very Large Attendance Expected At Ceremony At Soldiers' Monument

Two Minutes' Silence, Central Feature Of Programme, Will Be Observed Throughout British Empire And Other Parts Of The World.

Observance of the thirteenth anniversary of the Armistice, which brought to a conclusion the bloodshed and misery of the Great War, will be general throughout the British Empire and other parts of the world today. In Charlottetown, as usual, the ceremony will take the form of a special service at the Soldiers' Monument, the central feature of which will be observance of the two minutes' silence at 11 o'clock. It is hoped that a very large and representative number of returned soldiers and citizens will take part in the ceremony, thus paying tribute

to the memory of those who made the supreme sacrifice in the War.

It is expected that the authorities will take precautions to see that all traffic is suspended during the two minutes' silence, and that there will be no distracting noises to mar the effect of the interlude of silent reverence.

The program of the Canadian Legion, B. E. S. L. service at the monument is republished from yesterday's Guardian for the convenience of our readers.

CANADA WILL NOW MAKE HER OWN COINS

Will Assume Full Direction And Control of the Mint, Located In Ottawa, On December 1st.

(Canadian Press)

OTTAWA, Ont., Nov. 10.—Canada will assume full direction and control of the mint located in Ottawa at the beginning of December next. For many years the mint here has been operated as a branch of the Royal Mint in London. Last session, however, the Canadian Parliament passed legislation transferring the control of the mint to Canada and this has now been formally recognized in a royal proclamation in the London Gazette discontinuing the branch of the royal mint of Canada.

Finance Department officials said this evening that there would be no change in the operation of the Ottawa mint as a result of the transfer. Canada will now have full charge of making her own coins. Provision was made in the estimates last session for carrying on the work, and the staff has already been taken over. The mint will continue to operate in the same way as it has done for many years.

New Metal Alloy Will Replace Tempered Steel

(Canadian Press)

MONTREAL, Que., Nov. 10.—After two years of experiment and research, a Montreal firm today announced perfection of a new metal alloy to replace tempered steel tools for cutting and turning processes in industrial plants. The new metal, with extremely durable cutting edge, has been formed from a combination of metal carbides.

In an experiment today, a steel tool used for turning ordinary cast buttons turned only 20 buttons before it was necessary to have it re-ground. The new invention was then attached and turned out twenty gross of buttons without showing any signs of dulling.

Canada Striving To Keep The Faith

Former Minister Of National Defence Delivers "Canada's Remembrance Day" Address Before Montreal Service Club.

MONTREAL, Que., Nov. 10.—(By the Canadian Press)—Out of the smoke and grime of battle, starting in 1914, Canada emerged a nation with a national pride, a national consciousness and a national soul, and although her political birthday was July 1, 1867, her national birthday of full and acknowledged nationhood might well be November 11, 1918. Hon. J. L. Ralston, K. C., former Minister of National Defense, stated in his address, "Canada's Remembrance Day," before a service club here today.

NEW OBJECTIVE

The last thirteen years have seen more concerted and aggressive effort than any century in history to find and perfect some peaceable means of settling international disputes, continued Mr. Ralston. "We must hold the line now, for some of these days the zero hour will strike, and we will be up out of the mud, over the top and away to a new objective," an objective of international accord.

"It is futile, however, to give lip praise and remembrance to those who have fallen, forgetting meanwhile those whom they have left in our care," he added.

KEEPING THE FAITH

"Pensions are being paid to more than 25,000 dependents of those who lie in Flanders Fields, amounting to an annual sum of \$11,000,000. Today, too, Canada pays pensions to

nearly 75,000 disabled or partially disabled ex-soldiers, including allowances on account of their wives, children and parents, numbering

FOR THE FALLEN

With proud thanksgiving, a mother for her children,
Britain mourns for her dead across the sea.
Flesh of her flesh they were, spirit of her spirit,
Fallen in the cause of the free.

Solemn the drums thrill: Death august and royal
Sings sorrow up into immortal spheres,
There is music in the midst of desolation
And a glory that shines upon our tears.

They went with songs to the battle, they were young,
Straight of limb, true of eye, steady and aglow,
They were staunch to the end against odds uncounted,
They fell with their faces to the foe.

They shall grow not old, as we that are left grow old,
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them.

They mingle not with their laughing comrades again;
They sit no more at familiar tables of home;
They have no lot in our labour of the day-time;
They sleep beyond Britain's foam.

But where our desires are and our hopes profound,
Felt as a well-spring that is hidden from sight,
To the innermost heart of their own land they are known
As the stars are known to the Night;

As the stars that shall be bright when we are dust
Moving in marches upon the heavenly plain,
As the stars that are starry in the time of our darkness,
To the end, to the end, they remain.

Is On Trial Charged With Manslaughter

(Canadian Press)

NEWCASTLE, N. B., Nov. 10.—Charged with manslaughter in connection with the death of little Everett McLaughlin, son of Mr. and Mrs. Archibald McLaughlin of Chatham, Kelper Jones, Moncton pedlar who operated along the north shore of the province, faced Mr. Justice Byrne and a jury to stand trial.

Two witnesses, called by the Crown, were heard this morning. They were Edith McLaughlin, sister of the dead boy, who was with her brother at the time he was supposed to have been struck by Jones' car on September 16, and Andrew Kane, one of the first persons to see the boy lying on the road.

The highlight of the evidence was provided in cross-examination of the little McLaughlin girl, who stated that her father had told her what to say when she was called to the stand.

George McDade, M. P., and John Creaghan are appearing for the Crown, while E. R. MacDonald of Shediac and Roscoe H. Allen of Moncton are representing the defendant.

Bold Robbery

(Canadian Press)

TORONTO, Ont., Nov. 10.—An armed robbery in broad day-light gave three men a haul of \$2,364 here today. Driving in an automobile alongside Stanley Jones, cashier for Bredin Bread Company, the three men held him up at the point of a gun, seized the payroll he was carrying, and escaped.

Jones was returning from the bank along Spadina Road when the robbers drove up. One of them alighted and pointed a gun at him, while another struck him a blow on the back of the head with the butt end of a revolver. As Jones fell to the sidewalk, his assailants grabbed the money and drove away. Other motorists came to Jones' assistance and rendered first aid. Police have the license number of the bandit

car to add them to their records.
