A Dress Goods Bargain

Which we think is unmatched

The stringency in the money market caused a prominent wholesale dealer (who was overstocked) to turn these goods into cash at a price far below their proper value. We were fortunate in being able to take advantage of this and now we pass it along to you. The goods are new fall patterns in Ladies' tweed suitings, reasonable cloth weights, suitable for either coats or skirts, width 54 to 56 inches. In shades of medium and dark greys, browns and thin mixed colors, worth and good value at regular price of \$1.15 to \$1.25 per yard. Our special purchase enables us to offer you our choice now while they last at only 75c. Another line in same lot of goods, comes in a good weight tweed suiting in shades of mid grey, 54 in wide, Regular value 85c now 55c. Also a range of plaid and check tweed dress goods 40 to 42 inches wide, worth 75c now offered special per yard only 50c. Coming at the time of year when this class of goods is most needed marks this as one of the most remarkable offerings in heavy weight tweed dress goods we have ever shown. See them.

We have made every effort to merit this increase of patronage, by providing a superior quality of goods—consistent with price in all lines, and by faithfully carrying out all our promises.

During the year, we have also added several new departments for the convenience of customers, notable among which, is a splendidly equipped Wall Paper dept, from which we supply superior grades of Wall Paper with borders to match, at prices so reasonable, as to make them now, a household word.

We have also added a new Pattern dept, where paper Patterns of the latest and most approved styles, in garments of all kinds can be had for the extremely low and uniform price of 10 cts each. This dept is proving popular with dress-makers and seamstresses, as also with ladies, who, with the aid of these reliable patterns, make their own and children's costumes, pinafores etc. We supply fashion sheets each month free.

We will touch but lightly on our new doll and toy dept, which has been the scene of such busy activity, during the past few weeks, except to thank our many kind friends for their appreciation and most liberal patronage, which ensured the financial success of this latest venture.

Once more we wish to express our appreciation of your valued support, and to assure all that our policy in the future, as it has been in the past, will be to provide the best for the least money, and altogether to make our store such a satisfactory and reliable place to deal, that we shall not only satisfy our present large patronage, but materially increase it.

Wishing that 1908 may, as surely, bring you health and happiness, as dealing here will undoubtedly, contribute to your prosperity, we are, with cordial greetings, yours,
