IF HAIR IS TURNING GRAY, USE SAGE TEA

Here's Grandmother's Recipe to Darken and Beautify Faded Hair

That beautiful, even shade of dark glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

RECEPTION TO A RETURNED SOLDIER

A very enjoyable social function was held at the home of Mrs. Wm. Smith, Lower Newton, on Saturday evening the 23rd inst., when over sixty admiring friends and neighbors gathered in order to extend a genuine sincere welcome to her son, Cpl. William A. Smith, who has recently been invalided home on account of having been wounded and gassed while on active service at the battle front. Cpl. Smith enlisted in Calgary, Alta., and had spent twenty-one months in the trenches previous to his unfortunate entrance among the casualties, and where his record of service is taken into consideration it was most becoming that his friends should fittingly acknowledge his return again to their midst.

The evening was spent pleasantly in music games, and social conversation such as is customary at gathering of this kind but a commendable variation took place on this occasion in the form of an "address of welcome and presentation."

The address which is attached below will speak for its self while the presentation consisted of a purse of money containing forty dollars.

Mr. Smith who was visibly affected by the kind words and generosity of his friends made a suitable though brief reply in acknowledgment of the spirit that prompted such treatment at the instance of his friends. After a further brief period of social intercourse the gathering broke up each and all feeling that they had worthily spent one of the most enjoyable evenings of the season.

The address was as follows:—
To Corp. William A. Smith.

We a few of your friends and neighbors of Lower Newton and vicinity extend to you a most hearty welcome upon this your return home to your native province after having played such a worthy part in the cause of righteousness against oppression, which battle has for the past four years been disturbing the peace of the world. We also are pleased to know that, although you have suffered at the hands of the enemy you are spared to be with us again enjoying life. We greatly appreciate the sacrifices you have made, and realize that in thus performing your duty you have aided in assuring to us the blessings of continued liberty and peace.

We ask you to accept this small gift simply as a slight indication of our estimate of your work, and we trust that your present temporary sojourn may in due time become one of permanence and that we may all be spared to enjoy your associations with us.

Signed on behalf of contributors:
D. W. McLeod,
GEOG. T. NICHOLSON.

The Best Cough Syrup Is Home-made

Here's an easy way to save \$2, and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home.

Into a 16-oz. bottle, pour 2 1/2 ounces of Pinex (30 cents worth); then add plain granulated sugar syrup to fill up the bottle. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you 16 ounces of better cough remedy than you could buy ready-made for five times its cost.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the phlegm, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.
