There were also a quick-firing competition—7 shots at 200 yds in 1 minute—The matches will be continued on Monday commencing at 8 a. m. After the competition of the above the last match of the series will be fired at 200, 500 and 600 yds—7 shots at each range. THE son of Arthur S. and Mrs. Johnson of Toronto, and formerly of Charlottetown who has been visiting at his grandfathers' William Lemont's, Fredericton for some time past had a narrow escape from drowning Friday morning. The young lad in company with two or three other small boys was playing on the Star Line wharf in Fredericton and accidentally fell in. The cries of the little ones brought Robin Crosley, the manager of the steamship line, to the rescue. Mr. Cropley lost no time relieving himself of some clothing and plunged in after the little fellow. As the current was running quite swift at the place of accident, Mr. Cropley had quite a swim in saving the boy's life, but there is no doubt but that for the timely and heroic assistance of Mr. Cropley the young lad would have boen drowned.

THE Charlottetown golf players say that they cannot speak too enthusiastically of the visit to St. John. They are members of a very young club, have little experience, and never really knew what good golf links were. Of course they have a place near Charlottetown on which they amuse themselves, but they have nothing like what is found in St. John. They came her not with any intention of winning, but for love of the sport, to meet fellow players in another city, and to learn all they could of the finer points of the game. They say that they have found the St. John players just as nice as they could be, and as willing as possible to impart information. One of the St. John golfers said, "I am sure I am speaking for every member of the club when I say that we have immensely enjoyed the visit of our Charlottetown friends. We look upon them as a younger club than our own, but with a little more experience there is no reason why they should not press us hard in our next match. We were very glad to have them visit us and hope they will come soon again." St. John Sun.

MOORE & McLEOD.

REV. GEORGE C. LORIMER, for many years pastor of the Tremont Temple Baptist church, Boston, and since 1901, pastor of the Madison avenue Baptist church, New York, died at Aux-les-Bains, France, Wednesday night. He was a half brother of Harry Josephs, the celebrated actor, and of John H. Selwyn, for whom Selwyn's Theatre Boston, was named.

THE pulpit of Zion Church yesterday was occupied by the new Pastor, Rev. W. H. Sedgewick. At both services Mr. Sedgewick spoke with great earnestness and power. In the evening his subject was taken from Heb. 2 1, and dealt with the danger of imperceptibly drifting from the Christ. The church was completely filled, the audience including many students who are in attendance at P. W. College.

KEPT POOR BY DOCTORS' BILLS

Many a family is kept poor by doctors bills when just as good and oftentimes better results could be obtained by the use of Dr. Chase's Kidney-Liver Pills which sell at 25 cents a box of twenty-five doses. As one pill a day is the most frequent dose under any circumstances there is no treatment obtainable which costs so little and at the same time none which brings about such excellent results in derangements of the kidneys, liver and bowels.

Some Dealers Think They Have a Monopoly of Buying Furniture

Let them think so, it does nobody any harm, and it pleases them. But for fear the public might be led away by their extravagant utterances, we humbly rise to remark, that we have been and are still buying from almost every manufacturer in this broad Dominion—and further we are content to sell at a much smaller profit than most people ask. We would like the opportunity of showing you our furniture, and would like you to compare, and we think we can convince you that what we say is true.
