## BOY WHO FOUND HEAVEN IN WAR

By the Rev. Dr. James M. Farrar.

The Rev. Dr. James M. Farrar, pastor of the old First Reformed Church Brooklyn is the originator of the Junior Congregation. The other morning he made a war story the subject, "The Boy who Found Heaven in War." The text was from Revelation xiii: "There was war in heaven." Dr. Farrar said:

"There was war in heaven. Probably it was when they were making heaven. It is difficult to start any great enterprise without someone making out the trouble in heaven was thrown out and that forever and ever he will be a place of peace. There is no war in heaven is all past we will chat today about how to find heaven on earth in a world of war. If when trouble comes you can find something to make you happy and then close the door you are in a heaven. The greater your happiness the larger your heaven. War may be just outside, but if you bar the door and draw the shades you can keep war out of your heaven. There are no doors nor windows in Sherman's word of four letters. 'The heart' is the place to have a heaven and if you close the doors and windows next to jealousy, hatred, wrangling and other warriors you can enjoy your heart heaven to your heart's content. You all know there is no heaven in your heart unless Christ is there. There is no war in any place where Christ is King. You should also know that there must be a child in your heart whose name is Opti. His name means Optimist. Opti laughs when the warriors try to break into heaven. Optimist is always a companion of Christ.

## CRITICAL TIME OF WOMAN'S LIFE

From 40 to 50 Years of Age. How It May Be Passed in Safety.

So, Wellington, B. C.—"For a year during the Change of Life I was all run down. I was really too weak to walk and was very despondent and thought I was going to die, but after taking Lydia E. Pinkham's Vegetable Compound and Blood Purifier my health and strength returned. I am very thankful to you and praise your medicine.

I have advised several women who suffered as I did to try your remedies. You may publish this if you wish."—Mrs. DAVID R. MORRIS, South Wellington, Vancouver Island, B. C.

No other medicine for woman's life has received such wide-spread and unequalled endorsement. We know of no other medicine which has such a record of success as has Lydia E. Pinkham's Vegetable Compound. For more than 30 years it has been the standard remedy for woman's ills such as inflammation, ulceration, tumors, irregularities, periodic pains and nervous prostration, and we believe it is unequalled for women during the period of change of life.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

## DO DOGS TALK.

Stray and Jack were very near neighbors and fast friends; they often took long walks together, going on for miles and calling at every house.

Stray was a medium size Newfoundland, with good, mild, honest eyes, and a fine, glossy black coat, while Jack was a small sized terrier.

Not long ago a family came into the neighborhood, bringing with them two bull terriers, about the size of Jack. One day Jack thought he would make a friendly call on the new neighbors, but he was not well received; they soon got into a quarrel, Jack was badly bitten, and came home crying piteously. Stray heard him cry, and came to see what was the trouble. He licked Jack's wounded shoulder and tried all he could to comfort him; then he went and found the right dog (passing the other); he put his nose down close to his, and seemed to say something that made his hair stand up straight on his back, and then gave him a good shaking, and sent him home howling. Stray then came trotting back to tell Jack, and if a dog ever laughed, Stray did, while telling Jack how nicely he had punished his assailant. "Our Four-footed Friends."

## An Easy Way to Stop Head Noises

Good Advice For Those Who Fear Deafness

Men and women who are growing hard of hearing and who experience a stuffy feeling of pressure against their ear drums, accompanied by buzzing, rumbling sounds in their head like water falling or steam escaping should take prompt and effective measures to stop this trouble. Headnoises are almost invariably the forerunners of complete or partial deafness and most deaf people suffer from them constantly. Sometimes these noises become so distracting and nerve racking, with their never ceasing "hum" they drive the sufferer nearly frantic and complete nervous breakdown and even violent insanity have been known to result.

Thanks to a remarkable scientific discovery made recently in Engle I it is now possible to almost instantly lessen the severity of these head noises and in a very short time to completely and permanently overcome them. With the disappearing of the head noises, the hearing also greatly improves and very frequently can be restored to normal. This English treatment is known as Parmit and can be easily and safely self administered at home. Leading druggists in Charlottetown and vicinity now have it in stock. Get your druggist's Parmit (Double Strength) and mix it at home with 1-4 pint of hot water and 4 oz. of granulated sugar. Stir until dissolved and then take one tablespoonful four times a day until the noises disappear and hearing improves. Parmit is used double strength in this way not only to reduce, by tonic action, the inflammation and swelling in the Eustachian tube and thus to equalize the air pressure on the drum but also to correct any excess of secretions in the middle ear and the results it gives are both remarkably quick and effective.

"IMPORTANT.—In ordering Parmit always specify that you want double strength; your druggist has it or he can get it for you; if not, send 75c. to the International Laboratories, 74 St. Antoine St., Montreal, P. Q., who make a specialty of it."
