In his sermon on Sabbath evening Rev. Neil McLaughlin endorsed the action of Officer Phillips in forbidding the Captain of the Steamer Campana from discharging her cargo on Sunday morning, the 10th inst, and argued in approval of the stand taken by some of the Town Council and clerks in condemning the officer in the discharge of his duties. His discourse was based on the commandment "Remember the Sabbath Day to keep it holy," and the law of the land. There was present the largest congregation the church has contained for some time, whose pastor was, owing to ill health, unable to hold service.

CITY AND COUNTRY

YESTERDAY a report was current that the Schooner Monitor flying the yellow flag had entered the harbor and was anchored at the three tides. Citizens took advantage of the high buildings and scanned the harbor and confirmed the report in their excitement by a schooner lying at anchor. No definite account could be ascertained so many were the stories circulated. As often as one would ask for information just as often would he hear a different story. It was related that the Picton authorities had refused to allow the patient to land after the vessel had arrived there from Georgetown and had ordered the captain to sail for Charlottetown. In the afternoon the matter was investigated and the result was that the whole affair was utterly untrue and that no schooner was to be found flying a yellow flag or with smallpox on board.

The following letter will voice the sentiment of all who have seen the 82nd Battalion in time.

MAJOR D. S. TEWARY, 82nd Regiment.
MY DEAR SIR:—I feel that if I did not say a few words of praise concerning the two companies of your Regiment which I had the honor of commanding during the Royal Review at Halifax, I would be neglecting my duty as a soldier. No. 3 and 6 Companies of the 82nd Reg. are two smart and clean companies and commanded by trusty and active captains, men you should and no doubt you are proud of. The Lieutenants also deserve much credit for the manner in which they conducted themselves. I would specially mention the color Sergt of No. 3 Co. Again thanking you for sending two such good companies and best wishes for the welfare of the 82 Regiment.
I am respectfully,
W. LITCHEE, Lt. Col.
Com. 93 Regt. Springhill.

YESTERDAY evening Mr. T. C. James read an interesting paper before the Y. M. L. A. of St. James' church on the "Life and Work of Thomas Hood" giving characteristic quotations from the works of this celebrated English wit and humorist. The audience was quite large a goodly number of ladies being present. At conclusion a vote of thanks was moved by Rev. T. F. Fullerton, which was duly seconded by Mr. Reuben McDonald of the Patriot, and was presented by the President, Mr. A. E. Morrison and duly acknowledged by the lecturer. Rev. T. F. Fullerton then took the chair and the Young People's Guild of St. James Church was organized with Miss Enid McLean as President. This branch of the young people's work in connection with the Church has been organized under very auspicious circumstances and no doubt will add greatly to the mutual interests of the congregation. On Monday evening next, the first meeting will be held at which the literary committee will provide a program.

THE Canadian Historical and Literary Society of P. E. I. held their first meeting of the season in Prince of Wales College last evening. The president Dr. Anderson opened the meeting by calling on the Secretary, Mr. Bentley, who gave a comprehensive summary of the work done during the year. Dr. Anderson then spoke of the gratitude due the lecturers of the past year for so kindly assisting the society. He then referred to the need of every member being on the alert to obtain historical information, even though it might seem trivial at the time. Some time ago Dr. Anderson received from Mr. McCallum of Brackley Point, a very interesting document regarding the early history of that community, which he promised to give the society at some future time. The election of officers for the ensuing year resulted as follows:—Dr. Anderson, President; Mrs. Gardiner and Dr. Morrison Vice Presidents; Mr. J. P. Gordon, Secretary; Mr. Henry Cundall, Treasurer; Miss Lena White, Miss Fanny Farquharson, Rev. Father Campbell, Mr. May, Mr. Cotton and Mr. Fraser, Executive Committee. It was moved by Miss White and seconded by Mrs. Gardiner that \$100.00 be voted to the Study Class in order to defray expenses.

Dear Sirs,—A few days ago I was taken with a severe pain and contraction of the cords of my leg and had to be taken home in a rig. I could not sleep for the pain, and was unable to put my foot to the floor. A friend told me of your MINARD'S LINIMENT, and one hour from the first application I was able to walk, and the pain entirely disappeared. You can use my name as freely as you like, as I consider it the best remedy I have ever used.
