Try Magnesia For Stomach Trouble

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour Gassy Stomach and Acid Indigestion

Doubtless if you are a sufferer from indigestion, you have already tried pepsin, pancreatin, chaperon, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic, just try the effect of a little Bisurated Magnesia—not the ordinary commercial carbonate, citrate, or milk, but the pure Bisurated Magnesia which you can obtain from practically any druggist in either powdered or tablet form.

Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous harmful acid in the stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy, lumpy feeling that seems to follow most everything you eat.

You will find that provided you take a little Bisurated Magnesia immediately after a meal you can eat almost anything and enjoy it without any danger of pain or discomfort to follow and moreover, the continued use of the Bisurated Magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.

MARITIME COLLEGES ARE OFFERED \$3,000,000.

HALIFAX, Feb. 14 — That the trustees of the Carnegie Foundation are prepared to appropriate \$3,000,000 to assist in the furtherance of the plan of university federation tentatively agreed upon by representatives of the various universities and governments of the Maritime Provinces and Newfoundland provided this scheme is embarked upon in its entirety, is in effect the decision of the executive, as contained in a letter addressed to President A. S. MacKenzie of Dalhousie University.

POSTMASTER BLESSED WITH GOOD MEMORY

HARRISTON, Ont., Feb. 14 — Ten days ago there was received at the Harriston postoffice a letter from Scotland addressed to a man who had removed from here in 1894, 29 years ago. Postmaster McCready, remembering his last address, forwarded on the letter and today received an acknowledgment from the addressee thanking him and complimenting him on his good memory.

COAL OUTPUT AT GORE

GORE, Feb. 15.—Success has attended the drilling for coal at this point which has been in progress for some time and the bore after going through some small seams at a depth of 600 feet struck the main body, a seam four and five feet in thickness. This deposit is conveniently situated to the Dominion Atlantic Railway.

The Beauty of Health

Newspapers and magazines are devoting columns to magic or overnight beautifiers. There is a beauty in health that is far more attractive to men than mere regularity of features or a made-up complexion. Health should be the first essential of women who want to win and hold admiration, respect and love. At the first indication of ill health as indicated by dark circles under the eyes, a sallow complexion, headaches, backache, pain in the side, nervousness, irritability and melancholia, women should take Lydia E. Pinkham's Vegetable Compound, the standard remedy for women's ills, which has been proven to help 98 out of every 100 women who try it.

Nip Baby's Colds In The Bud

External Treatment With Vaporizing Salve is Best

Some children seem to take one cold after another—never have a chance to build up any strength. This is apt to make them puny and delicate—just sets them back for months.

Many Charlottetown mothers are finding that they can break up a cold best with Vicks VapoRub, the externally applied, vaporizing salve. While it acts like a liniment or plaster, it is also inhaled as a vapor, and so gets into the throat and lungs immediately. The cold is often broken up over night.

Vicks is prompt, too, in group and equally good for skin hurts and itchings.

Mrs. Wm. White, 44 Sebastopol St., Montreal, Que., writes: "I find Vicks splendid. I used it for headache and sore throat and also used it on baby for bronchitis and when I called in the doctor he said it was the best thing I could have done. I have recommended it to others and they have used it. I apply it freely to the affected parts and leave it to its work."

Go to all drug stores for a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W. Montreal, P. Q.
