Prof. Harrington with a carefully selected company of entertainers will open a short engagement in Market Hall, Summerside commencing this evening, every thing refined and up-to-date. The Daily Patriot speaking of the company says "Prof. Harrington with his company of entertainers, before a good sized audience in the Lyceum Hall last evening, provided abundance of mystery, music, melody and a continuous round of wholesome merriment. Prof. Harrington as a magician is without doubt one of the best that has ever been in this city. Zeva, the juggler, performed a number of difficult and amusing feats, some of which were new in Charlottetown. He is certainly a master of the art. D. Raskins in his funny specialties kept the audience in good humor. The moving pictures were excellent and the illustrated songs as sung by Hal Chapman were greatly appreciated. Mme. Zenita in her graceful transformation dance delighted everybody, the colored effects being extremely fine. The Company will perform again tonight with an entirely new change of program." Mr. Harrington is one of the best known show men that visits Canada and has a reputation second to none, giving good clean wholesome amusements that all can attend. As a magician he ranks with the best in the profession, and the only magician now before the public following the old school of sleight of hand. With him is the only Zeva comedian and character artist Mlle. Zenita, Butterfly dancer and vocalist, Hal Chapman, D. K. Raskins, Joe Adams from London, Eng. ## Artistic Autumn Millinery

We invite the ladies of Charlottetown and surrounding country, to call and examine our peerless display of novel and alluring high-class Millinery. We do not purpose holding a formal millinery opening this season, but all are welcome to come when it suits their convenience, and see the fascinating head-wear gotten up by our own milliner.

### MISS M. MURNAGHAN,

who, since her return from the Fall Millinery Openings abroad has been busy putting into effect the newest and best ideas stored up while away.

The ladies are loud in their praise of the work shown, which, when compared with imported models, more than holds its own, and is, we venture to say, the prettiest and most artistic collection of popular priced Millinery yet shown in the City.

All the newest shades and trimmings are in evidence, and one is bewildered by the variety of the season's shapes, as well as by the ingenuity displayed in their adornment. A novelty in the tricorne shape, is made of navy blue PANNE Velvet, with cut steel head band and black ostrich plume, which sweeps gracefully over the flared brims. Price \$10.60.

A charming hat of somewhat similar shape is of black PANNE Velvet, with chenille finished brim, a huge bird adorns the front while another of smaller size rests beneath the brim on the left, which, with cut steel ornaments makes a most delightful creation. Price only \$7.60.

Another is a Mahogany colored picture hat with shirred facing of the new FRAMBOISE shade trimmed with wings, cut steel ornaments and ribbon to match the brim, a very beautiful and artistic hat. Price \$6.17.

A hat of castor furry felt, torpedo shape, trimmed with pale blue and castor velvet with pale blue pompons is decidedly chic and not expensive. Price \$5.98.

Another most beautiful and picturesque hat, with crown in the oyster shape is of black PANNE velvet, the entire crown and brim being finely shirred, three Prince of Wales tips nod to the left, which, with cut jet head band and ornaments complete a hat which is the acme of style and good taste, price \$9.85.

Still another charming example is of the new Victorian or "bottle green" shade with black coq plumes and jet ornaments, while others show a dash of COQ DE ROCHE or reddish orange shade which is now so fashionable.

The trimmings this season surpass anything we have ever shown, and comprise plumes in black, white and shaded, whole birds, paradise feathers, tips, breasts and quills, buckles and ornaments in jet, cut steel and jewelled,—altogether we are prepared for the largest Millinery trade in the history of the store.

In addition to our usual staff of Milliners we have secured the services of Miss Minnie Malone well and favorably known to the ladies of Charlottetown, being for some time head milliner with Beer Bros. and other firms in this City, and who has lately carried on a millinery business in Tignish. She takes charge of the Ready-to-wear and trimmed Millinery, helping customers to select, taking orders, and making changes if necessary, to suit individual purchasers.

Being thus equipped with a magnificent stock and a staff of the best Milliners in the Province, we are prepared to fill all orders promptly and satisfactorily.

See our show window for samples of work done by Miss Murnaghan and staff.
