CH'TOWN CURLERS GUESTS OF SUMMERSIDE CURLERS

SUMMERSIDE, Feb. 17.—That him that is without sin cast the curling is to be a permanent sport first stone. A voice: "We'll have no curling, Summerside hereafter was evidenced last evening when a large delegation from the Charlottetown Curling Club paid a friendly visit to the western capital and injected a lot of enthusiasm into the members of the newly-formed organization.

Upon their arrival by the 6 o'clock train they were met by President J. J. Morris and a bunch of the local stalwarts and escorted to the Queen Hotel where a splendid supper was prepared, of which, after grace had been said by Rev. J. MacDonald, some sixty in all partook. Time was at a premium for a big bonspiel was scheduled to begin at 8 o'clock sharp at the Curling rink between the visitors and the Summerside curlers.

President Morris in his introductory remarks welcoming the visitors, served notice that speeches would be limited to two minutes each. He then called upon Mayor-elect Arnett for a few words.

Mr. Arnett stated that it gave him great pleasure to be present at this gathering and referred to the splendid time enjoyed by the Summerside curlers during their recent visit to the capital. He felt that the enthusiasm engendered at that gathering and renewed on this occasion would mean much to the realization of a new rink for the next season.

Mr. H. A. Ebers followed with a humorous address in which he told a number of stories, and also showed that curling helps develop the physical and mental side. He concluded by stating that Senator MacArthur's gift of a cup for competition would do much to stimulate interest and further the game in P. E. Island.

Hon. A. F. Arsenault showed how curling tends to develop a strong race. It is a game open to all creeds, classes, colors and even sizes.

Mr. J. Bayne, relieving superintendent of the P. E. L. R., spoke words of encouragement to the Summerside Club. He told of the difficulties encountered by the club in Bridgewater, N. S., and how they had overcome same. He advised the local club to proceed as quickly as possible with the erection of their new rink.

Mr. J. MacDonald followed, H. M. Baker expressing his pleasure at being present and meeting the visitors. J. Prichard Skip 6 He hoped when they came next year it would be in the new rink where many happy gatherings H. R. Crockett Skip 6 H. W. Tanton Skip 7 W. A. Allen Skip 8 J. J. Morris Skip 8 W. A. WILDCATS RUN WILD ON DIGBY AND WIN EASILY

KENTVILLE, Feb. 17.—The way they ran in six goals in the last seven minutes was beautiful to behold.

The most important feature from a local standpoint was the announcement made by the arena official announcer, J. Roy Hiltz, just before the start that M. A. H. A. officials had reconsidered their decision of last week and had agreed to postpone the first game of the final series for the Provincial championship one day as previously requested by Manager Margeson of Kentville and therefore the Wildcats will play two games in Boston on the first and second of March. The announcement was greeted with the biggest cheering that was shown throughout the evening.

TWO THOUSAND FANS CHEER NEW GL ASGOW TO VICTORY

NEW GLASGOW, Feb. 17.—Playing a wonderful brand of hockey for two periods, New Glasgow secured enough goals to win the opening battle of the home and home game series for the championship of the A. P. C. League against Truro here this evening.

Three scores in the first period and two in the second, with two in the third, was enough for the Blue and Gold to carry home a seven to four victory over the Bearcats in one of the most thrilling exhibitions of hockey seen in the arena for years.

For two sessions New Glasgow played the visitors off their feet, especially in the first period when the locals notched up three scores and held their opponents scoreless. Making a wonderful rally in the final twenty minutes, Truro forced the play and they gave Lennox in the New Glasgow nets a busy time, although New Glasgow and Truro both secured two goals in the third stanza, the locals were outplayed and at times the situation looked very serious.

Brilliant combination and fine all round hockey in the first two periods won the game for New Glasgow to-night. Their teamwork in the first and second periods was the best seen this season. Two of their goals came on pretty combination efforts and their passing was a real feature of the game.

Second Ice Meet in Summerside Draws a Large Crowd

"Another ideal day brought out a large attendance to see the second ice meet in Summerside yesterday afternoon. A real day's sport with racing very close, especially in Class A when Ribly Aubrey and Soldier Lady raced to a draw, pressed very close by Princess Aubrey.

In class B, Happy Lacopia won the race. Barney paced an excellent time heat in the first. Helen S. made the race very interesting and captured the last heat. Campbellton Bell won the race handsly and it was a real race for position among other contenders.

On Thursday next another meet will take place when a match race will be held between Ribly Aubrey, owned by Wm. C. Clarke of Summerside, and Soldier Lady, owned by George Dennis, of Clinton with a side bet of \$100. There will also be two other classes, A and B. Another real day's sport is in store for those who attend.

Hockey Play-off

By word received by the Aberweitt management, Wednesday night the first game of the play-off series will take place here Tuesday night next. With the winners of the Central League section, which is between, Sackville, Amherst and Oxford.

The Aberweitts have a strong fast line up of players for the coming play-off games and the team that takes a win from them will be travelling faster than they ever travelled before.

The Abbies have a much more improved hockey machine than when they met the Kentville players at the first of the season, and should these teams meet again this season a very different story would have to be told.

Mel Diamond, the Abbie goalie has shown marked improvement in every game and for his first appearance in senior hockey is making good, and will no doubt give a good account of himself in any future game.

On the defence, "Dork" Anderson is without a peer in this position, his blocking and rink end runs featuring in every game.

Dempsey Diamond who teams well with Anderson on the defence is coming fast and is an asset to the team in more ways than one, as he can show up as well as the wing in the front line as he can on defence.

The Prowse, Gordon, Gauthier combination on the front line is so fast it is hard to beat, the forming of the old school are turning in better hockey than ever, Gauthier is just finding himself in new company and has come through wonderfully in the last four games played, and is looked upon to star in the play-offs.

Cox, although the lightest man on the team, is working in fine shape and is getting McEburne's style of getting in front of the net for the pass or rebound, although having a little hard luck on missing a few chances, he will yet be there when most needed.

McLellan, another new man to senior hockey has given a good account of himself on defence work, and break up the enemy's rushes in fine shape, with a little more practice on stick handling will make a valuable defense man.

All in all the Aberweitt chances are real good to come through nicely in the play-off games. Here is hoping they book right in for the coveted title.

Bathurst Wins

CHATHAM, N. B., Feb. 17.—Bathurst defeated Chatham 3-1 here tonight in the first game of the play-offs to decide the winners of the Northern section of the New Brunswick Hockey League. Despite the one-sided score, the game was fast.

The next game of the play-off will be played at Bathurst, Friday night.

Delaney Still Is Favorite

NEW YORK, Feb. 17.—"Traditional supremacy of the 'good man' cast its shadow across the training ground of Jack Delaney today as he finished his final workout for Friday's \$200,000 heavyweight battle at Madison Square Garden with Jim Maloney.

Pugilistic history has marshaled on impressive chapter of records to support the cause for Maloney. The triumph of the "good little man" has been an exception to the rule. But there have been departures and among them have been the sensational triumphs of the 185-pound Jack Dempsey over huge Jess Willard and powerful Louis Firpo.

The faith of Maloney's following was not reflected in the betting odds today. Sentiment swung more sharply to Delaney, who jumped from a 6 to 5, to an 8 to 5, favorite. Money also was wagered freely at 1 to 2 that the light-heavyweight champion would knock out his heavier opponent.

Course Suggested For George Young

TORONTO, Feb. 17.—Much discussion in civic and sporting circles of this city has been aroused over the declaration of W. Wrigley, Jr., of Chicago, to the effect that he would back George Young champion swimmer, to the extent of \$25,000, in an open swimming marathon against any swimmer or swimmers who cared to compete against Young.

There is a feeling prevalent in civic circles that a swimming derby from Toronto across the lake to Niagara might be worth while from the resultant publicity the Queen City would enjoy if an event of such nature was staged.

A tary dyspeptic was bewailing his own misfortunes, and speaking with a friend on the latter's heavy appearance. "What do you do to make yourself so strong and healthy?" "Live on fruit alone." "What kind of fruit?" "The fruit of industry."

West Kent Sports

The West Kent School boys are out selling tickets for their sports on Tuesday February 22nd.

The boys are preparing a bigger and better program of sports than ever this year.

The West Kent boys are noted for their ice sports and will no doubt receive a big hand out from the grown ups.

The school has a large number in the different events to be run off who can give a good exhibition of speed on the blades, so that a good time is assured all who attend.

Frederickson And Bill Burch Head Scorers

MONTREAL, Feb. 17.—The race for scoring honors in the National Hockey League tightened up considerably last week, according to the scoring and penalty statistics up to and including games of February 13th issued yesterday by President Frank Calder.

Billy Burch and Frank Frederickson, centre players of the New York Americans and the Boston Bruins respectively have jumped ahead of Babe Dye, Chicago right wing. Burch and Frederickson head their respective divisions with 26 points each. Dye, who has been out of the game for some time owing to illness and Captain Dick Irvin, of the Black Hawks, are also tied with twenty-five points. Bill Cook of the Rangers follows with 21 points. McKay, of Chicago, comes sixth with nineteen points.

Nels Stewart of the Montreal Maroons, has spent the greatest time in the penalty bench, with a total of 103 minutes. George Boucher, of Ottawa, comes next with 99 minutes.

The following have scored five points or more:

Lunenburg Wins Final Contest

LUNENBURG, Feb. 17.—Lunenburg hockeyists completed the schedule of the South Shore Hockey League in a blaze of glory to-night when they hammered out a 4 to 1 victory over Bridgewater.

In the eight games played this season Bridgewater won the first two and Lunenburg the remaining six. Lunenburg will meet the winners of the Kentville-Digby series next week.

The locals started out with seven scores in the opening period. In the second session the Lunenburg boys accounted for four more to two for the visitors. In the final session the winners scores three and Bridgewater 1.

Moguls Frown On Sport Tax

TORONTO, Feb. 17.—Professional sport promoters of this city especially baseball and hockey, are not very enthusiastic concerning the Ferguson Bill calling for a two per cent. tax on their net revenue, which is to be used in promotion of amateur sport.

"We already pay a Government tax," said Lawrence Solman, of the Toronto Baseball Club. "There is no professional sport today making money. I consider professional sport a business and it is certainly keeping us grinding to make things go."

"It is manifestly unfair," said Mr. Nathanson, who was an official of the St. Patricks Hockey Club until the recent sale of the club. "We are already paying a 10 per cent tax on tickets we sell for \$1.50 and \$1."

On amateur sport official declared, the tax to be just, at least in the case of hockey. Professional teams draw their players from the amateur ranks, and they should at least contribute something to further the development of players whom they grab up as soon as they earn something about the game," he said.
