Attention Farmers Near Ch'Town

This changeable weather is hard on Turnips. Watch your cellars and pits. We are noticing some waste. We can use each week about seven to eight thousand bags of Turnips. We are buying at prevailing market price, both purple top and bronze top, and providing it is possible for our trucks to reach your farm, we are willing to haul same. Do not look for a big price on Turnips with Potatoes so low, and remember, it is more profitable for you to sell all of your Turnips that are in storage than to regrade and sell only part of them later on at a higher price. Keep in touch with the office.

FINANCE

By Frederick Gardner Associated Press Financial Writer NEW YORK, Jan. 5 (AP)—The stock market ended a generally satisfactory week Saturday—passing from the old year into the new with slightly irregular tendencies. The Associated Press average of 60 stocks managed to hold a net gain of 1 of a point and for the five-day stretch was up 3 1/2 points weekly upturn since early November. Dealings were exceptionally slow in the brief proceedings, transfers totalling 384,970 shares compared with 892,100 last Saturday. U. S. Steel and Bethlehem dropped about a point each and General Motors and Chrysler shed fractions of their Friday's sharp advance. Universal Pictures preferred tacked on six more points to its spectacular advance of the past week or so, touching a new peak for more than a year along with Savage arms. Volume for both was small. Eastman Kodak, U.S. Gypsum, Allied Chemical and American Can were up one to two points. Minor gains were retained by Mack Truck, Woolworth, International Harvester, United Aircraft, Westinghouse, General Electric, U. S. Industrial Alcohol, Celotex and Western Union. Canadian stocks active on the big board included International Nickel, up 1-4 and Dome Mines, which was unchanged on minor sales. Seagrams lost 1-8. Canadian issues on the curb included Quebec Power, which jumped 1-2 point. Imperial Oil gained 1-8 and Brazilian Tracoin was up 1-4.

WED FIFTY YEARS—Not until the very last minute did the local press learn that Mr. and Mrs. Ben Huntley were celebrating their golden wedding anniversary on Dec. 24. Congratulations; and may the span of their married life be as long as the lives of the Huntleys were married at Vernon, P. E. Island, on Dec. 24, 1890. Mrs. Huntley's maiden name was Florence Ross. They continued to reside on the Island till 1912, when Mr. Huntley came West to participate in the building boom in Calgary. In 1913 they moved to Farnum, and from 1919 to 1929 they lived at Vancouver. They came back to the prairies and settled in Calgary in 1929, and have resided here since then. Mr. and Mrs. Huntley have five children—Edith, Mrs. S. Smith, of Vulcan; (Gladys) Mrs. Henry Dixon, of Daermead; (Jeanette) Mrs. Bert Martin, of Vancouver; and Lloyd of Vancouver. Mr. Huntley is a master builder. He was a ship's carpenter on P. E. Island, a trade that demanded a very high degree of craftsmanship. Many of the finest buildings in the Clareholm and Gramum areas have been erected under his direction and he enjoys the satisfaction and pride of seeing and knowing his work was well done. Mr. and Mrs. Ben Huntley spent Christmas and New Year's with their daughter, Mrs. J. S. Holmes and Mrs. Henry Dixon at Daermead, Alberta.

Her going away bouquet was roses and carnations. — Halifax Herald.
