**Advertising Sense and Science**

An inch of good advertising is worth more than a foot of bad. After all it's not the amount of space and superlatives you use that count.

If you are a man who desires to build a lasting, successful business, watch your advertising. Any fool can show some returns by tearing down the future reputation of a business, but it's the advertising that creates confidence and will make permanent customers that count.

Keep an eye on your advertising—it's the greatest factor in the success or failure of your business.
