Had a Distressing, Tickling Sensation in The Throat.

COULD NOT SLEEP AT NIGHT.

Dr. Wood's Norway Pine Syrup is rich in the lung-healing virtues of the Norway pine tree. It is a pleasant, safe and effectual medicine that may be confidently relied upon as a specific for Coughs, Colds, Bronchitis, Hoarseness, Sore Throat, Quinsy, and all Throat and Lung Troubles. It will stop that tickling in the throat which causes the dry cough that keeps you awake at night. Mrs. J. A. Smith, Marshville, Ont., writes: "I had a very bad cough and that distressing tickling sensation in my throat. It was so bad I could not sleep at night and my lungs were so sore I had to give up work. "Our doctor gave me medicine but it did me no good, so I got a bottle of Dr. Wood's Norway Pine Syrup, and by the time I had used two bottles I was entirely cured. I am always recommending it to my friends." Do not be humbugged into buying the so-called Norway Pine Syrups but be sure and insist on "Dr. Wood's." It is put up in a yellow wrapper; three pine trees the trade mark; the price 25c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
