WHY CROUP IS FATAL.
When croup attacks your child you must be ready for it. It comes as an accompaniment to an ordinary cough, or it may attack without warning. All kinds of children develop quickly, and when any kind of cough appears there should be something at hand to stop it with promptness. Many a child has choked to death with croup because the right remedy was not convenient. Every one should know that the right safeguard for a child's cough or any cough is Adamson's Botanic Cough Balsam. With this soothing compound in the house, croup is always easily checked and relieved.
To give a child a very serious matter, yet most preparations contain something of this kind. Adamson's Botanic Balsam is prepared from the purest extracts of barks and roots and gums of trees, and is healthful in every component part of it. Wherever it touches an inflamed surface, it heals and soothes it. Nothing ever compounded for cough is so harmless, and nothing so efficacious. Adamson's Balsam is an old remedy and it has never lost a friend through failure to try it on your own cough and do your child a good turn by being ready for any emergency. Price 25 cents at any drug gist's.

CIGARETTES IN BRITAIN.
The British working man has almost abandoned his clay pipe and shag in favor of the two penny packet of cigarettes, with a portrait of a favorite actress or khaki-clad general given in.

**Raw, Flaming Eczema,
Sore Rheum and Scald Head**
The Dreadful Itching and Burning is Promptly Relieved and the Disease Thoroughly Cured by Dr. Chase's Ointment.
Mrs. A. McKnight, Kirkwall, Wellington County, Ont., writes:—"I feel it my duty to let you know what Dr. Chase's Ointment has done in a very bad case of eczema on our baby. We had tried any number of cures without any permanent relief, but from the hour we commenced using Dr. Chase's Ointment there was great relief, and the improvement continued, until there was complete cure. We think it the greatest of family Ointments."
Mrs. R. Stoddard, Delhi, Ont., writes:—"I was troubled with psoriasis or chronic eczema for twelve years; used many remedies during that time, but got no relief. Doctored with four or five doctors, but found no cure. I decided to try a box of Dr. Chase's Ointment, and before using half of the box found great relief. I have used about three boxes, and am now completely cured, and have recommended it to many others. It is the best I have ever used, and it is worth its weight in gold."
There is nothing to be compared with Dr. Chase's Ointment as a cure for the most obstinate and torturing skin disease. Its cures are often truly marvellous. 50¢ a box, at all dealers, or Edmanson, Bates & Co., Toronto.
