Lightning, in the slim form of Joe Bernard, struck the Charlottetown All-Stars twice in the same place, and Charlie Hogan's Summerside All-Stars went one up in the intermediate series for the Island baseball championship, defeating their rivals at Summerside yesterday by the score of 5 to 4. As in the Charlottetown game, the Summerside team were one run to the good going into Charlottetown's final half, and Bernard duplicated his feat of that game, striking out the three batters to face him.

Charlottetown opened the scoring in the first half of the fourth. Whitlock sent a line drive to right field, and pulled up at second base. Goodwin dribbled a ball a few feet in front of the plate and was out at first. Whitlock taking third. Ryan was safe on a fielder's choice, the play at the plate being in plenty of time to catch Whitlock but Allan dropped the ball and the first run scored. Summerside came back with four tallies in their half of the fourth, bunching four of their six hits in that frame.

With one out, Mickus singled, and Hank Landry hit a long ball to left field that was good for four bases, Mickus scoring in front of the diminutive short stop. Gaudet followed with a safe hit, and Allan hit a double to left, scoring Gaudet, who had taken second on an infield out, and third on a passed ball. Bayne was hit, and Oatway, batting for Gallant, was also nicked by a pitching ball. With the bases loaded, Ryan walked Pony Daley, forcing Allan across the plate.

There was no further scoring until the first of the eighth. Whitlock was safe on an error at short, and second. Goodwin struck out, but Matheson singled and Whitlock went to third, scored on Landry's wild home, making the count read 4 to 2.

Daley who had pitched glittered ball up to this juncture, was taken out of the game and Joe Bernard took his place. Perry fled to short, but Ward, hitting for LeClair, came through with a timely single over second base, driving in Ryan and Matheson and tying the ball game.

Summerside put over the winning tally in the last of the eighth. Gaudet walked, took sec-

ond on a passed ball, came to third on Grady's infield out, and scored on another passed ball. Charlottetown's last inning, MacKenzie, McKinnon and Whitlock struck out, ending the ball game.

Hank Landry, besides hitting a homer, played one of his very best games at short field, getting two men at first by fine stops and lightning throws.

## Stan Musial Sets New League Record

(By The Associated Press)

BOSTON, Sept. 22.—Stan Musial, St. Louis Cardinals slugger, today set a National League batting record by collecting five consecutive hits in one game four times in a season.

Musial hit his 38th homer, a two-bagger and three singles, against Boston Braves.

By Cobb established the major league record in that department with Detroit Tigers in 1922.

# SPORTING NEWS

PAGE SIX THE GUARDIAN, CHARLOTTETOWN SEPTEMBER 23, 1948

The hockey trek of local players to distant points got underway this week when "Moosey" Dowling and "Bucko" Fraimer left for Winnipeg where the former will work out with St. Paul Saints of the American Association and the latter with the New York Rangers of the National Hockey League.

Dowling, in top shape after a season of tramping the golf fairways, should make good with a bang with the St. Paul team. Up last year he impressed the Rangers' management so much that he was placed on their reserve list and farmed out to St. Paul for the season.

"Bucko" already the property of the Rangers, will be getting his second chance at a crack in the big time. In pre-season workouts last year he impressed the Rangers' management so much that he was placed on their reserve list and farmed out to St. Paul for the season.

That same knee injury may play a large part in his career this season. It is no secret that the popular "Bucko" is far from satisfied with his condition. At one time he was very doubtful if he would attend the training camp but decided recently to give it one more try. His many followers will be pulling strongly for him and his hockey mate to come through with flying colors in their bids for big league berths.

Early next month Buck Whitlock, scoring champion of the Big Four last season and a tower of strength in the training camp, will be leaving to rejoin the "Hub" club. Whitlock after a summer of baseball will report in probably the best condition of his career and despite the fact that the Cubs comprising this year's league will be greatly strengthened the smart centre ice man should have little trouble in gaining a berth. And it will not be surprising either if he again will be well up in the scoring lists.

Adding to the list of exports will be the "kid" line of Dowling, Carver and Shepherd who it is learned will be back seeking a berth with the Northside Veterans in the Cape Breton Hockey League. The trio, just out of junior ranks, made decided impressions with their aggressive play in the hard-hitting league last season and although this team too will be strengthened considerably they have strong chances of again catching on in a league that produced last year's Maritime senior champions.

Playoffs in the City Baseball League are not expected to resume until after the intermediate playoffs for the Island title are completed. While this will cause some disappointment among the fans, nevertheless it was the only move the officials could make due to the lateness of the season. It is impossible to get a game completed on the Northside Veterans on Wednesday afternoon and with this day, along with Sunday taken up by the Island playoffs, said officials wisely decided on the above mentioned move. Another lead the series one game to nothing, and need two more wins to take the title won last year by the Legionaires team.

Speaking of Joe Louis, Doug Vaughan says in the Windsor Star:

"Actually, what got us started on this train of thought was picking up the paper and reading where Joe Louis had decided to go to Harry Lauder and put on another farewell appearance.

"We have always had a great deal of respect for the Brown Bomber. He has been one of the fight fans both in, and out, of the ring. When Joe announced both to the press and over the radio after his fight with Joe Walcott last June that he was retiring, we took him at his word.

"Now Louis has bobbed up with the announcement that he will defend his title for the 26th time next June against the winner of the forthcoming bout between Joe Bakel and Ezzard Charles. Apparently, not even Louis can

# Boston Braves Lose 8-2 To St. Louis Cards

(Canadian Press)

Boston Braves, on the brink of their first National League pennant in 34 years, were delayed by St. Louis Cardinals yesterday (Wednesday). The Cards unleashed 17 hits for an 8-2 victory in Boston over the hungry Braves, who are but two games away from the league championship.

Meanwhile, Brooklyn teetered on the brink of mathematical elimination from the pennant, dropping a third straight to Pittsburgh Pirates 5-1. The Brooks trail the Braves by 7 1-2 games.

The lively Chicago Cubs dampened first division hopes of the Giants, taking both ends of a doubleheader from New York, 3-2 and 11-7.

The Boston pennant party must be delayed at least until Saturday. The Braves are idle until then.

Two more victories, added to their present season's record of 28 triumphs and 39 losses, and the Braves would be able to raise the pennant. They have eight games to play.

The victory did move the Cardinals into second place, a half-game ahead of Brooklyn, but the game cost them the services of Eno (Country) Slaughter, their speedy outfielder.

Slaughter, racing towards second on a hit-and-run play in the fourth inning, was struck hard on the bridge of the nose by Nippy Jones' liner.

Carried from the field, he was removed to hospital where his injury was diagnosed as a fractured nose.

Stan Musial, leading hitter of both major leagues, led the 17-hit attack on Boston pitchers and put himself in the record books.

Stan got five hits, the fourth time he has hit safely five times in one game this season, for a National League record.

Musial's record equals the American League mark of five hits in each of four games in one season which Ty Cobb established in 1925.

Musial's hit production included his 38th home run of the season, a double and three singles.

The Dodgers trail Boston by 7 1-2 games and unless they win their remaining eight contests, while Boston loses its last eight, the Brooks will be dethroned as league champions.

Rip Gavett, 40-year-old right-hander, tossed a hit ball to the Pirates clubbed four Dodger batters for 11 hits.

Stan Rojek and Dixie Walker, two former Dodgers, once again caused the Brooklyn mound corps most of the trouble. Rojek and Walker slammed out four hits apiece.

Joe Bockmann, chubby Pirate third baseman, sent two runs over the plate in the first frame off Roger Harry Taylor to drive in what proved to be the winning runs.

Andy Patko was the big gun in the second frame as he drove in the Cubs. He drove in all Chicago runs with his 28th homer of the year and a ground out. Young Bob Rush checked the Giants on three hits in hanging up his fifth victory in 15 decisions.

Lefty Bob McCall, who had lost 43 straight games, was the winning pitcher in the nightcap. He was lifted in the ninth inning when the Giants staged a three-run rally.

The Cubs hammered three Pirates pitchers for 14 hits with Phil Cavaretta, Bill Nicholson and Roy Smalley leading the way. Cavaretta collected four hits. Nicholson socked his 19th homer and Smalley drove in four runs.

Successful doubles by Virgil Stillep, Ray Lamanno and Johnny Vandermeer sent two runs over the plate in the seventh inning in a night game and gave Cincinnati a 4-3 victory over Philadelphia.

In addition to driving in the winning run, Vandermeer fanned five. He walked seven but was effective with men on base in registering his 19th win against 13 defeats.

Singles by Harry Walker and Bert Haas and Del Ennis' double gave the Phils a two-run lead in the third. But Hank Sauer tied it in the sixth, hitting his 35th homer with Benny Zientara on base.

**FIGHT PROMOTERS  
Continue Battle**

(By Gayle Talbot)

NEW YORK, Sept. 22.—(AP)—While the Tournament of Champions continued its meagre profits from Tuesday night's middleweight championship fight, promoter Sol Strauss of the rival 20th Century Club flexed his muscles today and prepared to strike back at the upstart agency.

Tomorrow night at Yankee Stadium boxing fans will have a chance to witness their second world title fight, within 48 hours when the Williams, the murderous puncher from Trenton, N. J., defends his lightweight crown against Jessie Fights of Stockton, Calif., over the regulation 15 rounds.

The customers, fast becoming comatose from such rich pugilistic fare, also will see Sugar Ray Robinson, welterweight king, step into the ring against the murderous Kid Gavilan, the Cuban flash.

"And you may be sure," Strauss thundered, "that no matter what we draw, we won't lose money."

Sol was strongly of the opinion that his rivals dropped a bundle in the Jersey venture, in which Marcel Cerdan, the rugged puncher from French Morocco, took the 160-pound bauble from Tony Zale on a 12th-round knockout.

This was a few moments later, smilingly denied by Andy Niederreiter, promoter for the roomful of millionaires who comprise the T. of C.

"After all the headaches," he said mildly, "we cleared about \$24,000. And we still have the middleweight champion under airtight contract to defend his title for us."

Whom Marcel will fight, and when and where, Niederreiter didn't pretend to know.

"It all depends on how Zale and his managers feel about it," he explained. "They have a separate contract with Cerdan, specifying that he must give Tony a return bout for the title—if Tony wants it."

# Prince Street Girls Win Softball Game From S'ide

The inclement weather of the past few days has failed to dampen the enthusiasm of the Prince Street School girls' softball team, and yesterday afternoon when a team from Summerside High School arrived rather unexpectedly in the city in search of a game, the P. S. girls hastily conferred as to what could be done to accommodate the visitors.

After the rain had abated in the late afternoon the local lassies gathered their equipment together and hid themselves to the K. of C. diamond where they proceeded to administer a 15-4 defeat to the representatives of the Western Brains Bank.

Needed to say the precarious footing was not conducive to good base-running, nevertheless a good brand of softball was dished up during the abbreviated tilt, which was called on account of darkness in the fifth inning with the P. S. girls at bat and one out.

Summerside were leading by a score of 14-13 going into the fifth, when the P. S. girls "slipped" to the front by driving two runs across the plate before Umpire Sperry was forced to call the game with darkness fast closing in.

SPRINGHILL, N.S., Sept. 22.—(CP)—For the third time in less than a week the weatherman has interrupted the Nova Scotia series for baseball semi-finals between Halifax Capital and Springhill Fencebusters. Rain washed out the fifth game of the best-of-seven series scheduled today in this Cumberland County mining town. The contest will be replayed here tomorrow, weather permitting with the teams shifting to Halifax for the sixth game Friday.

# Syracuse Chiefs Win Way To Finals

NEWARK, N.J., Sept. 22.—(CP)—Syracuse Chiefs overwhelmed Newark Bears 11-4 tonight at Ruppert Stadium to advance into the finals of the International League playoffs for the third straight year. The victory enabled the Chiefs to edge the Bears four games to three in their best-of-seven series.

Thus the Chiefs completed a brilliant comeback. They had lost three of the first four games but came roaring back to take the next three. Syracuse will play the winner of the Montreal-Rochester straight series for the right to enter the Little World Series against the American Association's playoff victors.

New York Yankee's Charles (Red) Ruffing stopped Washington Senators' bid for the American League baseball pennant 18 years ago today by handcutting the Nats with three hits in 10 innings. The big red head won his own game when he drove in the winning run with a single hit in the last of the 10th.

# Cleveland Indians In Tie With Boston For American League Lead

By The Canadian Press

Bob Feller hoisted Cleveland Indians into a tie with Boston Red Sox for the American League lead last night as the season roared to climax. The big fireballer tossed a three-hitter for his fifth straight victory and 17th of the season in humbling the mighty Sox.

A three-run first inning against Joe Dobson, which Ken Keltner featured with his 28th home run with one man on base, and two more tallies in the seventh on four singles provided the Sox. Cleveland runs. It was Cleveland's seventh straight success and its 14th out of the last 16 games.

The triumph put the Tribe exactly even with the Red Sox in games won and lost. A crowd of 76,772 paid fans observed "Don Black night" with the critically injured Cleveland pitcher receiving approximately \$40,380 of the net gate receipts.

It was the final meeting of the year between the two rivals and Cleveland's 11th victory in 22 meetings with the Sox. Each team now has eight games left to play. The theoretical advantage lies with the Indians since all their remaining games are against second-division teams while the Red Sox must face the third-place New York Yankees five more times.

Elsewhere in the junior circuit, Hal Newhouse hurled his way into a select bracket, pitching his 15th victory as Detroit beat Philadelphia 5-1.

Only one active pitcher in the league, Feller himself has won more games than Newhouse, now in his 10th year with the Tribe, and needing one more victory to become a 20-game winner for the fourth season.

Hal scattered seven hits, taking his 19th decision of the season against 11 defeats.

The Tigers won it for him in the first inning, converting two walks and two singles into a pair of runs off starter Phil Marchildon of Pentagon, Ont., who promptly retired with a sore arm.

New York's opportunity to Yankees behind Lanky Tomme Byrne's slick six-hit pitching, whipped the last-place Chicago White Sox, 7-2 to trail Cleveland and Boston, by a scant half-game.

The Yankees' 16th win of the season from the lowly Pale Hose against five defeats came about an hour after the Indians overhauled the Red Sox in the blistering pennant race with a 5-2 win over Boston at Cleveland.

Sherry Robertson walked in the top of the 10th to force in the winning run and give Washington a 3-4 victory over St. Louis Browns.

# O'Brien Drives Merry Way To Victory

DELEWARE, Sept. 22.—(AP)—Knight Dream today won the rich third running of the Little Brown Jug pace for three-year-olds in straight heats. The Grand Circuit event carried a purse of \$4,528.

Knight Dream, speedy bay son of Nibble Hanover, holder of the greatest record ever compiled by a two-year-old, won the second heat in a driving stretch duel with Navy Hal, a 40-1 shot. The winner's share was \$3,784 and boosted Knight Dream's winnings to about \$80,000.

Knight Dream, a 2-5 favorite in the first heat, was a prohibitive 1-10 choice in the second.

In the pay-off mile, the time pacer took the lead in the first turn and held it all the way. His time was 2:07 1-5, a fifth of a second better than the first heat. Atomic Bomb, figured as the most formidable opposition to Knight Dream, pulled up lame in the first heat and was withdrawn.

Little Joe O'Brien of New Glasgow, N.S., and Alberton, P.E.I., piloted Merry Way to victory in the \$25,000 Almahurst 26-class pace.

Merry Way defeated six other pacers in straight heats.
