

# THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block--Charlottetown.

The latest news, first of all. Watch for particulars of Dramova.

A. F. McArthur, Alberton, was in the City yesterday.

William Younker, Thorndyke, was in the City Tuesday.

The tide will be high this evening at 8.18 and tomorrow morning at 8.01.

Everyone should attend the tea and sale in St. Paul's Schoolroom, this afternoon.

W. B. and Mrs. Stewart arrived in the City yesterday from an extended visit to New York and Boston.

Many friends will be pleased to see Oliver Younker, Winsloe, in the City Tuesday after his recent illness.

Mrs. Charles McFarlane, Sea Cow Head, is undergoing treatment at the P. E. I. Hospital.

A. H. Fisher, Charlottetown, was registered at the Halifax Hotel, Halifax, yesterday.

Hugh Warburton, City, Arts student at McGill college arrived home yesterday from Montreal.

Miss B. Sullivan arrived home yesterday after having spent the past winter in New York and Boston.

For those who want help The Guardian's classified advertisement do the work, as told in that column.

New Wonderland's program for tonight is given in the reader on page four.

Peter Halfpenny, baggage master of the P. E. I. R., is recovering from his illness.

Hedley B. Weeks of the Prince Edward Island Railway at Fredericton, was in the City yesterday.

Premier Haszard, City, left for Ottawa yesterday, and H. A. Holmes, manager of the Bank of Commerce left for Nova Scotia and will return today.

Complaints again reach this office regarding the disgraceful and dangerous condition of Spring Park Road between Boyle's Tannery and Mr. Trainor's. There should not be any delay in attending to same.

Dramova means taking pictures. They will be at New Wonderland next week, after the Pictou boat arrives on Monday. Real human voices! No machines about them. Real talking pictures. The latest novelty.

Owing to the big Saturday Guardian and the large number of advertisements therefor it is necessary that all "changes" of matter reach this office not later than ten a. m. Friday to insure insertion in first following issue.

A full house greeted the Rev. E. Bell in York Hall Monday evening last. The subject of his lecture, given under the auspices of the Sons of Temperance, was his impression of Boston, New York and Chicago. A. West presided, and the collection which was a most liberal one goes to the Sinclair fund.

Oscar McCallum, manager of the Bank of Commerce at Summerside, leaves today for Stony Plains, Alberta, where he will assume charge of the Bank at that place. Mr. McCallum was entertained by his friends to a twelve o'clock dance in Smallwood's Hall, on Thursday evening, Mrs. J. F. Trainor performing the duties of hostess.

Nathaniel Gay and bride arrived home on Saturday. They were met at the Hazelbrook station by a team from the Forester House and on the way, they were greeted by the firing of guns, ringing of (cow) bells etc. After night there was plenty of music, and the village was brilliantly illuminated by a magnificent bonfire in the shape of a kerosene cask, (borrowed by the boys for the occasion) and a generous supply of kerosene oil. Immediately after the fire works Mr. and Mrs. Gay treated the crowd to a generous supply of candy. Congratulations.

William Mombourquette arrived in the City, by the Northumberland last night from his home in Arichat, C. E. and it is understood that he will take the position of manager of the Queen Hotel. Mr. Mombourquette is well known in Charlottetown, where for some years he has been agent of the Plant Line. Prior to that he was purser on the steamer Halifax. He has had considerable experience in the hotel business and the other positions he has held have also brought him into close touch with the travelling public, whose requirements in the hotel business he thoroughly understands.

Almost every week in the year this paper refuses one or more mail order advertisements, almost all of them at very high rates, from firms whose places of business are not in this Province. This is done because the Guardian believes that the local merchants and business men, who are ever ready to purchase what the producers of this Province have to sell, and who as residents pay taxes and support the various local enterprises, should not have competition with their advertising, or otherwise, that of the outside merchant who does not occupy a similar position, and whose revenue goes to build up another Province at the expense of this one. All Prince Edward Island merchants and business men, who are not at present advertising in The Guardian have the privilege of using some of the space which the foreign mail order houses are refused and will be furnished with full information as to rates etc if they will but phone or write this office. There are not many newspapers in this Province that refuse outside mail order ads.

The Guardian has received a copy of the annual report of the Hawaiian Mission of the Methodist Episcopal church of Honolulu of which Rev. John W. Wadman, a native of this Province, is pastor. On Sunday afternoon at Alexandra, the Rev. Mr. Erb preached a masterful, and helpful sermon from the magnificent words found in the 9th Ch. 8th V. of 11th Cor. "And God is able to make all grace abound toward you: that ye, always having all sufficiency in all things may abound in every good work." "God is able." "We have only to look around at nature, the work of God's hands to believe this. We can have unmerited favor in abundant supply. No stint, no good thing will He withhold to them that walk uprightly. There are three A's in the text, Always, we need never be without God's grace: all sufficiency, God is all sufficient for the coming years; all things, God will supply all needed grace, and being thus filled with the grace of God we will abound in every good work. May we all be filled with the grace of God and thus qualified, go work and labor for Him." Con.
